characters in a michael crichton book crossword: Television Fright Films of the 1970s David Deal, 2015-01-27 If the made-for-television movie has long been regarded as a poor stepchild of the film industry, then telefilm horror has been the most uncelebrated offspring of all. Considered unworthy of critical attention, scary movies made for television have received little notice over the years. Yet millions of fans grew up watching them--especially during the 1970s--and remember them fondly. This exhaustive survey addresses the lack of critical attention by evaluating such films on their own merits. Covering nearly 150 made-for-TV fright movies from the 1970s, the book includes credits, a plot synopsis, and critical commentary for each. From the well-remembered Don't Be Afraid of the Dark to the better-forgotten Look What's Happened to Rosemary's Baby, it's a trustworthy and entertaining guide to the golden age of the televised horror movie.

Big deal. You should try the lunches they serve out of Newark. Compared with the chicken napalm I ate on my last flight, the men in Con Air are about as dangerous as balloons.” Anthony Lane on The Bridges of Madison County— “I got my copy at the airport, behind a guy who was buying Playboy’s Book of Lingerie, and I think he had the better deal. He certainly looked happy with his purchase, whereas I had to ask for a paper bag.” Anthony Lane on Martha Stewart— “Super-skilled, free of fear, the last word in human efficiency, Martha Stewart is the woman who convinced a million Americans that they have the time, the means, the right, and—damn it—the duty to pipe a little squirt of soft cheese into the middle of a snow pea, and to continue piping until there are ‘fifty to sixty’ stuffed peas raring to go.” For ten years, Anthony Lane has delighted New Yorker readers with his film reviews, book reviews, and profiles that range from Buster Keaton to Vladimir Nabokov to Ernest Shackleton. *Nobody’s Perfect* is an unforgettable collection of Lane’s trademark wit, satire, and insight that will satisfy both the long addicted and the not so familiar.

characters in a michael crichton book crossword: *Putting Dell on the Map* William H. Lyles, 1983-12-28 Dell paperbacks accounted for nearly 20 percent of the paperbacks published between 1942 and 1962--a popular cultural phenomenon worthy of historical recognition. *Putting Dell on the Map* is an objective appraisal, rather than a court history of this major mass-market publisher. Early Dell books emphasized genre fiction--mysteries, romances, and westerns. Later the company published an important line of First Editions, which included the writings of authors such as Kurt Vonnegut, Jr., John D. MacDonald, Richard Jessup, and Robert Penn Warren. Dell also expanded its reprint efforts with Laurel Editions which emphasized quality reprints. In addition to their widespread popularity, Dell paperbacks are notable for their aesthetics. Dell's cover artwork alone spans a wide range of commercial art style from color airbrush front covers and distinctive back cover maps, to pulp and then neo-realist illustrations.
