Lottery Calendar Fundraiser: A Comprehensive Guide to Boosting Your Cause

A lottery calendar fundraiser is an innovative and engaging way for organizations, schools, clubs, and charitable groups to raise funds while offering participants a fun and potentially rewarding experience. Combining the appeal of a lottery with the widespread popularity of calendars, this fundraising method leverages daily draws or prizes to incentivize participation. This article explores everything you need to know about lottery calendar fundraisers, from their benefits and setup to tips for success and legal considerations.

What Is a Lottery Calendar Fundraiser?

A lottery calendar fundraiser is a fundraising strategy that involves selling calendars featuring daily or weekly chances to win prizes. Participants purchase these calendars, which typically display a month or year-long schedule, and are entered into daily or weekly drawings based on numbers or specific dates. The proceeds from sales support the organizing cause, and winners are rewarded with prizes—often donated to maximize fundraising revenue.

How It Works

- **Calendar Design:** The calendar acts as a lottery ticket, with each day or week representing a chance to win.
- **Sales:** Participants buy calendars, often at a fixed price, contributing directly to the fundraiser.
- **Draws:** Each day or week, a winning number or date is drawn, and the corresponding participant wins a prize.
- **Prizes:** Can include cash, gift cards, donated goods, or services.
- **Outcome:** The organization raises funds while engaging community members through an interactive and fun activity.

lottery calendar fundraiser: Tithing: Nailed to the Cross A. Bruce Wells, 2011-05-17
TITHING NAILED TO THE CROSS is a book that cuts through all the opinions, traditions, superstitions, imagined benefits, and false doctrines, to clearly and doctrinally explain the absence of tithing in the New Testament. Bruce plainly teaches why tithing is not required after the Resurrection (the beginning of the New Testament); how tithing can interfere with sonship, faith, and even salvation; and how tithing can expose you to the curse of the Law causing health, financial,

marital, and many other problems. Wouldn't it be wonderful to actually have your prayers easily answered because of Jesus' finished work and the Name He gave us to use? Wouldn't you like to know that God is going to say yes to His promises without you having to wonder if all your church ducks are in a row? And wouldn't it be nice to have a royal ring put on your finger, a kingly robe placed on your back, and a big hug of approval without having to sleep in the bunk house as a servant until it's decided that you can be trusted? We may call it an act of faith, obedience, doing the Word, good stewardship, or whatever we want; but at the end of the day, it is nothing more than an obsolete, Old Testament ordinance that will only frustrate the grace of God, as Paul taught in Galatians. As circumcision became nothing under the New Covenant, likewise, tithing is no longer obligatory. So, will you choose to develop a shaky faith based on the works of an Old Testament law that never should have been carried over to the New Testament? Or, will you choose to develop a resolute faith that is based on Jesus' immutable work at the cross which included the removal of Malachi's ordinances (tithing)? Will you go with the crowd, or the truth?
