

neighbors jan gross pdf

neighbors jan gross pdf is a popular search term among readers interested in the powerful memoir by Jan Gross, which delves into the harrowing events of the Jedwabne massacre during World War II. This article provides comprehensive information about the book, its significance, where to find the *neighbors jan gross pdf* file, and how to access it legally and safely. Whether you are a student, researcher, or history enthusiast, understanding the context and content of this work is essential for a complete grasp of the Holocaust's impact on Polish history.

Introduction to *Neighbors* by Jan Gross

About the Book

Neighbors (originally titled "Sąsiedzi" in Polish) is a groundbreaking non-fiction book by Jan Gross, published in 2000. It investigates the 1941 massacre of Jewish residents of Jedwabne, a small Polish town, by their Polish neighbors during Nazi occupation. Gross's meticulous research and compelling narrative challenged the prevailing narratives about Polish complicity in the Holocaust, sparking widespread debate both in Poland and internationally.

Why is *Neighbors* Significant?

This book is significant because it confronts difficult truths about Polish history, emphasizing the role local populations played during the Holocaust. It offers a detailed account based on interviews, archival research, and eyewitness testimonies. Gross's work has been praised for its courage and scholarly rigor, fostering conversations about guilt, responsibility, and historical memory.

Understanding the *neighbors jan gross pdf* Search Term

What Does the Search Term Mean?

People searching for *neighbors jan gross pdf* are typically looking for a downloadable digital version of the book in PDF format. This might include:

- Free or paid PDF copies of *Neighbors*
- Summaries or excerpts in PDF format

- Study guides or critical analyses related to the book

Legal and Ethical Considerations

It is crucial to access copyrighted material through legitimate channels. Downloading a PDF from unauthorized sources can infringe on copyrights and may pose security risks. Always prefer official publishers, authorized bookstores, or academic repositories when seeking digital copies.

Where to Find the *Neighbors Jan Gross PDF*

Official Sources and Publishers

The most reliable way to obtain a *neighbors jan gross pdf* is through official publishers and authorized platforms:

- **Publisher's Website:** Checking the publisher's official site for digital editions.
- **Online Bookstores:** Platforms like Amazon, Google Books, and Apple Books offer e-books in PDF or compatible formats.
- **Academic Libraries:** University or public libraries often have digital copies accessible through their online portals.

Educational and Research Platforms

Many academic platforms provide access to scholarly works related to *Neighbors*. Examples include:

- **JSTOR**
- **Project MUSE**
- **Google Scholar**

Note: Access might require institutional login or subscriptions.

Public Domain and Open Access Alternatives

Since *Neighbors* was published in 2000, it is still under copyright protection. However, some summaries, analyses, or related materials might be available in the public domain or via open access repositories. Always verify the legitimacy of such sources.

How to Access *Neighbors* Safely and Legally

Steps to Obtain a Legal PDF of *Neighbors*

1. Identify trusted platforms such as authorized online bookstores or university libraries.
2. Purchase or borrow the e-book version through these channels.
3. Download the PDF file directly from the platform, ensuring it is a legitimate copy.
4. Use dedicated e-reader apps or PDF viewers to access and read the file comfortably.

Alternatives to PDF Downloads

If a PDF is not available or you prefer physical copies, consider:

- Buying the hardcover or paperback edition from bookstores or online retailers.
- Visiting local libraries for physical borrowing.
- Listening to audiobook versions available on platforms like Audible.

Understanding the Content and Themes of *Neighbors*

Summary of the Book

Neighbors recounts the tragic events of the Jedwabne pogrom, where, in July 1941, Polish neighbors murdered their Jewish neighbors. Gross presents testimonies and archival data that reveal the extent of local involvement, challenging the myth of Polish victimhood exclusively during the Holocaust.

Main Themes Explored

- **Historical Responsibility:** Examining the complicity and participation of local populations.
- **Memory and Denial:** The struggle to confront uncomfortable truths about national history.
- **Guilt and Reconciliation:** The moral questions surrounding collective responsibility.
- **The Role of Power and Prejudice:** How social dynamics fueled violence and betrayal.

Impact of the Book

The publication of *Neighbors* had a profound impact on Polish society and Holocaust studies. It prompted official acknowledgments, investigations, and public debates about history and memory. The book also inspired further research and discussions about similar events in other regions.

Further Reading and Resources

Related Books and Articles

If you are interested in exploring more about the Holocaust, Polish history, or collective memory, consider these titles:

- *Fear: Anti-Semitism in Poland After Auschwitz* by Jan T. Gross
- *Postwar: A History of Europe Since 1945* by Tony Judt
- Research articles on Holocaust memory and Polish-Jewish relations in academic journals

Documentaries and Media

Visual media can provide additional context:

- Documentaries on Holocaust history and Polish-Jewish relations

- Interviews with Jan Gross discussing *Neighbors*
- Historical footage related to Jedwabne and the Holocaust

Conclusion

Accessing the *neighbors jan gross pdf* file allows readers to engage deeply with a pivotal historical account that challenges simplistic narratives and encourages honest reflection on the complexities of history. Remember to always seek legitimate sources to respect intellectual property rights and ensure the quality and security of your digital reading experience. Whether for academic purposes, personal interest, or educational projects, exploring Jan Gross's *Neighbors* offers valuable insights into the dark chapters of human history and the ongoing quest for truth and reconciliation.

Frequently Asked Questions

What is the significance of the 'Neighbors' by Jan Gross in historical literature?

'Neighbors' by Jan Gross is significant because it provides a detailed and harrowing account of the Jedwabne pogrom during World War II, challenging previous narratives and prompting widespread historical and moral debates.

Where can I find the PDF version of 'Neighbors' by Jan Gross?

The PDF version of 'Neighbors' by Jan Gross can be found on various academic and book-sharing platforms, but it's recommended to access it through legitimate sources such as university libraries or authorized publishers to respect copyright.

Is the 'Neighbors' PDF by Jan Gross freely available online?

Certain PDFs of 'Neighbors' may be available for free online through academic repositories or open-access platforms, but many are copyrighted. Always verify the legality before downloading.

What are the main themes covered in Jan Gross's 'Neighbors'?

The book explores themes of collective memory, guilt, complicity, and the brutal realities of anti-Jewish violence during the Holocaust, focusing on the Jedwabne massacre.

How has Jan Gross's 'Neighbors' impacted historical discourse on Polish-Jewish relations?

'Neighbors' has significantly influenced historical discourse by revealing uncomfortable truths about Polish involvement in wartime atrocities, leading to national debates and reconciliation efforts.

Can I cite the PDF of 'Neighbors' by Jan Gross in my research?

Yes, you can cite the PDF version in your research, but ensure you reference the original publication details and use a credible source to access the document.

Are there summarized versions or analyses of 'Neighbors' available in PDF format?

Yes, many educational platforms and academic websites offer summarized analyses of 'Neighbors' in PDF format for study purposes.

What controversy surrounds Jan Gross's 'Neighbors'?

The book has sparked controversy due to its portrayal of Polish complicity in the Holocaust, leading to national debates, accusations of historical revisionism, and discussions on collective responsibility.

How can I legally obtain the PDF of 'Neighbors' by Jan Gross?

You can legally obtain the PDF by purchasing it through authorized booksellers, accessing it via university or public library digital resources, or downloading from official academic repositories.

What should I know before reading the PDF version of 'Neighbors' by Jan Gross?

Be prepared for a detailed, sometimes disturbing account of wartime violence, and approach the material with sensitivity to the historical and moral complexities it presents.

Additional Resources

Neighbors Jan Gross PDF: An In-Depth Exploration of a Landmark Historical Document

In the realm of Holocaust studies and Jewish history, Jan Gross's work remains a towering figure. Among his most influential contributions is the book *Neighbors*, which investigates

a harrowing episode of ethnic violence in Nazi-occupied Poland. For researchers, students, and history enthusiasts alike, the availability of *Neighbors* in PDF format has become a crucial resource. This article provides an in-depth analysis of the *Neighbors* PDF—its significance, content, accessibility, and how to approach it as a scholarly or casual reader.

Understanding Jan Gross and the Significance of *Neighbors*

Who is Jan Gross?

Jan Gross is a renowned Polish-American historian and professor, celebrated for his meticulous research into Polish-Jewish history during World War II. His works often challenge national narratives, emphasizing factual accuracy and critical analysis. Gross's scholarship has sparked both commendation and controversy, making him a pivotal figure in discussions about collective memory and historical accountability.

The Context of *Neighbors*

Published in 2001, *Neighbors* examines the 1941 Jedwabne pogrom—an atrocity in a small Polish town where Jewish residents were murdered by their Polish neighbors. Gross's investigation revealed that the massacre was not solely carried out by Nazi forces but involved local collaborators, challenging the narrative that Polish villagers were passive victims of Nazi brutality.

Understanding the importance of *Neighbors* requires grasping its impact:

- **Historical Reassessment:** It forced Poland and the international community to confront uncomfortable truths about complicity and violence.
- **Scholarly Debate:** The book ignited discussions on the scope of Polish participation in wartime atrocities.
- **Memory Politics:** It influenced national debates on historical responsibility, reconciliation, and collective memory.

The Content and Structure of the *Neighbors* PDF

Overview of the Book's Chapters

The Neighbors PDF typically contains the complete text of Gross's work, which is structured to guide the reader through a detailed investigation:

1. Introduction: Outlines the initial question about the Jedwabne massacre and Gross's motivation.
2. Historical Background: Provides context about Jewish life in Jedwabne, Polish-Jewish relations, and the events leading up to 1941.
3. The Pogrom: A detailed account of the massacre itself, with testimonies, eyewitness accounts, and Nazi involvement.
4. Post-War Silence and Denial: Discusses how the event was suppressed or ignored in Polish memory.
5. Research Methodology: Explains Gross's archival research, interviews, and investigative approach.
6. Analysis and Interpretation: Offers an analysis of motives, societal factors, and the implications for Polish history.
7. Conclusion: Reflects on the lessons learned and the importance of confronting historical truths.

Key Themes Explored in the PDF

- Local Collaboration: The role of Polish villagers in the pogrom.
- Nazi Occupation Policies: How Nazi policies influenced local violence.
- Collective Guilt and Responsibility: The moral questions surrounding the events.
- Memory and Denial: The struggle to remember and confront the past.
- Historical Methodology: The importance of rigorous research and eyewitness testimony.

Accessing the Neighbors PDF: Legality, Reliability, and Tips

Legal Considerations and Ethical Use

When seeking the Neighbors PDF, it's essential to prioritize legality and ethics:

- Official and Authorized Sources: Purchase or access through legitimate platforms such as academic databases, digital libraries, or authorized publishers.
- Public Domain and Permissions: Neighbors is still under copyright; therefore, free, unauthorized PDFs are illegal and unethical.
- Institutional Access: Universities and libraries often provide access to the PDF via subscriptions or interlibrary loans.

- Open Access Versions: Occasionally, authors or publishers may release authorized excerpts or summaries; always verify the source.

Using the book responsibly ensures respect for intellectual property rights and supports ongoing scholarly work.

Where to Find the Neighbors PDF

- Academic Databases: Platforms like JSTOR, ProQuest, or EBSCOhost often host scholarly works, including Neighbors.
- Online Retailers: Amazon Kindle, Google Books, and other digital retailers offer legitimate PDF or e-book versions.
- Public and University Libraries: Many institutions provide free access to digital copies via their portals.
- Author and Publisher Websites: Sometimes, authors or publishers share excerpts or links to authorized PDFs.

Evaluating PDF Quality and Reliability

When downloading or viewing the Neighbors PDF, consider:

- Source Credibility: Ensure it's from a reputable platform.
- Document Completeness: Confirm it's an official, complete version.
- Scan Quality: For scanned PDFs, clarity is vital for readability.
- Searchability: An OCR (Optical Character Recognition) PDF allows text searches, enhancing research efficiency.

Maximizing Your Reading Experience of the Neighbors PDF

Preparation Before Reading

- Background Knowledge: Familiarize yourself with Polish history, Holocaust studies, and WWII context.
- Set Objectives: Decide whether you're reading for a general understanding, research, or academic purposes.
- Create a Note-Taking System: Annotate PDFs or keep notes to track key points and questions.

Approaching the Material Critically

- Cross-reference claims with other sources.
- Pay attention to testimonies and their context.
- Reflect on the moral and societal implications.
- Consider the historiographical debates surrounding the event.

Supplementary Resources

- Interviews with Jan Gross.
- Academic reviews and critiques of *Neighbors*.
- Documentaries on Jedwabne and Polish-Jewish history.
- Related scholarly works, such as *Fear: Anti-Semitism in Poland After Auschwitz*.

Impact and Legacy of the *Neighbors* PDF

Educational and Scholarly Significance

The availability of *Neighbors* in PDF format has democratized access to a crucial historical document. It has allowed:

- Students to engage with primary and secondary sources conveniently.
- Researchers to conduct detailed analyses rapidly.
- Educators to incorporate the material into curricula.

Controversies and Discussions

The book's revelations sparked debates within Poland and internationally about:

- The extent of Polish complicity.
- The politics of memory and reconciliation.
- The responsibility of scholars to uncover uncomfortable truths.

The PDF version, often cited in academic papers and discussions, has played a role in shaping these debates.

Continued Relevance

As new generations seek to understand the Holocaust and Polish history, the Neighbors PDF remains an essential resource. Its availability supports ongoing education, remembrance, and the pursuit of historical truth.

Conclusion: The Value of the Neighbors PDF

The Neighbors PDF encapsulates a pivotal moment in Holocaust historiography. It offers a comprehensive, well-researched account of the Jedwabne pogrom, challenging myths and prompting reflection on collective responsibility. Whether accessed for academic research, personal enlightenment, or teaching, the PDF version ensures that this significant work remains accessible and impactful.

In navigating its use, readers should prioritize legal and ethical sources, approach the material critically, and consider the broader historical and moral questions it raises. As a cornerstone of modern Holocaust studies, the Neighbors PDF continues to educate and provoke thoughtful discussion about confronting the past honestly.

Disclaimer: Always obtain PDFs through legitimate sources to respect copyright laws and intellectual property rights.

neighbors jan gross pdf: Borderland Dorota Sieron-Galusek, Lukasz Galusek, 2020-03
Borderland: On Reviving Culture is a most timely book that tells the story of a project for our times. It is the story of the Borderland organization, which consists of two dovetailing initiatives, an international NGO, the Borderland Foundation, and the more locally and nationally focused Borderland Centre of Arts, Culture and Nations. Borderland is based in the far northeastern corner of Poland close to the borders of Russia, Lithuania and Belarus, where it has devised an array of programs and initiatives designed to promote harmonious cultural plurality in a region of inter-ethnic and religious tensions that date back centuries. Ian Watson, Director of the Theatre Program, Director of the Urban Civic Initiative, Department of Arts, Culture and Media, Rutgers University-Newark

neighbors jan gross pdf: The Perversion of Holocaust Memory Judith M. Hughes, 2022-02-24
In the early years of the 21st century it appeared that the memory of the Holocaust was secure in Western Europe; that, in order to gain entry into the European Union, the countries of Eastern Europe would have to acknowledge their compatriots' complicity in genocide. Fifteen years later, the landscape looks starkly different. Shedding fresh light on these developments, *The Perversion of Holocaust Memory* explores the politicization and distortion of Holocaust remembrance since 1989. This innovative book opens with an analysis of events across Europe which buttressed confidence in the stability of Holocaust memory and brought home the full extent of nations' participation in the Final Solution. And yet, as Judith M. Hughes reveals in later chapters, mainstream accountability began to crumble as the 21st century progressed: German and Jewish

suffering was equated; anti-Semitic rhetoric re-entered contemporary discourse; populist leaders side-stepped inconvenient facts; and, more recently with the revival of ethno-nationalism, Holocaust remembrance has been caught in the backlash of the European refugee crisis. The four countries analyzed here – France, Germany, Hungary, and Poland – could all claim to be victims of Nazi Germany, the Allies or the Communist Soviet Union but they were also all perpetrators. Ultimately, it is this complex legacy which Hughes adroitly untangles in her sophisticated study of Holocaust memory in modern Europe.

neighbors jan gross pdf: Holocaust Monuments and Memorials in Central Europe Eva Janáčková, 2025-10-20 Holocaust monuments in Central Europe, especially in today's Czech Republic, Poland, Hungary, and Germany, have received surprisingly little academic attention. Yet these sites of memory offer deep insight into the individual, collective and cultural memory of the tragedy of the Holocaust. The first Holocaust monuments were created shortly after the end of the Second World War. At first, they were monuments and memorials commemorating Jewish victims, but later, stone reminders of the Roma victims of the Holocaust were added. After the fall of the Iron Curtain, a second wave of Holocaust monuments and memorials took place in Central Europe, continuing to this day. The aim of this publication is to present both the historical and artistic circumstances of the creation of these Holocaust monuments and memorials, as well as their subsequent reception. In a broader social and cultural context, the emphasis is placed on the formation of Jewish and Roma identity in Central Europe.

neighbors jan gross pdf: The Resistible Rise of Antisemitism Laura Engelstein, 2020-03-05 Antisemitism emerged toward the end of the nineteenth century as a powerful political movement with broad popular appeal. It promoted a vision of the world in which a closely-knit tribe called “the Jews” conspired to dominate the globe through control of international finance at the highest levels of commerce and money lending in the towns and villages. This tribe at the same time maneuvered to destroy the very capitalist system it was said to control through its devotion to the cause of revolution. It is easy to draw a straight line from this turn-of-the-century paranoid thinking to the murderous delusions of twentieth-century fascism. Yet the line was not straight. Antisemitism as a political weapon did not stand unchallenged, even in Eastern Europe, where its consequences were particularly dire. In this region, Jewish leaders mobilized across national borders and in alliance with non-Jewish public figures on behalf of Jewish rights and in opposition to anti-Jewish violence. Antisemites were called to account and forced on the defensive. In Imperial and then Soviet Russia, in newly emerging Poland, and in aspiring Ukraine—notorious in the West as antisemitic hotbeds—antisemitism was sometimes a moral and political liability. These intriguing essays explore the reasons why, and they offer lessons from surprising places on how we can continue to fight antisemitism in our times.

neighbors jan gross pdf: Bringing the Dark Past to Light John-Paul Himka, Joanna Beata Michlic, 2013-07-01 Despite the Holocaust's profound impact on the history of Eastern Europe, the communist regimes successfully repressed public discourse about and memory of this tragedy. Since the collapse of communism in 1989, however, this has changed. Not only has a wealth of archival sources become available, but there have also been oral history projects and interviews recording the testimonies of eyewitnesses who experienced the Holocaust as children and young adults. Recent political, social, and cultural developments have facilitated a more nuanced and complex understanding of the continuities and discontinuities in representations of the Holocaust. People are beginning to realize the significant role that memory of Holocaust plays in contemporary discussions of national identity in Eastern Europe. This volume of original essays explores the memory of the Holocaust and the Jewish past in postcommunist Eastern Europe. Devoting space to every postcommunist country, the essays in *Bringing the Dark Past to Light* explore how the memory of the “dark pasts” of Eastern European nations is being recollected and reworked. In addition, it examines how this memory shapes the collective identities and the social identity of ethnic and national minorities. Memory of the Holocaust has practical implications regarding the current development of national cultures and international relationships.

neighbors jan gross pdf: The Remembered and Forgotten Jewish World Daniel J. Walkowitz, 2018-09-05 Part travelogue, part social history, and part family saga, this book investigates the politics of heritage tourism and collective memory. Acclaimed historian Daniel J. Walkowitz visits key Jewish heritage sites from Berlin to Belgrade to Warsaw to New York to discover which stories of the Jewish experience get told and which get silenced.

neighbors jan gross pdf: The Holocaust/Genocide Template in Eastern Europe Ljiljana Radonić, 2020-05-21 The Holocaust/Genocide Template in Eastern Europe discusses the “memory wars” in the course of the post-Communist re-narration of history since 1989 and the current authoritarian backlash. The book focuses specifically on how “mnemonic warriors” employ the “Holocaust template” and the concept of genocide in tendentious ways to justify radical policies and externalize the culpability for their international isolation and worsening social and economic circumstances domestically. The chapters analyze three dimensions: 1) the competing narratives of the “universalization of the Holocaust” as the negative icon of our era, on the one hand, and the “double genocide” paradigm, on the other, which focuses on “our own” national suffering under – allegedly “equally” evil – Nazism and Communism; 2) the juxtaposition of post-Communist Eastern Europe and Russia, reflected primarily in the struggle of the Baltic states and Ukraine to challenge Russian propaganda, a struggle that runs the risk of employing similarly distorting and propagandistic tropes; and 3) the post-Yugoslav rhetoric portraying one’s own group as “the new Jews” and one’s opponents in the wars of the 1990s as (akin to) “Nazis”. Surveying major battle sites in this “memory war”: memorial museums, monuments, film and the war over definitions and terminology in relevant public discourse, The Holocaust/Genocide Template in Eastern Europe will be of great interest to scholars of genocide, the Holocaust, historical memory and revisionism, and Eastern European Politics. This book was originally published as a special issue of the Journal of Genocide Research.

neighbors jan gross pdf: Contending with Antisemitism in a Rapidly Changing Political Climate Alvin H. Rosenfeld, 2021-11-02 Today's highly fraught historical moment brings a resurgence of antisemitism. Antisemitic incidents of all kinds are on the rise across the world, including hate speech, the spread of neo-Nazi graffiti and other forms of verbal and written threats, the defacement of synagogues and Jewish cemeteries, and acts of murderous terror. Contending with Antisemitism in a Rapidly Changing Political Climate is an edited collection of 18 essays that address antisemitism in its new and resurgent forms. Against a backdrop of concerning political developments such as rising nationalism and illiberalism on the right, new forms of intolerance and anti-liberal movements on the left, and militant deeds and demands by Islamic extremists, the contributors to this timely and necessary volume seek to better understand and effectively contend with today's antisemitism.

neighbors jan gross pdf: Probing the Limits of Categorization Christina Morina, Krijn Thijs, 2018-11-29 Of the three categories that Raul Hilberg developed in his analysis of the Holocaust—perpetrators, victims, and bystanders—it is the last that is the broadest and most difficult to pinpoint. Described by Hilberg as those who were “once a part of this history,” bystanders present unique challenges for those seeking to understand the decisions, attitudes, and self-understanding of historical actors who were neither obviously the instigators nor the targets of Nazi crimes. Combining historiographical, conceptual, and empirical perspectives on the bystander, the case studies in this book provide powerful insights into the complex social processes that accompany state-sponsored genocidal violence.

neighbors jan gross pdf: Intermarium Marek Jan Chodakiewicz, 2017-09-08 History and collective memories influence a nation, its culture, and institutions; hence, its domestic politics and foreign policy. That is the case in the Intermarium, the land between the Baltic and Black Seas in Eastern Europe. The area is the last unabashed rampart of Western Civilization in the East, and a point of convergence of disparate cultures. Marek Jan Chodakiewicz focuses on the Intermarium for several reasons. Most importantly because, as the inheritor of the freedom and rights stemming from the legacy of the Polish-Lithuanian/Ruthenian Commonwealth, it is culturally and ideologically

compatible with American national interests. It is also a gateway to both East and West. Since the Intermarium is the most stable part of the post-Soviet area, Chodakiewicz argues that the United States should focus on solidifying its influence there. The ongoing political and economic success of the Intermarium states under American sponsorship undermines the totalitarian enemies of freedom all over the world. As such, the area can act as a springboard to addressing the rest of the successor states, including those in the Caucasus, Central Asia, and the Russian Federation. Intermarium has operated successfully for several centuries. It is the most inclusive political concept within the framework of the Commonwealth. By reintroducing the concept of the Intermarium into intellectual discourse the author highlights the autonomous and independent nature of the area. This is a brilliant and innovative addition to European Studies and World Culture.

neighbors jan gross pdf: Erfahrung, Erinnerung, Geschichtsschreibung Mary Fulbrook, 2016-07-04 Individuelle Erfahrungen, generationelle Prägungen und das »kollektive Gedächtnis als Herausforderungen an die Geschichtsschreibung der beiden deutschen Diktaturen im 20. Jahrhundert. Wie werden Menschen von der Zeit beeinflusst, in die sie hineingeboren wurden? Wie finden ihre individuellen Erinnerungen Niederschlag, nicht nur in der öffentlichen Repräsentation von Geschichte, sondern auch in ihren Lebensweisen und Handlungen? Was bedeutet eine solche Herangehensweise für die Geschichtswissenschaft? Gilt der traditionelle Anspruch von Objektivität in der Geschichtsschreibung überhaupt noch, in Anbetracht der Katastrophen des 20. Jahrhunderts? Und wenn wir Subjektivität in die Geschichte einbeziehen wollen, ohne Strukturen und Ereignisse aus den Augen zu verlieren, welche neuen Formen der Geschichtsschreibung können und sollten wir entwickeln? Mary Fulbrook widmet sich diesen Fragen mit Blick auf die beiden deutschen Diktaturen. Sie setzt sich dabei kritisch mit dem Begriff des »kollektiven Gedächtnisses auseinander und betont die Bedeutung individueller Erfahrungen und generationeller Prägungen für unser Verständnis der deutschen Geschichte im 20. Jahrhundert.

neighbors jan gross pdf: Public History in Poland Joanna Wojdon, 2021-11-29 This volume presents various aspects of public history practices in Poland, alongside their historical development and theoretical reflections on public history. Despite a long tradition and variety of forms of public history, the very term public history, or literally speaking history in the public sphere, has been in use in Poland only since the 2010s. This edited collection contains chapters that focus on numerous practices and media forms in public history including historical memory, heritage tourism, historical re-enactments, memes and graphic novels, films, archives, archaeology and oral history. As such, the volume brings together the Polish experiences to wider international audiences and shares Polish controversies related to public history within the academic discourse, beyond media news and politically engaged commentaries. Furthermore, it sheds crucial light on the developments of collective memory, historical and political debates, the history of Poland and East-Central Europe, and the politics of post-World War Two and post-communist societies. Authored by a team of academic historians and practitioners from the field, Public History in Poland is the perfect resource for students from a variety of disciplines including Public History, Heritage, Museum Studies, Anthropology, and Archaeology.

neighbors jan gross pdf: The Shaken Lands Tomas Balkelis, Andrea Griffante, 2023-04-25 The volume focuses on violence during the breakdown of East Central European states brought by one of the most violent periods in modern European history: from the start of the Great War in 1914 until 1923 when Europe, finally, achieved peace after a series of civil conflicts and interstate wars. The contributors offer several case studies that cover the vast region stretching from the Baltic states to Hungary. They explore different types of violence against its civilian populations with a particular focus on communal violence committed by civilians onto their neighbors. They suggest that disintegration of state power brought by the Great War was a key condition that produced violence. Yet the process of post-WWI state building was equally or more violent as nascent East Central European states institutionalized the use of violence to achieve their political agendas.

neighbors jan gross pdf: Survival on the Margins Eliyana R. Adler, 2020-11-17 Between 1940 and 1946, about 200,000 Polish Jewish refugees lived and toiled in the harsh Soviet interior.

They endured hard labor, bitter cold, and extreme deprivation. But they survived the Holocaust. Drawing on untapped memoirs and testimonies of the survivors, Eliyana Adler rescues a forgotten story of the Holocaust.

neighbors jan gross pdf: *The Routledge History of East Central Europe Since 1700* Irina Livezeanu, Arpad von Klimó, 2017-03-16 Covers territory from Russia in the east to Germany and Austria in the west, exploring the origins and evolution of modernity in this region--Provided by the publisher.

neighbors jan gross pdf: The Routledge History of Antisemitism Mark Weitzman, Robert J. Williams, James Wald, 2023-09-04 Antisemitism is a topic on which there is a wide gap between scholarly and popular understanding, and as concern over antisemitism has grown, so too have the debates over how to understand and combat it. This handbook explores its history and manifestations, ranging from its origins to the internet. Since the Holocaust, many in North America and Europe have viewed antisemitism as a historical issue with little current importance. However, recent events show that antisemitism is not just a matter of historical interest or of concern only to Jews. Antisemitism has become a major issue confronting and challenging our world. This volume starts with explorations of antisemitism in its many different shapes across time and then proceeds to a geographical perspective, covering a broad scope of experiences across different countries and regions. The final section discusses the manifestations of antisemitism in its varied cultural and social forms. With an international range of contributions across 40 chapters, this is an essential volume for all readers of Jewish and non-Jewish history alike.

neighbors jan gross pdf: Fortress Europe Matthew Carr, 2016-01-12 Singled out by Foreign Affairs for its reporting on "the brutal frontiers of new Europe," Fortress Europe is the story of how the world's most affluent region—and history's greatest experiment with globalization—has become an immigration war zone, where tens of thousands have died in a humanitarian crisis that has galvanized the world's attention. Journalist Matthew Carr brings to life remarkable human dramas, based on extensive interviews and firsthand reporting from the hot zones of Europe's immigration battles, in a narrative that moves from the desperate immigrant camps at the mouth of the Channel Tunnel in Calais, France, to the chaotic Mediterranean sea, where African migrants have drowned by the thousands. Speaking with key European policy makers, police, soldiers on the front lines, immigrant rights activists, and an astonishing range of migrants themselves, Carr offers a lucid account both of the broad issues at stake in the crisis and its exorbitant human costs. The paperback edition includes a new afterword by the author, which offers an up-to-the-minute assessment of the 2015 crisis and a searing critique of Europe's response to the new waves of refugees.

neighbors jan gross pdf: Multicultural Commonwealth Stanley Bill, Simon Lewis, 2023-11-14 The Polish-Lithuanian Commonwealth (1569–1795) was once the largest country in Europe—a multicultural republic that was home to Belarusians, Germans, Jews, Lithuanians, Poles, Ruthenians, Tatars, Ukrainians, and other ethnic and religious groups. Although long since dissolved, the Commonwealth remains a rich resource for mythmaking in its descendent modern-day states, but also a source of contention between those with different understandings of its history. Multicultural Commonwealth brings together the expertise of world-renowned scholars in a range of disciplines to present perspectives on both the Commonwealth's historical diversity and the memory of this diversity. With cutting-edge research on the intermeshed histories and memories of different ethnic and religious groups of the Commonwealth, this volume asks how various contemporary conceptions of multiculturalism can be applied to the region through a critical lens that also seeks to understand the past on its own terms.

neighbors jan gross pdf: Narrating Evil María Pía Lara, 2007 Conceptions of evil have changed dramatically over time, and though humans continue to commit acts of cruelty against one another, today we possess a clearer, more moral way of analyzing them. In *Narrating Evil*, María Pía Lara explores what has changed in our understanding of evil, why the transformation matters, and how we can learn from this specific historical development. Drawing on Immanuel Kant's and Hannah Arendt's ideas about reflective judgment, Lara argues that narrative plays a key role in

helping societies acknowledge their pasts. Particular stories haunt our consciousness and lead to a kind of examination and dialogue that shape notions of morality. A powerful description of a crime can act as a filter, helping us to draw conclusions about what constitutes a moral wrong, and public debates over these narratives allow us to construct a more accurate picture of historical truth, leading to a better understanding of why such actions are possible. In building her argument, Lara considers Greek tragedies, Shakespeare's depictions of evil, Joseph Conrad's literary metaphors, and movies that portray human cruelty. Turning to such philosophers and writers as Jürgen Habermas, Walter Benjamin, Primo Levi, Giorgio Agamben, and Ariel Dorfman, Lara defines a reflexive relationship between an event, the narrative of the event, and the public reception of the narrative, and she proves that the stories of perpetrators and sufferers are always intertwined. The process of disclosure, debate, and the public fashioning of collective judgment are vital methods through which we make sense not only of new forms of cruelty but of past crimes as well. *Narrating Evil* describes the steps of this process and why they are a crucial part of our attempt to build a different, more just world.

neighbors jan gross pdf: Contemporary Far-Right Thinkers and the Future of Liberal Democracy A. James McAdams, Alejandro Castrillon, 2021-09-26 This book is the first systematic analysis of the efforts of a broad range of contemporary far-right thinkers to popularize their critiques of liberal-democratic norms and institutions and make their ideas the subjects of sustained political and academic debate. The book focuses on outspoken thinkers in western and eastern Europe, Russia, the United States, Canada, and Australia. They include Alain de Benoist, Guillaume Faye, Götz Kubitschek, Pat Buchanan, Fróði Midjord, Jason Jorjani, contributors to the online magazine Quillette, and the elusive personality known as the Bronze Age Pervert. The book explores the diverse intellectual foundations of these thinkers' positions, the similarities and differences in their ideas, and their prospects for influencing attitudes about democratic politics within their respective countries. It examines diverse movements and schools of thought, including the European New Right, Paleoconservatism, the Alt-right, Identitarianism, White nationalism, and antifeminism. Providing a much-needed global perspective, this book will be of considerable interest to students and scholars of populism, right-wing extremism, identity politics, fascism, racism, and conservatism.
