landor s cottage pdf: *Individui e società tra mutamento e persistenze* Rosantonietta Scramaglia, 2018-10-01T00:00:00+02:00 Il volume, frutto della collaborazione di più autori, offre gli strumenti utili a comprendere i nostri comportamenti e i fenomeni più rilevanti della realtà di oggi. Vi sono descritti da un lato i cambiamenti avvenuti nell'era digitale, dall'altro ciò che invece persiste immutato nel tempo, riguardo sia a valori e comportamenti individuali, sia ai meccanismi e alle logiche sociali. Frammenti apparentemente eterogenei, ma che, insieme, contribuiscono a comporre il grande mosaico della società attuale e a far cogliere le sue prospettive future. Oltre al contrasto fra mutamento e persistenze, viene evidenziato anche il triplice livello - individuale, locale e globale - in cui viviamo e dove coesistono, talvolta in modo conflittuale, le unicità e le esigenze espresse a livello individuale, l'influenza dell'ambiente locale e l'appartenenza generalizzata a un mondo globale.
