diary of anne frank play script: The Real Nick and Nora David L. Goodrich, 2004-10 Frances Goodrich and Albert Hackett wrote the screenplays for some of America's most treasured movies, including *It's a Wonderful Life*, *The Thin Man*, *Easter Parade*, *Father of the Bride*, *Naughty Marietta*, and *Seven Brides for Seven Brothers*. Legendary films, indeed, but writing both the play and screenplay for *The Diary of Anne Frank* was their crowning achievement. Controlled chaos best describes their writing method. They discussed a scene at length, sometimes acting it out. Afterwards, they each wrote a draft, which they exchanged. Then, Frances said, began 'free criticism'--which sometimes erupted into screaming matches. Noisy and contentious, the method worked splendidly. Enormously successful and remarkably prolific, Goodrich and Hackett began their thirty-four-year collaboration in 1928. Married after the first of their five plays became a hit, they were in many ways an unlikely pair. Frances, the privileged daughter of well-to-do parents, graduated from Vassar, then played minor parts on Broadway. Albert's mother put him on stage at age five, when his father died, to help pay the bills, and he became a highly paid comedian. The Hacketts were known for their wit and high spirits and the pleasure of their Bel Air dinner parties. They waged memorable battles with their powerful bosses and were key activists in the stressful creation of the Screen Writers Guild. Once they had created Nick and Nora Charles, *The Thin Man's* bright, charming, sophisticated lead couple, played memorably by William Powell and Myrna Loy, many people saw a strong resemblance, and the Hacketts acknowledged that they put themselves into Nick and Nora. *The Real Nick and Nora* is a dazzling assemblage of anecdotes featuring some of the most talented writers and the brightest lights of American stage and screen. The work was arduous, the parties luminous. On any given night the guests singing and acting out scripts at a party might include F. Scott Fitzgerald and Sheilah Graham, S. J. Perelman, Oscar Levant, Ogden Nash, Judy Garland, Abe Burrows, Hoagy Carmichael, Johnny Mercer, Ira Gershwin, George Burns and Gracie Allen, Pat O'Brien, Dick Powell and June Allyson, Dashiell Hammett, Lillian Hellman, James Cagney, and Dorothy Parker.

Roth, 2012-11-22 Few scholarly fields have developed in recent decades as rapidly and vigorously as Holocaust Studies. At the start of the twenty-first century, the persecution and murder perpetrated by the Nazi regime have become the subjects of an enormous literature in multiple academic disciplines and a touchstone of public and intellectual discourse in such diverse fields as

politics, ethics and religion. Forward-looking and multi-disciplinary, this handbook draws on the work of an international team of forty-seven outstanding scholars. The handbook is thematically divided into five broad sections. Part One, Enablers, concentrates on the broad and necessary contextual conditions for the Holocaust. Part Two, Protagonists, concentrates on the principal persons and groups involved in the Holocaust and attempts to disaggregate the conventional interpretive categories of perpetrator, victim, and bystander. It examines the agency of the Nazi leaders and killers and of those involved in resisting and surviving the assault. Part Three, Settings, concentrates on the particular places, sites, and physical circumstances where the actions of the Holocaust's protagonists and the forms of persecution were literally grounded. Part Four, Representations, engages complex questions about how the Holocaust can and should be grasped and what meaning or lack of meaning might be attributed to events through historical analysis, interpretation of texts, artistic creation and criticism, and philosophical and religious reflection. Part Five, Aftereffects, explores the Holocaust's impact on politics and ethics, education and religion, national identities and international relations, the prospects for genocide prevention, and the defense of human rights.

This book documents the players and productions that appeared at this venerable house and the challenges the Walnut has faced from economic crises, changing tastes, technological advances, and competition from new media. The Walnut's history is a classic American success story. Built in the early years of the nineteenth century, the Walnut responded to the ever-changing tastes and desires of the theatergoing public. Originally operated as a stock company, the Walnut has offered up every conceivable form of entertainment—pageantry and spectacle, opera, melodrama, musical theater, and Shakespeare. It escaped the wrecking ball during the Depression by operating as a burlesque house, a combination film and vaudeville house, and a Yiddish theater, before becoming the Philadelphia headquarters for the Federal Theatre Project. Because Philadelphia is located so close to New York City, the Walnut has served as a tryout house for many Broadway-bound shows, including *A Streetcar Named Desire*, *The Diary of Anne Frank*, and *A Raisin in the Sun*. Today, the Walnut operates as a nonprofit performing arts center. It is one of the most successful producing theaters in the country, with more than 350,000 attending performances each year.
