celebrate recovery app: *Don't Look Away* Don Brewster, 2024-01-30 The extent and depth of evil confronting us on a daily basis can be overwhelming, so overwhelming we can be tempted to look away from it. After all, with evil lurking around every corner, what difference can a single person make? In fighting the evil of child sex trafficking in Cambodia, and focusing on one life at a time, God has taken Don and Bridget Brewster's seemingly insignificant and unqualified efforts to transform a community known for trafficking all its girls, to one that loves and protects all children. As the Brewsters took the lonely first steps of faith, God brought along others to serve with them. Through the telling of their story, the hope is that you will be challenged and inspired not to look away, but to say yes to fighting evils that surround us. In addition, you will find principles from their successes and warnings from their failures that can be used to fight evil anywhere.

celebrate recovery app: Beyond Our Control Michael McAfee, Lauren Green McAfee, 2023-11-07 Realizing how little control we have over our lives can make us fearful and anxious--or it can lead to greater intimacy with God, a richer prayer life, and a joyful eternal perspective. Seasons of grief, pain, and loss of control are inevitable. Despite our best efforts and steadfast faith, reality rarely matches our expectations. In an unpredictable and broken world, how do we cling to a foundation that provides purpose for today and hope for the future? In their new book, *Beyond Our Control*, Michael and Lauren McAfee show us how trusting God brings greater contentment than the illusion of control. With deep and abiding faith, the McAfees draw on their experiences with adoption, infertility, illness, and loss to help readers navigate unexpected circumstances. Offering biblical insights and their powerful story of pain and providence, Michael and Lauren know that no matter what happens--to their family, work, or ministry--everything is as it should be because God is in control, and he is good. The McAfees help us: recognize the illusion of control and how it leads to greater anxiety; understand why glorifying God is the richest expectation we can have for our lives; realize that Jesus' pain on the cross brings hope and healing to the pain we experience now; practice the profoundly comforting spiritual discipline of lament, which makes room for us to process grief; and use times of loss to make more room for God's work of growing and sanctifying us. If you struggle to embrace the life you have rather than the life you wanted, this book invites you to find a deeper peace in God than you could have imagined.
