**the good shepherd coloring page: *The Shepherd and His Sheep*** Julia E. Bland, 2001 One of the most striking representations of Jesus in the scriptures is that of a shepherd. Based on John 10's statement that He is the Good Shepherd, this series of eight lessons teaches youngsters of Jesus' unfailing love and care (even to the point of death on the cross). Like all of her previous collections, each children's message is accompanied by a two-sided activity page -- one side that's a coloring page for younger children, and the other with numerous puzzles and activities to reinforce the lesson's theme for older children. Bland has a well-earned reputation for biblical faithfulness, creativity, and practicality. Busy pastors and teachers have found her ready-to-use materials just what they need for their children's time -- we know you'll love her latest release! *The Shepherd And His Sheep* is insightful, simple, and creative. But most important is the depth of spirituality that is presented which will engage the mind and heart of a child. Although specifically designed with children in mind, Bland's messages recover the significance of Jesus' statement that unless we come to him as a child, we will miss the kingdom of God. This collection of sermons and activities will call the child in each one of us to be in the presence of the Good Shepherd. Steven M. Marsh Dean of Chapel and Spiritual Formation Assistant Professor of Religion and Philosophy Sterling College During nearly 50 years as a pastor's wife, Julia Bland has taught church groups of all ages from children through senior adults. She has been active in United Methodist Women and served as district chairperson of Global Concerns as well as Publicity and Public Relations. Bland's award-winning oil, watercolor, and pen and ink artwork has appeared in private and public collections.

My life starts out with a bang--in fact an explosion--as a baby! On my fourteenth birthday, an announcement came over the loudspeaker at school: Sharol Curfman, please come to the principal's office immediately. I was thinking it's a birthday gift or something of that order. To my surprise, all

my brothers and sisters were there too. The tragedy of that day--being told we all had to go say our goodbyes to Daddy at the hospital--changed our lives forever. Losing track of each other and tearing us apart was just the beginning of a new life. My siblings had filled in some of the gaps in my book that I didn't realize were missing until they shared their stories with me. I will share two more brushes with death along with a life filled with faith, hope, and love. I have also included stories from our family's past that have been in the public eye.
