bhagavad gita in tamil pdf: Health and Wellbeing in Late Life Prasun Chatterjee, 2019-09-06 This open access book takes a multidisciplinary approach to provide a holistic understanding of late old age, and situates the aged person within the context of family, caregivers, clinical and other institutions. All through the book, the author discusses preparedness for an aging individual as well as the society in the Indian context. The book highlights inevitable but mostly neglected health issues like depression, dementia, fall, and frailty and provides detailed analyses of solutions that are practicable in low resource settings. It also brings up intergenerational differences and harmony in the context of holistic care of older Indians. Alongside clinical perspectives, the book uses narratives of elderly patients to dwell on the myriad of problems and issues that constitute old age healthcare. Demonstrating cases that range from the most influential to the most underprivileged elderly in India, the book enlightens multiple caregivers—doctors, nurses, and professional caregivers as well as family members—about the dynamic approach required in dealing with complex issues related to late old age. The narratives make the book relatable and interesting

to non-academic readers, with important lessons for gerontological and geriatric caregiving. It is also of use to older adults in preparing for active aging.

bhagavad gita in tamil pdf: *Behind Kṛṣṇa's Smile* Antonio Rigopoulos, Gianni Pellegrini, 2024-10-01 *Behind Kṛṣṇa's Smile* offers a wholly original perspective on the celebrated Bhagavadgītā, or Song of God. The book investigates Kṛṣṇa's hint of laughter (prahasann iva) in Bhagavadgītā 2.10, which is generally understood to be the turning point of the famous poem, signaling the outpouring of his grace and teaching to Arjuna. Remarkably, it is from this verse that Śāṅkara and other leading theologians begin to write their commentaries. In addition to exploring the momentousness of Kṛṣṇa's hint of laughter and its impact on the poem's central teachings, *Behind Kṛṣṇa's Smile* provides a crucial interpretation of Kṛṣṇa's prahasann iva in the Vedānta commentarial tradition, from Śāṅkara up to modern times. The book also considers the meanings of the stock phrase prahasann iva in the larger epic framework of the Mahābhārata and Rāmāyaṇa. Moreover, the book offers the first comprehensive review of the significance of Kṛṣṇa's smile in Kṛṣṇaite iconography and literature, demonstrating that there is a unified canon bringing together the literary and performative dimensions of Kṛṣṇa's hint of laughter.

bhagavad gita in tamil pdf: *Caste and Equality in India* Akio Tanabe, 2021-07-29 This book presents an alternative view of caste in Indian society by analysing caste structure and change in local communities in Orissa from historical and anthropological perspectives. Focusing on the agricultural society in the Khurda district of Orissa between the eighteenth century and 2019, the book links discussions on the current transformation of society and politics in India with analyses of long-term historical transformations. The author suggests that, beyond status and power, there is another value which is important in Indian society, namely ontological equality, which functions as the politico-ethical ground for asserting respect and concern for the life of others. The book argues that the value of ontological equality has played an important role in creating and affirming the diverse society which characterises India. It further contends that the movement towards vernacular democracy, which has become conspicuous since the second half of the 1990s, is a historically groundbreaking event which opens a path beyond the postcolonial predicament, supported by the affirmation of diversity by subalterns based on the value of ontological equality. This important contribution to the study of Indian society will be of interest to academics working on the social, political and economic history, sociology, anthropology and political science of South Asia, as well as to those interested in social and political theory.

bhagavad gita in tamil pdf: *The Art of Leading in a Borderless World* C Panduranga Bhatta, Pragyan Rath, 2020-09-18 *The Art of Leading in a Borderless World* is a reflective journey on the significant instances of leadership-when leaders were considerate and conscientious about heterogeneity through their focus on what they 'excluded' when 'including', such that the 'excluded' became the vantage point of their 'focus'. An attempt is made here to retrace the global instincts long before 'globalisation' was coined as an economic functionality and, in that very tracing, the work reflects on influential personalities as the harbingers of global philosophies. The combinations of texts, philosophies and events are uncanny and generate food for thought and even debates within the larger discourse on leadership. The authors stress the idea that to survive, human beings must consider the holistic and harmonious relationship with the world that they inhabit. These considerations must be accommodated along with restating the ideals in a new form in the context of our present-day technologies and make them more meaningful by providing a new empathetic framework. There are practical examples for corporate leaders as well as political, social and community practitioners. The book attempts to raise fundamental questions-including 'Is there any need for a leader?'-which will bring in leadership values not limited by borders. Rather than dry, mechanistic frameworks and axioms, this book provides inspiration, exemplars and a new paradigm to the building of a sustainable and empathetic culture for leaders across all levels.

bhagavad gita in tamil pdf: Psychologie des Schwangerschaftsabbruchs in Indien Claudia E. Schmitz, 2008-01-30 Inhaltsangabe: Einleitung: Die vorliegende Arbeit beschäftigt sich mit der Psychologie des Schwangerschaftsabbruchs in Indien. Durch die Darstellung des aktuellen Forschungsstandes zum Thema soll deutlich werden, welche Beachtung der Schwangerschaftsabbruch in Indien erhält und in welchen Zusammenhängen Schwangerschaftsabbrüche in Indien erlebt und behandelt werden. Aufgrund des kulturellen Unterschiedes zwischen Indien und westlichen Ländern kann davon ausgegangen werden, dass die Bearbeitung psychologischer Fragestellungen sich jeweils verschieden gestaltet. Die im Westen zugängliche psychologische Literatur ist vorwiegend auf Untersuchungen der westlichen Mittelschicht beschränkt, sodass diese Ergebnisse nicht ohne weiteres auf einen anderen Forschungskontext übertragen werden können. Um Indien mit seinem entsprechenden kulturellen Hintergrund gerecht zu werden, wird daher in dieser Arbeit darauf verzichtet, westliche psychologische Theorien und Ansätze zum Thema Schwangerschaftsabbruch vorzustellen. Da eine Untersuchung vor Ort den Rahmen dieser Arbeit überschreitet, wird auf vorliegendes Datenmaterial zurückgegriffen, was eine Begrenzung durch fehlende Ortskenntnisse der Verfasserin beinhaltet. Die Arbeit soll einen Überblick und eine kritische Würdigung der aktuellen Forschungstätigkeit aus den Jahren von 1980 bis 2006 darstellen. Ziel ist dabei, bestehende Tendenzen und gegebenenfalls Lücken der bisherigen Forschung offen zu legen für zukünftige Untersuchungen auf dem Gebiet der Psychologie des Schwangerschaftsabbruchs in Indien. Die Wahl fiel auf das Untersuchungsthema des Schwangerschaftsabbruchs, weil dieser in den vergangenen Jahren zahlreiche kontroverse Diskussionen ausgelöst hat, wobei das Einzelschicksal der Betroffenen häufig aus den Augen verloren wurde. Der Schwangerschaftsabbruch steht „wie kaum ein anderes soziales Phänomen im Mittelpunkt gesellschaftlicher Auseinandersetzungen ... und dessen Einschätzung [hängt] nicht zuletzt von religiösen Überzeugungen, ethischen Grundeinstellungen und gesellschaftlichen Einflüssen ab“. So scheint die Frage, wie Menschen mit dem Thema des Schwangerschaftsabbruchs umgehen, für die Betrachtung vor einem spezifischen kulturellen Hintergrund besonders geeignet. Als „anthropologische Universalie“ verdient der Schwangerschaftsabbruch psychologische Beachtung. Im öffentlichen Diskurs werden die psychologischen Zusammenhänge des Geschehens häufig vernachlässigt, was auch auf andere Bereiche [...]
