minerva delta sigma theta: *The True Alpha and Omega* Minister Jerrod Smith, Brother Clifton Lucas, 2011-06-20 This book exposes the true nature and culture of fraternities and sororities. In these secret societies there are activities and requirements that cause prospective members and members alike to unknowingly enter into ungodly pacts and covenants. These ungodly practices lead to activities which include physical abuse, fornication, adultery, hatred, envy, strife, manipulation, social and intellectual elitism, abominable sexual activities and witchcraft. These organizations attract people that are looking for something that only Christ Jesus can provide. However, the organizations appear as a light by their community service and networking abilities. This light however is a false light. Once one gets into the inner workings of the organizations, the sin and soul inflicting antics are found deeply rooted in darkness. The authors, being former members that participated in ungodly activities within these organizations, expose the physical, mental, sexual and spiritual death-dealing activities found in fraternities and sororities. This is by no means a kiss and tell composition, but it is a trying to save people from hell exposition. Actual accounts of sexual requirements, abuse, ancient ungodly spiritual practices, witchcraft, and required chants which denounce the existence of the One True God are given in detail in this book. Ungodly spirits of old have found new vessels to operate in through these fraternities and sororities. The good thing about this book is that it not only exposes spiritual wickedness and old ungodly practices, but it shows people who want to be free how to find God, the Ancient of Days. Let the Truth be told. We encourage you to read this book if you are joining a fraternity or sorority, are a member of one, are a pastor, or have a loved one in one of these organizations. We desire for all to be free and blessed by this book.

minerva delta sigma theta: *Soul Ties* Renee Allen McCoy, 2011-09-06 Let God Cut the Cords of Strongholds from Your Past Are you struggling with past abuse? Do you feel trapped in a cycle of failed relationships? Are you experiencing nightmares and don't seem to understand why? Ever wondered if Christians should join a sorority, fraternity, or become a Mason? Through the exploration of Scripture and exposure of sin, this book inclusive of personal testimonies is designed to help you: Discover ways to avoid Satan's plot to steal, kill, and destroy. Identify root causes of depression and suicidal thoughts. Recognize emergency exits God affords to His children. Learn how to follow God's command to keep away from idols. Embrace a future that is filled with hope powered by faith and love. Read the stirring testimonies from dedicated Christians; Christians who openly share the Light of God with the world not some generic god who is powerless in the face of the One true and living God. Find out ways to help you develop a closer relationship with Jesus Christ, and how to release past hurts that may stem from rape, molestation, and domestic abuse. To further assist you in becoming a healthier and more spiritually minded person, at the end of each chapter (beginning with Chapter 2), is a self-examination question in addition to practical applications to help you discover areas in your life that may need repair. Many live a life tangled with past hurts that are choking them to death. Jesus came so that we may have life and have it more abundantly. God loves us. Experience deliverance from damaging soul ties--deliverance that can only come through Him.

In the long tradition of African American benevolent and secret societies, intercollegiate African American fraternities and sororities have strong traditions of fostering brotherhood and sisterhood among their members, exerting considerable influence in the African American community and being in the forefront of civic action, community service, and philanthropy. Dr. Martin Luther King, Jr., Toni Morrison, Arthur Ashe, and Sarah Vaughn are just a few of the trailblazing members of these organizations. *African American Fraternities and Sororities* places the history of these organizations in context, linking them to other movements and organizations that predated them and tying their history to the Civil Rights movement. minerva delta sigma theta: Greek Letter Exposed Rayford L. Johnson, 2024-04-10 Ever wondered why secret societies are secret? Why is it that an overwhelming majority of elite leaders in America, including those who've occupied the highest office, have belonged to an organization in the vast network of secret societies, whose rituals and teachings derived from the ancient mystery schools of Egypt and Babylon? Why is death the penalty for breaking a secret society oath? Why do they pay homage to pagan gods and goddesses? Why do many self-proclaimed Christians belong to these secret societies, when their practices blatantly violate God's Commandments, such as Exodus 20:3, which states, "Thou shalt have no other gods before me? And why don't their pastors say anything about it? Is there a secret motive behind the positive PR that many of these secret organizations receive for their good deeds such as feeding programs, scholarships, volunteering, youth mentoring, etc. that even the lower ranking members of these societies don't know about? Could today's network of these secret societies be the architects and workers of the antichrist' New World Order aka "Illuminati, as prophesied in the Holy Bible? These questions and more will be answered by author and Evangelist Rayford L. Johnson, who has spent more than 20 years researching, writing and teaching on the occult. Johnson has counseled and ministered demon deliverance prayers on many former members of the occult. Many of them have testified that they have been set free by the power of Jesus Christ from the spiritual torment and generational curses that the pagan rituals and oaths have unknowingly brought upon them and even their family through the "spiritual legalities" of breaking God's commandments.
