Understanding the Role of Strong Concordances in Biblical Study

What Is a Strong Concordance?

A strong concordance is an alphabetical index of words used in the Bible, accompanied by references to where each word appears throughout the scriptures. The most popular version, Strong's Exhaustive Concordance of the Bible, was compiled by James Strong in the late 19th century and remains widely used today. It assigns a unique number to each Hebrew and Greek word, known as Strong's number, which allows users to easily locate and study the original language terms.

The Significance of Hebrew and Greek Lexicons

While a concordance provides references, lexicons offer detailed definitions, grammatical information, and contextual insights into biblical words. They delve into the etymology, semantic ranges, and usage of terms in various contexts. When paired with a concordance, lexicons empower readers to:

- Understand the precise meaning of words
- Explore how different words are used across various passages
- Gain insights into the cultural and historical background of biblical texts

Some of the most well-known lexicons include Brown-Driver-Briggs Hebrew Lexicon, Thayer's Greek Lexicon, and Liddell and Scott's Greek-English Lexicon.

strong concordance with hebrew and greek lexicon pdf: [The Great Sign](#) The Key to Unlocking Biblical End Times Prophecy, the Rapture of the Church, and Tribulation Period James L. Koontz, 2014-07-31 The latest craze in Bible prophecy is the four blood moons and the Lord's feast days. No doubt these are important biblical signposts. However, these signposts do not provide the all-important context of relating to the timing of any specific biblical event (i.e., rapture of the church, Antichrist signing the seven-year covenant with Israel) and what do the four blood moons mean with regard to being a harbinger or heralding a significant event in Israel's history. In this riveting book, James Koontz examines what the great sign means with regard to providing context for the four blood moons and the Lord's fall feasts. Since Christ's resurrection and ascension, the all

important question for His disciples and for many of us now is when is Christ coming back for His bride? Additionally, when will the Antichrist sign the peace covenant with Israel, when will the great tribulation begin, and when will Christ's second coming be? These are all very important questions that the great sign helps us understand, being the key to unlocking Bible prophecy in our time.

strong concordance with hebrew and greek lexicon pdf: Biblical Eschatology: Dr. Justin G. Prock, 2021-06-20 In recent history, men from a variety of backgrounds have come to the same conclusion: that the Bible is about Israel only. For example: In 1861, John Mason Neale translated an ancient twelfth century Latin hymn and its title was O Come, O Come Emmanuel. Ever since 1861, Christians have sung that hymn at Christmas time, especially at Advent. Do you know what the words really mean that you are singing? In 1878, Edward Hine wrote an article titled, Seven-Eighths of the Bible Misunderstood, wherein he explains that seven-eighths of the Bible is about national salvation, i.e. the national salvation of True Israel; whereas, only one-eighth of the Bible is about personal salvation. Did you know that? In the 1960's, Pastor Sheldon Emry wrote an article title, An Open Letter to Any Minister Who Teaches the Jews Are Israel, wherein he is of the opinion that the Israel that exists today since 1948 is not the True Israel of the Bible. In 1998, Arnold E. Kennedy wrote a book titled, The Exclusiveness of Israel, wherein he legally proves using the King James Version of the Bible that the Bible in general is only about True Israel. So, here we are in the Twenty-First Century, and the Gospel that is preached today is totally convoluted from that which was preached in the First Century A.D. by Yahshuah and His disciples, i.e. the Gospel of the Kingdom. So, where did the so-called churches and pastors go wrong? By the way, is there really a hierarchy in the Bible? In order to find out what the truth really is, we have to look at the original languages in which the Bible was written and then translated. For example, the Old Testament was written in Hebrew and Aramaic, then translated into Greek. The New Testament was written in Hebrew and Greek. Both Testaments were put together and translated into Latin, then German, and finally into English, from which the entire world received their own translation of the Bible. So, what was the original meaning of the words used in the original languages, i.e. the etymology of the words. Once that is determined, then we can go onto the next phase and discuss types in the Bible. From there, what is the Law of First Mention? How should Bible prophecy be Interpreted? Who are

the keys to Bible prophecy? Where are we in the Bible prophecy timeline? During these discussions, we will find out who Yahweh chose of all the families of the earth to make His own. The churches teach universalism. The question then becomes, Who was Yahweh's Law given to? What are the Laws of Yahweh? And then the even bigger question becomes, Who was Yahshuah sent to? All of these questions and more will be answered as you read this book...

strong concordance with hebrew and greek lexicon pdf: Paul, Covenant Killer Timothy L. Parrott, 2021-11-17 Paul is one of the more interesting and least understood characters in history—quite bluntly, a man who changed history, not just of the Christian community but the Jewish community as well. Paul was a rising star in the Jewish culture and openly admits to being the chief persecutor and prosecuting those of this upstart movement. While applying the legal system within the Jewish culture to all those now anathema to the Jewish culture, he finds himself not just defending this new movement but laying the groundwork for the behavior, customs, and legality of the Christ movement and organization. Once a defender of the Jewish faith, he now becomes a greater and stauncher defender of the Christian faith, even to the point of death in martyrdom as a political prisoner—a prosecuting attorney within the Jewish legal system now working as the principal legal and, as the author claims, prime legal counsel for the new Ekklesia. His letters are not so much about theology but legality. He was born to have a foot in the Jewish legal system and a foot in the world's then dominating legal system, only to serve as the first legal counsel and attorney general of the coming new legal system, this is Paul the lawyer; this is Paul the covenant killer.

strong concordance with hebrew and greek lexicon pdf: Why Did Yahweh and His Son Yahshuah Say What They Said? Dr. Justin G. Prock, 2020-05-07 YAHWEH (The LORD God) and His Son YAHSHUAH (Jesus Christ) made statements with regard to Eschatology that have been "Spiritualized" for over a Millennium, which has led to the belief in Universalism, the belief that YAHSHUAH died for EVERYONE. Well, after one studies the original languages of the Hebrew, Aramaic, and Greek, the message of the Kingdom of God was preached to and accepted by a certain House in the Bible. The other House rejected this message, and YAHSHUAH punished that House by taking the Kingdom away from them and giving It to another nation bringing forth fruit. There are only the House of Israel, the House of Judah, and the House of David, mentioned in the Bible. All three existed then, as they do today. However, most of today's Babylonian Priesthood/Churchianity refuses to accept the secular historical position with regard to the House of Israel, and who they are today. The people groups, which YAHWEH and YAHSHUAH addressed, still exist today. However, these people are all mixed-up, and known by different names, but they DO exist. This book goes back to the origin of these people groups in the Bible, and brings them forward to the present using their old names, in order to understand Eschatology. This brings us to the major question of, "Is the Bible only about Israel?" And, if so, how does it affect our Eschatology today? This book answers these hard questions...

strong concordance with hebrew and greek lexicon pdf: *The Gifts of the Holy Spirit* Dr. Daryl B. Brock, 2021-07-26 Today, God's overall plan for the church aligns us with His purpose and plan for the manifestation of the son of God, To destroy the works of the devil(1 John 3:8). This book, *The Gifts of the Holy Spirit: To Destroy the Works of the Devil*, is about God's path for our lives to the church and purpose for our lives within the church. Devil simply means liar. All Satan's machinations, strategies, atrocities, and crimes are built on his lies, however and whenever they are manifested. The manifestation of God's truth in our lives vigorously counteracts the works of the liar. God's truth heals the devastating effects that these lies have had on us personally, our communities, and our society at large. More than just a transmission of confusing facts and figures to let you know how smart I am, this book takes the truth of God's Word and helps you connect the dots with the intention of painting a clearer picture of your purpose in Christ as a son of God and therefore the purpose of the Christ in you. The resulting portrait allows the reader to align our Christlike responsibility to work with God, with our Holy Ghost given gifts, abilities, and opportunities to motivate positive personal changes but also, collectively as sons of God, dynamic changes in our society...indeed-the world.

strong concordance with hebrew and greek lexicon pdf: *God is Not Enough, Messiah Needed* Sam Oputa, The Bible describes a whole lot of toys and technologies that our forefathers thought were magical and divine. Some of the toys were created to do the Gods' desires. Man is part of such toys and just like man, other toys were desired and created. Sometimes, toys were used to design other toys. And, man thought that such toys were divine. Today, we are also designing other toys. We have designed toys that are now probing mars. We shall soon send other toys to other planets like the Gods sent toys to earth. But, man decided to ascribe to such toys -- divinity. Our forefathers were not confused. We are. There is indeed, nothing divine in the Bible. There is technology, science and more science--not even magic or miracle. Now, imagine that your assignment is to write about what you observe for future generations. What a daunting job that would be! Will your observations make sense to those who come after you? This was the dilemma of messengers from ancient times. The Gods were wowing them with events they could not understand, and the people recorded what they saw. But, often we interpret these recordings without applying logic and science or both. For example, read Daniel Chapter 7. If that did not remind you of power rangers -- the TV series, you have not started to apply science and technology to Bible readings. Behold, in the Bible are the most technologies man is yet to understand. Many people believe what they believe because it is generally accepted. Some only accept interpretations that are confirmed by their version of The Holy Books, and they consider any use of reason in religious matters to be misleading and impermissible. According to such people, man is too mortal to understand the ways of God. In *God Is Not Enough*—a groundbreaking and thought-provoking book—the author attempts to deconstruct the puzzles surrounding the concept of God. Who is He? Why were we created? Jesus Christ is the Son of God, but which God? And are these questions really unanswerable?
