**john paul jackson website:** Field Guide to the Wild World of Religion Pamela Dewey, 2013-02 The American religious scene in 1955 was a very tame and predictable world. It matched the tame, predictable world of women's clothing, where most women going out shopping wore a dress with coordinating gloves, hat, and shoes. And it matched the tame, predictable world of children's toys, where almost every young girl yearned for a baby doll that said Ma-Ma, and almost every boy needed a coonskin cap. Choices of fashions, toys, preachers, and churches were limited and domesticated. Fifty years later, the tame, predictable world of 1950s fashions and toys is long gone. Women go shopping in everything from sweatshirts and jeans to tube tops and short shorts. And both boys and girls want the latest Sponge Bob Square Pants video game. The same kind of transformation has gone on in the world of religion. It is no longer tame and predictable either. Welcome to the Wild World of Religion of the 21st Century. **john paul jackson website:** John Paul Stevens Christopher E. Smith, 2015-10-22 This book examines the judicial opinions and criminal justice policy impact of Justice John Paul Stevens, the U.S. Supreme Court's most prolific opinion author during his 35-year career on the nation's highest court. Although Justice Stevens, a Republican appointee of President Gerald Ford, had a professional

reputation as a corporate antitrust law attorney, he immediately asserted himself as the Court's foremost advocate of prisoners' rights and Miranda rights when he arrived at the Court in 1975. In examining Justice Stevens's opinions on these topics as well as others, including capital punishment and right to counsel, the chapters of the book connect his prior experiences with the development of his views on rights in criminal justice. In particular, the book examines his relevant experiences as a law clerk to Justice Wiley Rutledge in the Supreme Court's 1947 term, a volunteer attorney handling criminal cases in Illinois, and a judge on the U.S. court of appeals to explore how these experiences shaped his understanding of the importance of rights in criminal justice. For many issues, such as those affecting imprisoned offenders, Justice Stevens was a strong defender of rights throughout his career. For other issues, such as capital punishment, there is evidence that he became increasingly protective of rights over the course of his Supreme Court career. The book also examines how Justice Stevens became increasingly important as a leading dissenter against the diminution of rights in criminal justice as the Supreme Court's composition became increasingly conservative in the 1980s and thereafter. Because of the nature and complexity of Justice Stevens's numerous and varied opinions over the course of his lengthy career, scholars find it difficult to characterize his judicial philosophy and impact with simple labels. Yet in the realm of criminal justice, close examination of his work reveals that he earned a reputation and an enduring legacy as an exceptionally important defender of constitutional rights.

**john paul jackson website: Post-Charismatic** Robby McAlpine, 2023-08-14 "Our weekly Charismatics Anonymous meeting is about to begin. Join me, will you?" It's like we're caught between a rock and a hard place. We're "continuationists." We believe all the gifts of the Holy Spirit are alive and well and essential for today. But we've also been burned by unbiblical teachings, spiritual abuse, and the gaslighting subculture of pneuma-fomo (fear of missing out on the next great move of the Spirit). We yearn for the Spirit's presence and power in our lives. We don't want to "throw the baby out with the bathwater," but the water's teeming with spiteful pathogens. It's time to roll up our sleeves and take responsibility for disinfecting the tub. Toxic beliefs have produced spiritual casualties among Pentecostals and charismatics for far too long. Our Kairos moment has arrived. Let's hone the charismata of discernment.

**john paul jackson website: Leaving Home--Finding Home** Jessie C. Mejias, 2010-02-26 Leaving Home—Finding Home: My Journey from Shame to Sonship through Journaling is the first book of its kind, showing how God Himself brought inner healing by speaking into one woman's life. In it, author Jessie Mejias shares how God counsels and heals her through journaling. The central theme of Leaving Home—Finding Home is healing through intimacy with God—an intimacy that develops as she writes out her conversations with Him. The author devotes several chapters to her background and childhood, but the heart of the book is Jessie's actual journal. About her decision to share her journal verbatim, she says: When the Lord first instructed me to write this book, my natural instinct was to transform the ramblings of my mind and heart into a nice, neat package that

the reader could easily follow. However, as I prayed about His instructions, I felt very strongly that He wanted me to demonstrate how I received my healing through journaling itself. Jessie Mejias grew up in what she would have described as an “Ozzie and Harriet” kind of home—loving parents, close siblings, good schools, and a religion that dictated solid values. What she did not know was that beneath the surface lay a shaky foundation of dysfunctional family rules and generational patterns. As a young adult, Jessie watched her neat world crumble when two of her siblings succumbed to mental illness while the family stood by helplessly. Subsequently, her family scattered and she unwittingly married an abusive, alcoholic man. Her disastrous marriage precipitated her decision to give her life to Christ. But despite her newfound faith, at age 27 she found herself a single mother of two young sons. In the ensuing years, Jessie sought and found healing and growth through studying the Bible and receiving Christian counseling. Miraculously, she and her husband were remarried after seven years of separation and divorce. She became involved in teaching and leading Bible studies within her local church and was confident that she was already experiencing the abundant life that God promised to His children. However, when she decided to return to school to earn a degree in Christian counseling, God began to show her that she was still suffering from the traumas of her childhood, and that shame was an integral part of her life that He wanted to remove. This revelation launched her into an unprecedented time of accelerated healing that was to be the inspiration for this book. *Leaving Home—Finding Home* chronicles that journey from shame to sonship through one-on-one dialogue with God. Shame is a universal problem that is sometimes hard to pinpoint. We describe ourselves as embarrassed, shy, fearful, or hesitant, but we never actually understand that the source of these emotions is shame. Shame is a terrible feeling that we are a mistake; that somehow we were never supposed to exist. The author found that this feeling of shame was so deeply hidden in her heart that it was not until God began to unwrap her from her emotional chains that she could see that this was the true source of her poor self image. Jessie vividly describes her feelings of shame: It was as if all my life I had been living in a slum that I would leave from time to time to go the nice clean neighborhood down the block—at first for short times, then for longer and longer periods of time—but inevitably I would end up at some point back in this dump. The sight of it would make me sick, but I did not know how to leave it completely behind. God Himself initiated this unique approach to inner healing as He took Jessie back to her childhood home and school and walked with her through each traumatic event of her young life, reaching deep into her heart to show her what was hidden there.

**john paul jackson website: *Livin' Large in Babylon*** CM Taylor, 2016-06-20 This book is not a theological treatise. Rather, it's a practical look at lessons to be learned from Daniel and his friends during their time in Babylon in order to draw wisdom for living life today in the culture in which we find ourselves. God was clear in His message to His people: ya goin' to Babylon. There's no way out of this. Chill out, build homes, get married, have babies, do business.
