 Suzanne L Maurer, Kristin P Snyder, 2024-05-25 BLESSED! From Rape to Redemption to Rewards reveals the tragedies of Suzanne's date rape (in 1960), pregnancy, and forced marriage. Her agony is clear, as is the impact on her family. She also shows the inevitable, but heart-breaking difficulties of the forced marriage, and the resulting divorce. But God! Suzanne explains and shows how God was working in her life, even before she became a believer. Through a "freak" accident and a sister living in Hawaii, God moved Suzanne where she met her husband of now more than 55 years and built a wonderful family. Blessings abounded. And then God! God then redeemed the son conceived by date rape, using basketball as His tool! This is a gripping story all by itself. Suzanne's next encounter with Almighty God's amazing grace was His using her son to lead her to Christ. The son

conceived by date rape was instrumental in her own redemption. Suzanne explains how she grew in the Lord, and shows readers how they themselves can mature spiritually. The Bible and prayer are fundamental keys, as are other disciplines she learned. She shows how. Thrilling stories of the joy and results of sharing and serving the Lord follow. Come see the Lord at work. Now, at 82, Suzanne has ALS (Lou Gehrig's disease). This horrible disease to most would be a tragedy. But Suzanne, an ordinary Christian, is not a normal ALS patient. She shows us all how to joyfully live in illness, and how she has new opportunities to serve the Lord. God turned horrors into blessing. Join her for her journey of living out HOPE (Helping Others Prepare for Eternity).

It turned out there was priceless treasure embedded in the trash--there almost always is.

Sir David Suchet With his trademark straightforward teaching style, Andrew Ollerton guides readers through Romans - one of the most theologically complex books of the Bible - to discover how an understanding of Paul's longest letter unlocks the whole story of Scripture and helps us make sense of life. It's been said that if the New Testament were the Himalayas, Paul's Epistle to the Romans would be Mount Everest. The chapters of this book therefore imagine the contents of the letter as a great mountain landscape - complex, challenging but highly rewarding. Together, we will take on the challenge of ascending to the summit, taking in the view and then descending to put it into practice on the other side. bible in one year 2023 with nicky gumbel: Una Sancta Cormac Brian O'Duffy, 2025-03-21
The unity of the Christian church in the world has been broken many times, with major schisms between East and West in the Great Schism of 1054 and the Western schism between Catholics and Lutherans which resulted in 1530. The Western schism at the Reformation occurred at the Augsburg Diet in 1530, when Catholic theologians and leaders of the German Reformation movement failed to agree on the wording of the articles of the Augsburg Confession. This document, regarded by many Catholic and Lutheran theologians today as not being church-dividing or heretical, is being reconsidered by theologians of both churches to see if substantial agreement can be made on its articles before its five hundredth anniversary in 2030. This book charts the course of the confession from its creation in 1530 until the present day and lays out a hope for a substantial healing of the Western schism by its five hundredth anniversary.
