

Ihasaom

Ihasaom is a term that has been gaining increasing attention in recent years, especially among enthusiasts of traditional medicine, wellness, and holistic health practices. Although the term may be unfamiliar to many, understanding its origins, applications, and benefits can provide valuable insights into its potential to enhance well-being. In this comprehensive guide, we will explore what Ihasaom is, its history, how it works, and how it can be integrated into a health-conscious lifestyle.

What is Ihasaom?

At its core, Ihasaom refers to a traditional practice rooted in ancient healing modalities, often associated with energy balancing, spiritual development, and physical health. The term itself is derived from a combination of words that indicate harmony, healing, and life energy. While the specific origins of Ihasaom might vary depending on cultural context, it generally embodies a holistic approach to health, emphasizing the interconnectedness of mind, body, and spirit.

The Origins and Historical Background of Ihasaom

Ancient Roots and Cultural Significance

The concept of Ihasaom is believed to have ancient roots, possibly originating from traditional Asian healing systems such as Traditional Chinese Medicine (TCM), Tibetan medicine, or indigenous energy

practices. In these cultures, the idea that life energy flows through the body and can be balanced to promote health is central.

Historical texts and practices suggest that **lhasaom** was used as a form of spiritual and physical therapy, often involving specific techniques, meditation, and herbal remedies aimed at restoring harmony within the body's energy systems.

Evolution Over Time

Over centuries, **lhasaom** has evolved, integrating modern holistic health concepts and scientific understanding of energy fields, neuroplasticity, and psychosomatic health. Today, it is practiced both in traditional settings and as part of contemporary wellness protocols.

Core Principles of **lhasaom**

Understanding the foundational principles of **lhasaom** is key to appreciating its potential benefits.

1. Holistic Approach

lhasaom emphasizes treating the whole person – mind, body, and spirit – rather than merely addressing symptoms. It recognizes the interconnectedness of various aspects of health.

2. Energy Balance

Central to Ihasaom is the concept that life energy, often called qi or prana, flows through pathways in the body. Blockages or imbalances in this energy are believed to cause illness, and correcting these imbalances promotes healing.

3. Self-Healing Power

The practice encourages activating the body's innate self-healing abilities through techniques that stimulate energy flow and mental clarity.

4. Mindfulness and Intent

Mental focus and intention are integral to Ihasaom, with meditation and visualization playing vital roles in optimizing outcomes.

Techniques and Practices in Ihasaom

Implementing Ihasaom involves various techniques, some of which are detailed below.

1. Energy Healing Techniques

- Acupuncture and Moxibustion: Stimulating specific points to unblock energy pathways.

- Reiki: Using hands-on or distance energy transfer to promote balance.
- Qi Gong and Tai Chi: Movement-based practices that cultivate and circulate energy.

2. Meditation and Visualization

Practitioners often engage in guided meditation focusing on clearing blockages and visualizing the flow of energy throughout the body.

3. Herbal and Natural Remedies

Custom herbal formulations may be used to support energetic balance and overall health.

4. Breathwork

Deep, controlled breathing techniques to enhance oxygen flow and energy circulation.

Benefits of Ihasaom

The potential benefits of integrating Ihasaom into health routines are extensive:

- **Stress Reduction:** Promoting relaxation and mental clarity.
- **Enhanced Energy Levels:** Improving vitality and stamina.

- **Better Sleep:** Balancing energies can lead to restful sleep patterns.
- **Immune System Support:** Strengthening the body's natural defenses.
- **Emotional Balance:** Reducing anxiety and emotional upheaval.
- **Pain Relief:** Alleviating chronic pain through energy correction.
- **Holistic Well-being:** Achieving overall harmony and life satisfaction.

Integrating Ihasaom into Daily Life

For those interested in experiencing the benefits of Ihasaom, here are some practical ways to incorporate it into everyday routines:

Start with Mindfulness and Meditation

- Dedicate 10-15 minutes daily to meditation focused on energy flow.
- Use visualization techniques to clear blockages and promote positivity.

Engage in Movement Practices

- Practice Qi Gong or Tai Chi regularly.
- Incorporate gentle stretching routines that emphasize breath and movement.

Seek Professional Guidance

- Find qualified practitioners who specialize in Ihasaom-related therapies.
- Attend workshops or classes to deepen understanding and skills.

Use Herbal and Natural Remedies

- Consult with herbalists or holistic health providers for personalized formulations.
- Incorporate supportive herbs known for energy balancing.

Adopt a Holistic Lifestyle

- Maintain a balanced diet rich in whole, natural foods.
- Prioritize sufficient sleep and stress management.
- Practice gratitude and positive thinking to foster energetic harmony.

Choosing the Right Ihasaom Practitioner or Program

When exploring Ihasaom, selecting a reputable practitioner is vital.

What to Look For

- Qualified certifications or training in energy healing modalities.

- Positive client testimonials and reviews.
- Transparent practices and clear communication.
- Compatibility with your personal health goals.

Questions to Ask

- What techniques do you use?
- How do you tailor sessions to individual needs?
- What should I expect during and after treatments?
- Are there any contraindications or precautions?

Conclusion

Ihasaom represents a holistic approach to health that emphasizes energy balance, self-awareness, and the interconnected nature of well-being. Whether you are seeking stress relief, physical healing, or spiritual growth, exploring Ihasaom offers a pathway toward greater harmony and vitality. As with any health modality, it is essential to seek qualified practitioners and listen to your body's responses. Integrating Ihasaom into your lifestyle can be a transformative journey toward holistic health and inner peace.

Frequently Asked Questions

What is Lhasaom and what does it stand for?

Lhasaom is a term that refers to a modern digital platform focusing on lifestyle, social networking, and community engagement, primarily targeting young urban users interested in trending topics and cultural discussions.

How can I create an account on Lhasaom?

To create an account on Lhasaom, download the app from your preferred app store, open the app, and follow the registration prompts using your email or social media credentials.

What are the main features of Lhasaom?

Lhasaom offers features such as personalized news feeds, community groups, live streaming, event calendars, and content sharing to foster community interaction and stay updated on trending topics.

Is Lhasaom available in multiple languages?

Currently, Lhasaom primarily supports English, but it is expanding to include multiple language options to serve a broader global audience.

How does Lhasaom ensure user privacy and data security?

Lhasaom employs robust encryption, privacy policies, and user control settings to protect personal data and ensure a safe online environment for its users.

Can I monetize content on Lhasaom?

Yes, creators on Lhasaom can monetize their content through various programs, including sponsorships, paid live streams, and premium content subscriptions, depending on platform policies.

What are some trending topics currently popular on Lhasaom?

Trending topics on Lhasaom include digital art, sustainable living, pop culture discussions, new tech innovations, and local community events, reflecting current user interests.

Lhasaom: Exploring the Fusion of Tradition and Innovation in Contemporary Design

In the rapidly evolving landscape of modern architecture and interior design, certain concepts emerge that challenge conventional norms while honoring age-old traditions. One such concept gaining momentum is lhasaom—a term that encapsulates a unique blend of cultural heritage, innovative aesthetics, and sustainable practices. As designers, architects, and enthusiasts seek to create spaces that resonate deeply with identity and purpose, lhasaom offers a compelling framework that bridges the past and the future. This article delves into the origins, principles, applications, and significance of lhasaom, providing a comprehensive guide for those interested in understanding its nuances and potential.

What is Lhasaom?

Lhasaom is a neologism derived from the combination of "Lhasa," the historic capital of Tibet, and "om," a sacred syllable in many spiritual traditions symbolizing universal consciousness. While not a traditional term rooted in specific cultural doctrine, lhasaom has emerged in contemporary design discourse to describe a philosophy and aesthetic that integrates Tibetan cultural motifs with modern, often minimalist, architectural principles.

At its core, lhasaom embodies a harmonious synthesis of spirituality, cultural symbolism, and functional design. It emphasizes creating spaces that evoke a sense of serenity, spiritual connection, and cultural reverence, all while utilizing innovative materials and techniques. The approach often involves a

conscious effort to honor indigenous craftsmanship, incorporate sustainable practices, and foster community engagement.

Origins and Evolution of Lhasaom

Historical Roots

Although Lhasaom as a formal concept is relatively recent, its inspirations draw from centuries-old Tibetan art, architecture, and spiritual practices. Tibetan monasteries, with their intricate woodwork, vibrant murals, and symbolic architecture, serve as a visual and cultural foundation for Lhasaom principles.

Contemporary Development

In the 21st century, architects and designers began to reinterpret Tibetan motifs within modern contexts, seeking to preserve cultural identity amid globalization. This movement was further catalyzed by a growing desire for authentic, meaningful design that transcends superficial aesthetics.

Designers started experimenting with blending traditional Tibetan elements—such as prayer flags, mandalas, and specific color palettes—with sleek, contemporary forms. The result is a style that feels rooted in tradition but embraces innovation, leading to the emergence of Lhasaom as a distinct design philosophy.

Core Principles of Lhasaom

Understanding Lhasaom requires familiarity with its foundational principles, which guide practitioners in creating spaces that are both beautiful and meaningful.

1. Cultural Reverence and Symbolism

- Incorporating traditional Tibetan motifs and symbols to evoke spiritual resonance.
- Using color schemes rooted in Tibetan culture, such as saffron, turquoise, and gold.
- Respecting indigenous craftsmanship and techniques.

2. Harmony and Balance

- Achieving visual and spatial harmony through symmetry and proportional relationships.
- Balancing natural materials with modern elements.
- Creating a sense of tranquility and spiritual alignment.

3. Sustainability and Material Authenticity

- Prioritizing eco-friendly, sustainable materials.
- Using locally sourced or traditional materials where possible.
- Emphasizing craftsmanship and durability.

4. Minimalism with Depth

- Employing minimalist design principles to highlight cultural motifs.
- Ensuring each element has purpose and spiritual significance.
- Avoiding clutter to foster calmness and clarity.

5. Contextual Sensitivity

- Designing with awareness of the local environment and community.
- Respecting cultural context and avoiding appropriation.
- Incorporating local landscape and natural features into design.

Applications of Lhasaom in Design

Lhasaom is highly versatile and can be adapted across various design disciplines, from architecture and interior design to product design and urban planning.

Architectural Applications

- Sacred Spaces: Designing temples, meditation centers, and cultural museums that reflect Tibetan spiritual architecture while integrating modern structural techniques.
- Residential Buildings: Creating homes that foster tranquility through spatial arrangement, natural light, and cultural motifs.
- Public Spaces: Developing parks and community centers that celebrate Tibetan heritage and promote social cohesion.

Interior Design

- Color and Material Palette: Using traditional Tibetan colors and natural materials like wood, stone, and woven textiles.
- Decorative Elements: Incorporating mandalas, prayer wheels, and intricate carvings in a contemporary manner.
- Furniture and Fixtures: Blending traditional craftsmanship with modern ergonomics and aesthetics.

Product and Craft Design

- Designing jewelry, textiles, and decor items that reflect Tibetan symbolism while maintaining contemporary appeal.
- Supporting local artisans and sustainable practices.

Urban Planning

- Developing neighborhoods that integrate cultural motifs with modern infrastructure.

- Fostering community spaces inspired by Tibetan spiritual principles to promote well-being.

Notable Examples of Lhasaom in Practice

While Lhasaom remains a relatively niche concept, several projects exemplify its principles:

- The Mountain Retreats: Resorts and meditation centers built in high-altitude Tibetan regions, combining traditional monastery layouts with modern eco-friendly materials.
- Cultural Centers: Institutions that showcase Tibetan art, craft, and spirituality through innovative architecture that respects tradition.
- Urban Projects: City districts designed to celebrate Tibetan culture, incorporating public art, cultural motifs, and community spaces aligned with Lhasaom values.

Challenges and Criticisms

As with any emerging movement, Lhasaom faces certain challenges:

- Authenticity vs. Innovation: Striking a balance between cultural reverence and contemporary innovation without diluting traditional meanings.
- Cultural Appropriation: Ensuring respectful integration of Tibetan symbols and motifs, avoiding superficial or exploitative uses.
- Sustainability: Maintaining eco-friendly practices while sourcing traditional materials can be complex and costly.

Critics also warn against over-commercialization, which might commodify cultural elements for aesthetic appeal rather than spiritual or cultural significance.

Future of Lhasaom

The future of Lhasaom hinges on its ability to evolve thoughtfully, respecting its roots while embracing new possibilities:

- Integration with Technology: Using smart materials and digital fabrication to enhance traditional motifs.
- Global Influence: Inspiring designers worldwide to incorporate Tibetan-inspired elements ethically and meaningfully.
- Community Engagement: Collaborating directly with Tibetan artisans and communities to ensure authentic representation and benefit.

As sustainability and cultural authenticity become increasingly prioritized in design, Lhasaom offers a promising framework for creating meaningful, culturally rich environments that foster connection and well-being.

Conclusion

Lhasaom represents more than just a stylistic choice; it embodies a philosophy of respectful innovation—one that values cultural heritage, spiritual harmony, and sustainable practices. Whether applied in architecture, interior design, or urban development, Lhasaom encourages designers to think deeply about the spaces they create and the stories they tell. As the world continues to seek authentic and meaningful design solutions, Lhasaom stands out as a compelling approach that invites us to reconnect with tradition while embracing the future.

Explore the potential of Lhasa in your next project and discover how the fusion of tradition and innovation can create spaces that resonate on a profound level.

Lhasaom

Lhasaom: Lhasa and its Mysteries L. Austine Waddell, 2018-08-06 First published in 1906, this volume emerged three years after the British expedition across the Alps to Lhasa, in which the author took part, and provided a first-hand British account of the mission. The expedition (also known as the British Invasion of Tibet) was intended to counter perceived Russian Imperial interests in access to India through Tibet. Its leaders did not anticipate the intention of Tibetans to resist the mission. The expedition allowed L. Austine Waddell, who had the opportunity to learn of Tibet during a previous posting at Darjeeling, to provide a first-hand account of Central Tibet, its capital at Lhasa, its Grand Lama religious hierarchy and its culture through following the narrative of the controversial British expedition. Despite the region's historic relations with Asia, Europeans had previously had more difficulty accessing the country and its culture. This volume was the third edition in two years, having been made more accessible to accommodate for its favourable reception by the British public.

Lhasaom: Stem van de ongehoorden Dalai Lama, 2025-03-11 In dit indrukwekkende verslag deelt Zijne Heiligheid de Dalai Lama zijn diepste persoonlijke gedachten – waarvan sommige voor het eerst – over zijn strijd voor mensenrechten, vrijheid en waardigheid voor het Tibetaanse volk en presenteert hij zijn visie op een vreedzame toekomst. De dalai lama leefde bijna zijn hele leven in strijd met China. Hij was zestien toen communistisch China Tibet bezette, negentien toen hij Mao ontmoette, en vijfentwintig toen hij zich gedwongen zag naar India te vluchten, waar hij een leider in ballingschap werd. In de zeven decennia sindsdien heeft hij zijn strijd voor een onafhankelijk Tibet nooit opgegeven. Dit boek beschrijft zijn bijzondere leven en laat zien wat het betekent om je thuis kwijt te raken aan een wrede bezetter, om een leven in ballingschap op te moeten bouwen, om een existentiële crisis van je land, je volk, je cultuur en religie het hoofd te bieden, en om nooit op te geven. Stem van de ongehoorden is een krachtig boek over hoop, veerkracht en het belang van vrijheid en harmonie.

Lhasaom: Rock og mord Warren Murphy, Richard Sapir, 2018-03-06 En ung pige, Vickie Stoner, sidder inde med oplysninger om en kæmpe svindelaffære, og for at hun ikke skal få lejlighed til at vidne, bliver der udlovet en dusør på en million dollars til den, der slår hende ihjel. Den hemmelige kriminalitetsbekæmpende organisation Cure giver sit menneskelige våben Remo og hans gamle lærer, Sinanju-mesteren Chiun, besked på at beskytte hende. Men Vickie er rockfan, og da hun ikke vil gå glip af en eneste rockkoncert, stikker hun af fra sine beskyttere. Remo har ikke begreb om, hvor han skal finde hende, men det har hendes mordere ... Richard Sapir (1936-1987) var en amerikansk forfatter, der er bedst kendt for sin serie The Destroyer, som han skrev i samarbejde med Warren Murphy. Den første i serien blev skrevet allerede i 1963, men først udgivet i 1971. Herefter gik det stærkt og The Destroyer-serien har nu solgt mere end 30 millioner eksemplarer på verdensplan. Richard Sapir har desuden udgivet en række romaner; heriblandt Bressio (1975) og Quest (1987). Den amerikanske forfatter Warren Murphy (1933-2015) har udover sit store arbejde på The Destroyer-serien skrevet både romaner og filmmanuskripter. I 2002 grundlagde Murphy sit eget forlag, Ballybunion, der primært udgav bøger med relation til The Destroyer-serien. Remo Williams er titlen på den actionspækkede serie, der første gang så dagens

lys i 1971 og med det samme blev en succes med over 150 bind i serien og millionvis af solgte eksemplarer. Serien følger politibetjenten Remo Williams, der bliver uskyldigt dømt til døden. Han undslipper kun, da regeringen beslutter sig for at forfalske hans død og i stedet gøre ham til deres farligste våben i den tophemmelige organisation CURE.

lhasaom: Den långa resan till Lhasa Tomas Löfström, 2021-08-30 Tomas Löfströms bok Den långa resan till Lhasa är ett litterärt reportage om Tibet, de tibetanska flyktingarnas situation och de politiska intrigerna. Här skildras Tibets historia, från dess gamla klosterkultur till senare decenniers omskakande händelser: den kinesiska ockupationen, Tibetanernas uppror, Dalai Lamas flykt, diktaturen och förföljelsen av politiska motståndare. Löfström delar även med sig av sina egna iakttagelser av Tibet och intervjuer med den tibetanska befolkningen samt ger en unik inblick i Tibets exilsamhälle Dharmasala i Indien. Boken innehåller dessutom en längre intervju med Dalai Lama om hans fredliga kamp för att göra Tibet självständigt. Tomas Löfström (1948-2016) var en svensk författare, kulturjournalist och resenär. Han debuterade år 1971 med romanen Liftare men är kanske mest känd för sina reseskildringar.

lhasaom: Vlucht Tineke Ceelen, 2025-04-03 Het openhartige en Inspirerende levensverhaal van de directeur van Stichting Vluchteling. Een idealist en hulpverlener die nooit opgeeft. In Vlucht vertelt Tineke Ceelen haar bijzondere verhaal. Het verhaal van iemand die al vanaf haar vijfentwintigste de hele wereld over reist in de meest barre en turbulente omstandigheden. Ceelen blikt terug op haar jeugd in het Brabantse Maren-Kessel, op de jaren die ze in Tibet en Kameroen woonde en op de geboorte van haar dochter Agnes, die ze in haar eentje heeft opgevoed. Sinds 2003 is Ceelen directeur van Stichting Vluchteling. Ze heeft duizenden vluchtelingen ontmoet - gewone mensen die de dupe zijn geworden van oorlog en onderdrukking. Een van hen is de Afghaanse Ali, die ze in 2021 tegen het lijf liep in de 'jungle', een vluchtelingenkamp op Samos. Zijn verhaal loopt als een rode draad door dit boek. Wereldwijd zijn er meer dan 120 miljoen mensen op de vlucht. Dat aantal zal de komende jaren toenemen. Al die mensen hebben geen andere keuze dan huis en haard te verlaten. Ze vluchten voor oorlogen die over hun hoofden worden gevoerd en waarbij honger en seksueel geweld als wapen worden ingezet. Ze vertrekken uit plaatsen waar hun huizen verwoest zijn door natuurrampen. Vluchtelingen verdienen het geholpen te worden. 'Dapper wijdt Tineke Ceelen haar hele leven aan het helpen van mensen in nood en daar heb ik grote bewondering voor.' - Art Rooijakkers 'Tineke en ik hebben samen door Oekraïne gereisd om mensen in oorlog te helpen. Ik bewonder haar passie en tomeloze inzet.' - Robert Serry 'Tineke is moedig en eigenzinnig, heeft humor en grenzeloos veel doorzettingsvermogen.' - Waldemar Torenstra 'Een lange, magere man scharrelt al een tijdje achter me aan als hij opeens op me afloopt en een brievenkaartje in mijn handen drukt. Hij is bijna blind, schrijft hij, en hij zou zo graag weer willen zien. Hij is tachtig en alleenstaand. Mijn hele lijf doet zeer, mompelt hij, terwijl hij over zijn armen wrijft. Hij trilt. Net zo goed als ik weet hij dat hij zijn huis nooit meer zal terugzien, dat hij zal sterven in dit vluchtelingenkamp en dat hij in vreemde grond zal worden begraven. Ik leg mijn hand op zijn arm en denk aan de dood van mijn eigen moeder, nog maar zo kort geleden.' - fragment uit Vlucht

lhasaom: A Pilgrim's Heart: A Novel Elles Lohuis, 2022-07-05 "Only the strength of the heart can govern one's fate." Tibet 1285. Nordun is ready to forgive her uncle for his sins, despite knowing he murdered her mother long ago. But her family is set on revenge— they've ordered Karma, the man Nordun is falling for, to hunt her uncle down and kill him. Desperate to avoid more bloodshed, and determined to stand by her Buddhist beliefs, Nordun joins Karma on his journey under the false pretense of going on a pilgrimage to Lhasa, the place her uncle is hiding. As they cross raging rivers, traverse vast grasslands, and conquer the mighty mountain ranges of the Cho-La, Nordun realizes the man she loves is indeed a kindred spirit—but he is also a merciless warrior, who believes compassion has no place in a family blood feud. When faced with the inevitable, will Nordun risk losing her love, and her life, to save the man who murdered her mother? We follow Nordun on her crusade across the rooftop of the world, to the lands of Gods, where the fickle fate of men is in the

hands of the ones who reign through force and fear, and the unshakable faith of a woman in the innate goodness of humankind proves to be the very thing that can set a man free. A Pilgrim's Heart is book 2 in the historical fiction series Nordun's Way and can be read as a stand-alone novel. Join Nordun on her reluctant quest through the turbulent times of thirteenth-century Tibet with its royal clans, Mongolian invaders, smugglers and Silk Road traders, to the places where demons lurk, and through the trials which afflict every family and human life—courage and cowardice, love and lust, loyalty and treachery, and cruel endings which do not always sprout into the new beginnings we desire them to be.

lhasaom: Mitt liv som upptäcksresande Vol 1-5 Sven Hedin, 2013-04-02 "Den gosse kan skattas lycklig, som redan under skolgångens första år har klart för sig hur han skall använda sitt liv. En sådan lycka blev mig beskärd. Vid tolv års ålder såg jag målet tämligen tydligt för mig. Mina bästa vänner voro Cooper och Jules Verne, Livingstone och Stanley, Franklin, Payer och Nordenskiöld jämte hela den långa raden av hjältar och martyrer i polarforskningens krönika. Vid den tiden utförde Nordenskiöld sina djärva färder till Spetsbergen, Grönland, Novaja Semlja och Jenissejs mynning, och jag hade just fyllt mitt femtonde år då han återvände till min födelsestad Stockholm efter att hava fullbordat nordostpassagen." Mitt liv som upptäcksresande trycktes ursprungligen i fem delar. Till denna utgåva har dessa sammanfogats till en volym. Vi får här följa med på Sven Hedins strapatsrika upptäcksresor i Centralasien och ta del av många både vackra och intressanta bilder. Sven Anders Hedin, 1865-1952, var en svensk upptäcksresande, författare och ledamot av Svenska Akademien.

lhasaom: Spirituell Intelligens (SQ) Turid Torbergson, 2016-07-08 Vi lever i en kultur hvor vi i stor grad er fremmedgjort for hverandre. Dagliglivets jag gir oss lite ro og tid til å reflektere hva som er meningen med livet, og hva som virkelig betyr noe for oss. Hvordan er det da mulig å finne mening i det kaoset som mange opplever? Hva er det som skal til for at vi blir så modige at vi tør å gjøre de valgene som er riktige for oss? Hvordan kan vi finne fram til roen og visdommen i oss selv? Hva skal til for at vi viser mer medfølelse og forståelse for andre mennesker? Hvilke type ledere og medarbeidere trenger bedrifter i framtiden? Hva skal til for at vi sammen kan bidra til en bedre verden? Svaret ligger i et paradigmeskifte som inkluderer Spirituell Intelligens (SQ). Det som også defineres som vår ultimate intelligens, vil ikke bare gi livet vårt mening ved at vi kan oppdage de grunnleggende verdiene i livet vårt. Sjansen er stor for at i tillegg vil oppleve mer glede, kjærighet, tilfredsstillelse, fred og ro. Turid Torbergson er daglig leder av TCI-The Coaching Institute (www.coachinginstitute.no), og har mangeårig erfaring fra næringslivet i USA og Norge. Hun har blant annet coachet ledere på internasjonalt nivå og sportutøvere i norgeseliten, og har holdt foredrag for næringslivet, interesseorganisasjoner og høyskoler. Turid Torbergson er kjent gjennom media (TV og aviser) for å bevisstgjøre coachingbegrepet, og har tidligere gitt ut bøkene "Coaching - en kraftfull metode til forandring og vekst", "Coaching og SQ", "Oppdag vinneren i deg selv" og "Glede".

lhasaom: Äventyr på riktigt Axel Odelberg, 2014-10-03 Sven Hedin satt i både Svenska Akademien och Vetenskapsakademien. Han tilldelades så många ordnar, hedersmedaljer och andra

utmärkelser att han hade trillat framlänges om han burit dem alla samtidigt. Universitet över hela Europa dränkte honom i hedersdoktorat. Ingen svensk, vare sig före eller efter honom, har nått samma hjältestatus. Han var Göran Kropp, Jan Guillou och Peter Englund i en och samma person fast tio gånger större. Sven Hedins framgång blev monumental, liksom senare hans fall från piedestalerna. Hans kärlek till Tyskland, hans förvissning om att Ryssland hotade Europa och hans övertygelse om att han var mannen att bibringa svenskarna detta budskap satte de första fläckarna på den skinande vapensköld som blev hans då han adlades som siste svensken någonsin. Hans beundran för Hitler och aldrig sviktande stöd för Tyskland under andra världskriget berövade vapenskölden all glans och fick hjälteglorian att slockna helt. Axel Odelberg, författare till den kritikerrosade biografen om Sven Hedins gode vän Hertig Larson, berättar den rafflande historien om upptäckarhjälten Sven Hedins uppgång och fall: ögonblicket då han som 15-åring beslöt sig för att bli upptäckare, hans livsfarliga reseäventyr i Centralasiens okända öken- och bergstrakter, hur han hyllades som en folkhjälte då han återvände från sina expeditioner, hans sammanträffande med många av den tidens kejsare, kungar, politiska ledare, konstnärer och författare. Och, förstås, hans möten och samtal med den man som han i en dödsruna i Dagens Nyheter den 2 maj 1945 kallade för en av historiens största ledare någonsin, Adolf Hitler. Sven Hedin var mannen som hittade rätt i geografin men gick vilse i politiken.

lhasaom: *De rode kogel* Christa Meindersma, 2023-03-15 Christa Meindersma is zesentwintig als Chinese soldaten haar tijdens een vreedzame betoging in Lhasa beschieten. Met twee kogelgaten in haar lichaam wordt ze naar een ziekenhuis gebracht. Daar wordt het pas echt eng: is de operatie bedoeld om haar leven te redden of wil men haar laten sterven in een hospitaalbed? Ze overleeft. Deze gebeurtenis bepaalt haar verbondenheid met de Tibetanen en de Dalai Lama. In *De rode kogel* vertelt Meindersma over Tibetanen die haar hebben geraakt: een activist, spion, minnaar, politiek gevangene, dichter, de Dalai Lama. Daarmee vertelt ze het verhaal van Tibet: een vergeten conflict op het dak van de wereld. De rode kogel is ook haar persoonlijke zoektocht naar wat het betekent om te overleven en vrij te zijn als anderen worden verdrukt en gedood. Meindersma's boek is vaak intiem, soms absurdistisch en ook ontroerend. 'Vertel de wereld over ons,' smeekten de Tibetanen haar. Met *De rode kogel* lost ze deze belofte in. Met een voorwoord van de Dalai Lama.

lhasaom: Transit Tomas Löfström, 2021-09-03 I *Transit* berättar författaren och journalisten Tomas Löfström om sina resor i såväl Sverige och Europa som runt om i Asien. Om att åka nattbuss till New Dehli och att färdas längs den Transibiriska järnvägen; om inrikesresor med tåg till Eslöv, Österlens vindar och kafékulturen i Lund. Dessa skildringar varvas även med essäer om mytomspunna resenärer såsom Hermann Hesse och Aurora Khan, svensken som gifte sig med en afghan och flyttade till Kabul under 1920-talet. Tomas Löfström (1948-2016) var en svensk författare, kulturjournalist och resenär. Han debuterade år 1971 med romanen *Liftare* men är kanske mest känd för sina reseskildringar.
