The spirit is the innermost part of man, created to communicate directly with God. It is the organ through which believers can contact the divine and experience spiritual life. Key points include:

- The spirit is dead before salvation but is made alive through Christ.
- It is the seat of consciousness of God.
- The goal of spiritual growth is to develop and strengthen the spirit.

The Soul

The soul encompasses the mind, will, and emotions. It functions as the center of personality and is influenced by both the spirit and body. Important aspects include:

- The soul is the seat of personality and self-awareness.
- It processes thoughts, feelings, and choices.
- It can be a battleground between the flesh and the spirit.

The Body

The physical body is the tangible, earthly vessel that interacts with the physical world. Its characteristics include:

- The body is temporary and perishable.
- It is the conduit through which we express ourselves.
- The body is subject to sin and decay but can be redeemed.

The Relationship Between Spirit, Soul, and Body

Scriptural Foundations

Key scriptures supporting this concept include:

- 1 Thessalonians 5:23 – “And the very God of peace sanctify you wholly; and I pray God your whole spirit and soul and body be preserved blameless.”

watchman nee spirit soul and body pdf: Spiritual Discernment Watchman Nee, 2010-03-24

Listen to the prayer of the apostle Paul for his beloved church in Philippi: "this I pray, that your love may abound yet more and more in knowledge and all discernment; so that ye may approve the things that are excellent; that ye may be sincere and void of offence unto the day of Christ" (Phil. 1.9-10). What was it that inspired him to offer such a prayer for the dear saints in Philippi? Do we today desperately need the same prayer? We talk about love and fellowship, and yet we encounter many problems and failures. What is the missing link to a glorious church? Can it be the lack of "full knowledge and all perception that ye may prove [or, distinguish] the things that differ" (literal translation)? Certainly spiritual discernment is the pressing need of today. How can we obtain this full knowledge of God? Where do we get spiritual discernment that we may know the things which differ or are more excellent? These are the matters which brother Watchman Nee tried to address during his latter years of ministry. This present volume, entitled *Spiritual Discernment* is composed of three parts: Abound in Knowledge, Abound in Discernment, and Approve the Excellent. The Publishers were able to acquire these Notes in Chinese recently, and they have now been translated into English for sharing with the English-speaking saints. May these Notes help many in meeting the pressing need of today.

watchman nee spirit soul and body pdf: *In the Fellowship of His Suffering* Elahe Hessamfar,

2015-02-26 Schizophrenia is often considered one of the most destructive forms of mental illness. Elahe Hessamfar's personal experience with her daughter's illness has led her to ask some pressing and significant questions about the cause and nature of schizophrenia and the Church's role in its

treatment. With a candid and revealing look at the history of mental illness, *In the Fellowship of His Suffering* describes schizophrenia as a variation of human expression. Hessamfar uses a deeply theological rather than pathological approach to interpret the schizophrenic experience and the effect it has on both the patients and their families. Effectively drawing on the Bible as a source of knowledge for understanding mental illness, she offers a reflective yet innovative view of whether the Church could or should intervene in such encounters and what such an intervention might look like. Hessamfar's comprehensive work will provoke powerful responses from anyone interested in the prominent social issue of mental illness. Her portrayal of the raging debate between treating 'insanity' either pastorally or medically will enthrall readers, be they Christians, medical students or those in the field of psychiatry and social sciences.

watchman nee spirit soul and body pdf: The Economy of God Witness Lee, In 1927

Watchman Nee published his spiritual classic on Christian growth and progress, *The Spiritual Man*. In that book Nee presents the seemingly simple biblical truth that man is composed of three parts--spirit and soul and body--as a central and necessary revelation for believers to grow and make progress in their spiritual life. In *The Economy of God*, Nee's closest and most trusted co-worker, Witness Lee, builds upon this foundation in order to unveil the central revelation of the Bible--that God wants to impart Himself into man for His full expression in the church. This is God's plan, God's economy. In *The Economy of God*, Lee clearly reveals the move of the Divine Trinity according to His economy and gives believers practical ways to cooperate with Him for the fulfillment of His eternal plan. Step by step, Witness Lee shows how to deal with obstacles to spiritual growth so that Christ may fully make His home in our hearts, that we may be filled unto all the fullness of God.

watchman nee spirit soul and body pdf: The Wisdom of Watchman Nee Volume II , the Spiritual Man Watchman Nee, 2008-05 Collected here in this 3-in-1 omnibus e edition are all three volumes of *The Spiritual Man*. These three volumes are Watchman Nee's most important masterpiece. The ordinary concept of the constitution of human beings is dualistic-soul and body. According to this concept soul is the invisible inner spiritual part, while body is the visible outer corporal part . . . Believers today very much lack knowledge as to the existence and operation of the human spirit. Many are unaware that in addition to their mind, emotion and will they also have a spirit . . . If a Christian's mind is not renewed his life is bound to be lopsided and narrow. Work becomes nigh to impossible for him. The popular teaching nowadays stresses that there should be love, patience, humility and so forth in the Christian life. These traits of the heart are highly significant, since nothing else can replace them. -Watchman Nee

watchman nee spirit soul and body pdf: Heart-to-Heart Talks Watchman Nee, 2012-06-27

Deep calleth unto deep at the [noise] of thy waterfalls (Psalm 42:7a). What can be deeper than the heart? Solomon, the wisest of men, advised us, saying: Keep thy heart with all diligence; for out of it are the issues of life (Proverbs 4:23). When a heart has heard the voice of God, it calls other hearts to hear and to respond. This is exactly what brother Watchman Nee tried to share with us from his heart. During his years of ministry he realized that only words coming from a heart that God had spoken to could reach the heart of others. Not that knowledge is unnecessary, but it must come from revelation or enlightenment from above: for only such knowledge is living and operative which can reach the depth of man's heart. Brother Nee wrote and spoke to many hearts to the glory of God.

watchman nee spirit soul and body pdf: Who Am I? Juliet Tennison, 2019-08-12 Discover how to live a spiritual life instead of a soulish life. We are tripartite beings, having body, soul, and spirit. The spirit is conscious of God; the soul, of self; and the body, of the things of this world. In this relatable treatise, backed by her own experience, author Juliet Tennison describes how to avoid war within ourselves as she examines the spirit, soul, and body and unpacks scriptural truths about spiritual versus carnal living. God created us for love and to have an intimate relationship with Him. We will never understand who we are until we see ourselves as God sees us. In the Garden of Eden, man had perfect relationship with God, but after the Fall, sin separated man from Him. Adam and Eve hid from God because the soul had become self-conscious instead of God-conscious, and they could no longer enjoy walking in fellowship with a Holy God. We were created to love God and to love

others, but our soul keeps us from ever achieving this purpose. We must lose our soul to love and we must seek God, who is love. God created us to live a supernatural life by the power of the Holy Spirit. Our brain, our will, and our emotions, which make up our soul, are natural. The body we walk in is natural. The soul and the spirit are so close to one another that the two require the word of God to divide them, to separate them from each other: For the word of God is living and powerful, and sharper than any two-edged sword, piercing even to the division of soul and spirit, and of joints and marrow, and is a discernor of the thoughts and intents of the heart (Hebrews 4:12). So many of us practice religion without relationship. This is churchianity—we attend church but have no relationship with Jesus Christ. We pray for forgiveness without repenting our sins. Repentance means to stop doing our will and to start doing God's Will. We struggle in our walk with God because we fail to differentiate between our soul and our spirit; we substitute the thoughts or emotions of the soul for the works of the Holy Spirit. The Holy Spirit can only take residence in our spirit. It is in our spirit that we worship, fellowship and stay connected to God for God is Spirit, and those who worship Him must worship in spirit and truth. - John 4:24. The knowledge of God is not some generic idea that He exists up there. It involves an intimate acquaintance with His character and actions. God's love is manifested in His Son Jesus Christ's life, death, and resurrection. He has placed His Spirit within His adopted children, giving us a heart to love Him, a mind to know Him, and a will to obey Him. The salvation which comes from God means being completely delivered from our self and being placed into perfect union with Him by the Power of the Holy Spirit. As fallen humans, we need a savior to save us from our own wicked soul. Salvation is only understood in our spirit and only when the spirit is made alive by the indwelling of the Holy Spirit. The soul cannot comprehend this, because it is filled with its own pride; neither can the body, which is world-conscious and only understands the worldly things. Knowing these things, we learn to live a victorious spiritual life as the Holy Spirit lives in our spirit, and we crucify the detrimental desires of the soul and body.
