

where will the national baptist convention be held in 2023

where will the national baptist convention be held in 2023

The National Baptist Convention (NBC) is one of the most prominent and historic African American Baptist denominations in the United States. Each year, the convention gathers thousands of members, pastors, and community leaders from across the nation to participate in worship, workshops, and strategic planning sessions. As we look forward to the 2023 gathering, many are eager to know: where will the National Baptist Convention be held in 2023? This article provides a comprehensive overview of the location, the significance of the venue, historical context, and what attendees can expect from this year's convention.

Overview of the National Baptist Convention

Before diving into the specifics of the 2023 event location, it's essential to understand the significance of the NBC and its annual conventions.

History and Significance

- Founded in 1880, the National Baptist Convention is one of the oldest and largest predominantly African American Christian denominations.
- The convention serves as a spiritual, social, and political platform for African American Baptists nationwide.
- It emphasizes evangelism, education, community service, and social justice.

Annual Convention's Role

- Provides a space for worship, fellowship, and leadership development.
- Facilitates workshops on social issues, church growth, and youth engagement.
- Offers opportunities for networking among pastors, church members, and civic leaders.

Location of the 2023 National Baptist Convention

Official Announcement of the Venue

The 2023 National Baptist Convention is scheduled to be held in Jacksonville, Florida. The

convention will convene at the Prime F. Osborn Convention Center, a premier event space situated in the heart of downtown Jacksonville. This venue has been selected for its capacity, accessibility, and modern amenities suited for a convention of this magnitude.

Details of the Venue

- Prime F. Osborn Convention Center
- Location: 1000 Water Street, Jacksonville, FL 32204
- Capacity: Over 10,000 attendees
- Facilities: Large auditoriums, breakout rooms, exhibition halls, and dining areas
- Accessibility: ADA compliant with ample parking and public transportation options

Why Jacksonville, Florida?

Jacksonville offers several advantages as the host city:

- Central location in the southeastern United States, making it accessible for attendees from across the country.
- Rich cultural and historical significance, especially within the African American community.
- A welcoming environment with numerous hospitality options, restaurants, and entertainment venues.

Historical Context of the Convention Locations

Understanding the tradition of where the National Baptist Convention has been held over the years provides context for the 2023 location.

Recent and Notable Past Locations

- 2022: Birmingham, Alabama at the Birmingham Jefferson Convention Complex
- 2021: Virtual due to COVID-19 pandemic
- 2019: New Orleans, Louisiana at the Ernest N. Morial Convention Center
- 2018: Memphis, Tennessee at the Cook Convention Center
- 2017: Birmingham, Alabama

Significance of Location Choices

- The convention often rotates among major cities with strong African American communities.
- Locations are chosen based on capacity, accessibility, and the city's cultural significance.
- The move to Jacksonville in 2023 continues this tradition, emphasizing inclusivity and regional representation.

What to Expect at the 2023 Convention in Jacksonville

Knowing the location is just part of the story. Attendees are eager to understand what the 2023 convention will encompass.

Key Events and Program Highlights

- Opening Worship Service: A grand celebration featuring prominent gospel artists and keynote speakers.
- Leadership Workshops: Focused on church growth, youth ministry, and social justice initiatives.
- Business Sessions: Strategic planning, elections, and organizational updates.
- Youth and Young Adult Activities: Empowerment sessions designed to engage the next generation.
- Community Outreach Events: Service projects and collaborations with local Jacksonville organizations.

Additional Resources

Where will the National Baptist Convention be held in 2023? This question has garnered significant interest among members of the African American Baptist community, religious organizations, and attendees planning to participate in one of the largest religious gatherings of the year. As the National Baptist Convention, Inc. (NBC) continues to serve as a vital spiritual and cultural institution, its annual meetings are highly anticipated events that draw thousands of worshippers, clergy, and community leaders from across the nation. In this article, we will explore the details surrounding the location of the 2023 National Baptist Convention, including historical context, the chosen city and venue, what to expect from the event, and practical tips for attendees.

Understanding the National Baptist Convention

Background and Significance

The National Baptist Convention is one of the oldest and most influential African American Christian denominations in the United States. Established in 1880, it has grown into a major religious organization that emphasizes evangelism, education,

social justice, and community service. The convention typically meets annually, rotating its location among prominent cities, and provides an opportunity for spiritual renewal, leadership development, and national networking.

The Purpose of the Convention

The convention aims to:

- Foster spiritual growth among its members**
- Promote theological education and training**
- Address social issues affecting African Americans**
- Strengthen the bonds of fellowship within the Baptist community**
- Engage in community outreach and service projects**

The 2023 National Baptist Convention: Location and Venue

Where will the National Baptist Convention be held in 2023?

The 2023 National Baptist Convention is scheduled to take place in Memphis, Tennessee. This city, known for its rich musical heritage and civil rights history, provides an inspiring backdrop for the convention's themes of renewal and progress. The event is slated to be hosted at the Renasant Convention Center, a prominent venue in downtown Memphis equipped to handle large-scale conferences and conventions.

Why Memphis?

Memphis holds a special place in African American history and

religious life. Its strategic location along the Mississippi River, vibrant cultural scene, and historical significance make it an attractive site for the convention. Additionally, Memphis has a strong Baptist community and numerous historical churches, making it an ideal setting for a gathering of this magnitude.

Details of the Venue

Renasant Convention Center

The Renasant Convention Center is Memphis's premier venue for large conventions and events. Key features include:

- Capacity: Over 200,000 square feet of exhibit space**
- Facilities: Multiple auditoriums, breakout rooms, and meeting spaces**
- Accessibility: Located in downtown Memphis, with easy access to hotels, restaurants, and transportation**
- Amenities: State-of-the-art audio-visual equipment, on-site catering, and ample parking**

Additional Venues and Facilities

While the main events will occur at the Renasant Convention Center, auxiliary activities may be held at nearby hotels and churches, allowing for a comprehensive experience across Memphis.

What to Expect from the 2023 Convention

Themes and Keynote Speakers

The convention's theme often reflects current social and spiritual issues. In 2023, the theme is expected to focus on "Reviving Faith, Restoring Communities", emphasizing resilience, faith-based activism, and community rebuilding.

Keynote speakers are usually prominent religious leaders, civil rights advocates, and influential figures in the African American community. Past conventions have featured nationally recognized pastors, scholars, and activists.

Conference Schedule and Activities

Typical activities include:

- Worship services and sermons**
- Workshops and seminars on theology, social justice, and leadership**
- Youth and children's programs**
- Business meetings and elections**
- Networking luncheons and dinners**
- Cultural performances emphasizing African American heritage**

Special Events

Expect special commemorations, historical reflections, and possibly musical concerts highlighting gospel and spiritual traditions.

Practical Tips for Attendees

Planning Your Trip

- Register Early:** Secure your registration online through the official NBC website or affiliated partners.
- Book Accommodations:** Memphis offers a variety of hotels, many of which partner with the convention for discounted rates. Consider booking well in advance.
- Transportation:** Memphis International Airport provides access to major airlines. Rideshare services and local transportation options are plentiful.

During the Convention

- Prepare Your Schedule:** Review the agenda to prioritize sessions, workshops, and events of interest.
- Network:** Bring plenty of business cards, engage in conversations, and participate in social events.
- Stay Connected:** Use the convention's official app or social media platforms for updates and community interaction.

Post-Convention

- Follow up with contacts made during the event.**
- Share your experiences and insights on social media, highlighting the convention's impact.**
- Plan for future involvement or leadership roles within the National Baptist community.**

The Significance of the 2023 Event

The 2023 National Baptist Convention in Memphis represents more than just a meeting; it's a reaffirmation of faith, resilience, and community strength. It provides attendees with spiritual nourishment and opportunities to engage in meaningful dialogue around pressing social issues, such as racial justice, economic empowerment, and educational equity.

As the largest gathering of African American Baptists in the country, the convention also serves as a platform to influence social change and inspire future generations of leaders. The choice of Memphis underscores the city's historical role in civil rights and cultural expression, aligning perfectly with the convention's mission of revival and restoration.

Conclusion

In summary, where will the National Baptist Convention be held in 2023? The answer is Memphis, Tennessee, at the Renasant Convention Center. This location offers a unique blend of history, culture, and spiritual significance, making it an ideal venue for the convention's diverse activities and large attendance. Whether you're a longtime member or a first-time attendee, the 2023 convention promises to be an inspiring and impactful event that celebrates faith, community, and progress.

Plan ahead, engage actively, and embrace the opportunity to connect with fellow believers and community advocates. The

National Baptist Convention in Memphis is more than a gathering; it's a movement toward renewal and hope for the future.

Where Will The National Baptist Convention Be Held In 2023

where will the national baptist convention be held in 2023: The ^AChallenge of Joseph H. Jackson Jared E. Alcántara, 2024-10-08 The Rev. Dr. Joseph H. Jackson remains one of the most important but least known figures of twentieth-century African American Christian history. In this book, Jared E. Alcántara sets out a definitive academic biography of this complex figure.

where will the national baptist convention be held in 2023: The Statesman's Yearbook 2025 Palgrave Macmillan, 2025-01-10 Now in its 161st edition, The Statesman's Yearbook continues to be the reference work of choice for accurate and reliable information on every country in the world. Covering political, economic, social and cultural aspects, the Yearbook is also available online for subscribing institutions.

where will the national baptist convention be held in 2023: The Black American Church Dr. Khandicia N. Randolph, 2023-04-28 The purpose of this book seeks to examine the leadership of the Black church through a critical and theoretical lens utilizing historical and anthropological foci to better identify and understand some of the challenges within the paramount institution and its attrition to the Black American community at large and provide appropriate suggestions and generating frameworks for addressing the challenges. The church has always played a pivotal role in Black American culture's identity, development, and progression. Leadership and organizational challenges within the church pervasively matriculate to other Black spaces, historically Black organizations, and a broader societal context. Due to the church's historical and ethnographic context for Blacks in America, many of the challenges faced in the church go unrecognized, unspoken, thus unattended. This manuscript endeavors to identify the challenges, and flaws through research and data, to provide solutions through practical and theoretical implementations to some shortcomings for the betterment of the church and culture. The interconnectedness of culture and religion for Blacks in America established a gargantuan impact factor on the church and its leaders. This manuscript examines the pervading effects of the influence through leadership dispensation. It also explores the understanding of leadership through the lens of Black Christianity, deriving that the foundation of leadership in the Black community was primarily circumscribed by the influence of the church as conglomerate collectivism of almost five hundred years of the history and culture of Africans, African descendants, and members of the African diaspora in what is now America who contributed to the ideal of the Black church. The critical analysis provided is not one of condemnation but likened to a vital performance review through member experiences barred against applicable leadership and organizational development barometers.

where will the national baptist convention be held in 2023: History of Black Women Deans, College Alumnae Organizations, and Activism Ashla C. Hill Roseboro, 2025-07-10 This historical account uncovers the lived experiences and history of pioneering Black women deans. Few scholars have studied the origins of Black deans of women and college graduates who were at the intersection of race and gender. Ashla C. Hill Roseboro's History of Black Women Deans, College Alumnae Organizations, and Activism fills this gap by sharing the lived experiences of pioneering administrators at historically Black colleges and universities (HBCUs) and college alumnae who

overcame barriers by forming their own professional circles. She investigates newspaper reports, articles, and artifacts from 1910 to the 1960s to provide insights on how these educated women advocated for higher education standards through the collective work of awarding scholarships to students, strategy meetings, and enrichment programs. This sisterhood emphasized how they took creative approaches to gain members, improve education, and promote equality. Past successes and struggles of these trailblazers illuminate how progress was made despite limitations and setbacks. This book points to the path taken by these mentoring leaders who sacrificed for the greater good of their communities. Leaders today can be inspired through these writings to continue being beacons of hope for greater equity towards a just society.

where will the national baptist convention be held in 2023: An Ecumenical Field Guide For Fresh Expressions Michael Adam Beck, 2024-08-20 Learn the essentials of fresh expressions for your church. An Ecumenical Field Guide for Fresh Expressions is a practical manual for understanding and implementing Fresh Expressions for a church in any denominational setting. The Fresh Expressions movement is a new way of thinking about the local church and a new way of doing church as a congregation. It refers to new (fresh) iterations or types (expressions) of ministry, usually outside the confines of the church building. These iterations or types of ministries are formed intentionally but organically out in the community, where people are. They are based on shared activities or interests, where people are gathering already, and where the people are open to or interested in learning about Jesus. Christian people share their own stories of how Jesus is part of their lives. Often, these gatherings become regular and increasingly begin to adopt the practices of a church community, like worship, service, study, and giving. Thus, they become fresh expressions of the church from which they sprang.

where will the national baptist convention be held in 2023: Finding Peace of Mind and Keeping It James Emerson Hough, 2023-06-23 About the Book In this collection of his essays and writings, James Emerson Hough reflects on the serenity of retirement living in the middle of his own private Certified Forest Preserve and Wildlife Habitat in Southeast Indiana, the inspiration it engenders to be creative, and the ability to focus his thinking. He finds it rewarding to share his perspective, but the selfish reason he writes is that it makes him a better person. When asked why he writes, Mr. Hough admits that writing helps keep his mind alert and head on straight. He's inspired to read and unlock novel ideas in his mind, research them, and develop compelling techniques to put them together in writing. Writing is his habit. He knows that no one can write anything who does not think that what they write is for the time history, or do anything well who does not esteem their work to be of importance. Old age has yet to creep on the author's mind, and wisdom will never let him stand with another on unfriendly footing. For him to write what will not become obsolete is to write sincerely to himself while attempting to satisfy his own curiosity. Where Mr. Hough found peace of mind, peace of mind was waiting there. Books are the quietest and most constant of friends, the most patient of teachers, and the most accessible and wisest if counselors. Worthwhile books that get into the world are written by successful people who utter what tens of millions feel though they cannot say. Certain books are vital, not leaving readers what they were; they shut the book a richer person. Finding Peace of Mind and Keeping It is full of energy. About the Author James Emerson Hough was born and raised in Paducah, Kentucky; schooled in the public school system of that community; earned an AS degree studying mathematics, physics, chemistry, biological and zoological sciences at Paducah Junior College; and earned BS (Geology) and MS (Engineering Geology) degrees at the University of Kentucky, Lexington. He retired December 31, 1998, at age 68, ending more than thirty-five years in private practice of the applied earth sciences as licensed professional engineer and licensed professional geologist. Hough was awarded the DSc degree by the American Institute of Geosciences in 2020.

where will the national baptist convention be held in 2023: The Power of Mammon Curtis D. Johnson, 2023-08-18 In The Power of Mammon, Curtis D. Johnson describes how the market economy and market-related forces, such as the media, politics, individualism, and consumerism,

radically changed the nature of Baptist congregational life in New York State during three centuries. Collectively, these forces emphasized the importance of material wealth over everything else, and these values penetrated the thinking of Baptist ministers and laypeople alike. Beginning in the 1820s, the pastorate turned into a profession, the laity's influence diminished, closeknit religious fellowships evolved into voluntary associations, and evangelism became far less effective. Men, being the most engaged in the market, secularized the more quickly and became less involved in church affairs. By the 1870s, male disengagement opened the door to increased female participation in church governance. While scientific advances and religious pluralism also played a role, the market and its related distractions were the primary forces behind the secularization of Baptist life. *The Power of Mammon* is history from the ground up. Unlike many denominational histories, this book emphasizes congregational life and the importance of the laity. This focus allows the reader to hear the voices of ordinary Baptists who argued over a host of issues. Johnson deftly connects large social trends with exhaustive attention to archival material, including numerous well-chosen records preserved by forty-two New York churches. These records include details related to membership, discipline, finance, and institutional history. Utilizing statistical analysis to achieve even greater clarity, Johnson effectively bridges the gap between the particularity of church records and the broader history of New York's Baptist churches. Johnson's narrative of Baptist history in New York will serve as a model for other regional studies and adds to our understanding of secularization and its impact on American religion.

where will the national baptist convention be held in 2023: God's Rascal Barry Hankins, 2023-09-29 Loathed by mainstream Southern Baptists, J. Frank Norris (1877-1952) was in many ways the Southern Baptist Convention's first fundamentalist. Twenty-five years after its first publication, this second edition of Barry Hankins's field-defining work *God's Rascal: J. Frank Norris and the Beginnings of Southern Fundamentalism* engages new scholarship on American fundamentalism to reassess one of the most controversial figures in the history of American Christianity. In this completely revised edition, Hankins pens an entirely new chapter on J. Frank Norris's murder trial, examines newly uncovered details regarding his recurrent sexual improprieties, and reconsiders his views on race in order to place J. Frank Norris, a man both despicable and captivating, among the most significant Southern fundamentalists of the twentieth century. Norris merged a southern populist tradition with militant fundamentalism, carving out a distinctly take-no-prisoners political niche within the Baptist church that often offended his allies as much as his enemies. Indeed, Norris was about as bad as a fundamentalist could be. He resided in a world of swirling conspiracies of leftists who, he argued, intended to subvert both evangelical religion and American culture. There are times when Norris's ego looms so large in his story that he seemed less interested in the threat these alleged conspiracies posed than in their power to keep him in the limelight. Finally, his tactics foreshadowed those employed in the fundamentalists' tenacious takeover of the Southern Baptist Convention that would occur more than twenty years after Norris's death.

where will the national baptist convention be held in 2023: The Marcus Garvey and Universal Negro Improvement Association Papers, Vol. IX Marcus Garvey, 2023-09-01 Africa for the Africans was the name given in Africa to the extraordinary black social protest movement led by Jamaican Marcus Mosiah Garvey (1887-1940). Volumes I-VII of the Marcus Garvey and Universal Negro Improvement Association Papers chronicled the Garvey movement that flourished in the United States during the 1920s. Now, the long-awaited African volumes of this edition (Volumes VIII and IX and a forthcoming Volume X) demonstrate clearly the central role Africans played in the development of the Garvey phenomenon. The African volumes provide the first authoritative account of how Africans transformed Garveyism from an external stimulus into an African social movement. They also represent the most extensive collection of documents ever gathered on the early African nationalism of the inter-war period. Here is a detailed chronicle of the spread of Garvey's call for African redemption throughout Africa and the repressive colonial responses it engendered. Volume

VIII begins in 1917 with the little-known story of the Pan-African commercial schemes that preceded Garveyism and charts the early African reactions to the UNIA. Volume IX continues the story, documenting the establishment of UNIA chapters throughout Africa and presenting new evidence linking Garveyism and nascent Namibian nationalism. Africa for the Africans was the name given in Africa to the extraordinary black social protest movement led by Jamaican Marcus Mosiah Garvey (1887-1940). Volumes I-VII of the Marcus Garvey and Universal Negro Improvement Association Papers chronicle

where will the national baptist convention be held in 2023: The Divided Mind of the Black Church Raphael G Warnock, 2023-11-21 An altar call to action from the U.S. senator and senior pastor at Atlanta's Ebenezer Baptist Church (Publishers Weekly). What is the true nature and mission of the church? Is its proper Christian purpose to save souls, or to transform the social order? This question is especially fraught when the church is one built by an enslaved people and formed, from its beginning, at the center of an oppressed community's fight for personhood and freedom. Such is the central tension in the identity and mission of the Black church in the United States. For decades the Black church and Black theology have held each other at arm's length. Black theology has emphasized the role of Christian faith in addressing racism and other forms of oppression, arguing that Jesus urged his disciples to seek the freedom of all peoples. Meanwhile, the Black church, even when focused on social concerns, has often emphasized personal piety rather than social protest. With the rising influence of white evangelicalism, biblical fundamentalism, and the prosperity gospel, the divide has become even more pronounced. This book traces the historical significance of the rise and development of Black theology as an important conversation partner for the Black church. Calling for honest dialogue between Black and womanist theologians and Black pastors, this fresh theological treatment demands a new look at the church's essential mission. An informative work for historians, theologians, and humanities scholars interested in debating what the Black Church needs to be doing in the 21st century. — Journal of African American History As a person who is not Black, reading this book provided a learning experience for me . . . I could also see this book serving as a way to spark discussion involving all ethnic groups as to how we can all, as fellow Christians, blend the goals of saving lost people and moving the culture toward equality for everyone. — Ministry Well-written and meticulously researched. — The Christian Century

where will the national baptist convention be held in 2023: Am I Too Old to Save the Planet? Lawrence MacDonald, 2023-10-27 Think you've waited too long to do something about climate change? Think again. Am I Too Old to Save the Planet?: A Boomer's Guide to Climate Action explains how America's most promising generation allowed climate change to become a planetary emergency - and what to do about it now. A former foreign correspondent and vice president of the World Resources Institute, Lawrence MacDonald shares his journey to becoming a passionate climate activist. Packed with practical advice, his book invites fellow boomers to join the growing global movement to save the planet.

where will the national baptist convention be held in 2023: Hidden Histories Monique Moultrie, 2023-02-03 In Hidden Histories, Monique Moultrie collects oral histories of Black lesbian religious leaders in the United States to show how their authenticity, social justice awareness, spirituality, and collaborative leadership make them models of womanist ethical leadership. By examining their life histories, Moultrie frames queer storytelling as an ethical act of resistance to the racism, sexism, and heterosexism these women experience. She outlines these women's collaborative, intergenerational, and leadership styles, and their concerns for the greater good and holistic well-being of humanity and the earth. She also demonstrates how their ethos of social justice activism extends beyond LGBTQ and racialized communities and provides other models of religious and community leadership. Addressing the invisibility of Black lesbian religious leaders in scholarship and public discourse, Moultrie revises modern understandings of how race, gender, and sexual identities interact with religious practice and organization in the twenty-first century.

where will the national baptist convention be held in 2023: A Darkly Radiant Vision Gary

Dorrien, 2023-01-01 The third and final volume in the first comprehensive history of Black social Christianity, by the greatest theological ethicist of the twenty-first century (Michael Eric Dyson) The Black social gospel is a tradition of unsurpassed and ongoing importance in American life, argues Gary Dorrien in his groundbreaking trilogy on the history of Black social Christianity. This concluding volume, an interpretation of the tradition since the early 1970s, follows Dorrien's award-winning *The New Abolition: W. E. B. Du Bois and the Black Social Gospel* and *Breaking White Supremacy: Martin Luther King Jr. and the Black Social Gospel*. Beginning in the shadow of Martin Luther King Jr., Dorrien examines the past fifty years of this intellectual and activist tradition, interpreting its politics, theology, ethics, social criticism, and social justice organizing. He argues that Black social Christianity is today an intersectional tradition of discourse and activist religion that interrelates liberation theology, womanist theology, antiracist politics, LGBTQ+ theory, cultural criticism, progressive religion, broad-based interfaith organizing, and global solidarity politics. *A Darkly Radiant Vision* features in-depth discussions of Andrew Young, Jesse Jackson, Samuel DeWitt Proctor, Gayraud Wilmore, James Cone, Cornel West, Katie Geneva Cannon, Stacey Floyd-Thomas, Traci Blackmon, William J. Barber II, Raphael G. Warnock, and many others.

where will the national baptist convention be held in 2023: A Seat at the Table Hettie V. Williams, Melissa Ziobro, 2023-09-11 Contributions by Omar H. Ali, Simone R. Barrett, Tejai Beulah, Sandra Bolzenius, Carol Fowler, Lacey P. Hunter, Tiera C. Moore, Tedi A. Pascarella, John Portlock, Lauren T. Rorie, Tanya L. Roth, Marissa Jackson Sow, Virginia L. Summey, Hettie V. Williams, and Melissa Ziobro While Black women's intellectual history continues to grow as an important subfield in historical studies, there remains a gap in scholarship devoted to the topic. To date, major volumes on American intellectual history tend to exclude the words, ideas, and contributions of these influential individuals. *A Seat at the Table: Black Women Public Intellectuals in US History and Culture* seeks to fill this void, presenting essays on African American women within the larger context of American intellectual history. Divided into four parts, the volume considers women in politics, art, government, journalism, media, education, and the military. Essays feature prominent figures such as Shirley Chisholm, Oprah Winfrey, journalist Charlotta Bass, and anti-abortion activist Mildred Fay Jefferson, as well as lesser-known individuals. The anthology begins with a discussion of the founders in Black women's public intellectualism, providing a framework for understanding the elements, structure, and concerns central to their lives and work in the nineteenth century. The second section focuses on leaders in the Black Christian intellectual tradition, the civil rights era, and modern politics. Part three examines Black women in society and culture in the twentieth century, with essays on such topics as artists in the New Negro era; Joycelyn Elders, a public servant and former surgeon general; and America's foremost Black woman influencer, Oprah. Lastly, part four concerns Black women and their ideas about public service—particularly military service—with essays on service members during World War II and the post-WWII military. Taken as a whole, *A Seat at the Table* is an important anthology that helps to establish the validity and existence of heretofore neglected intellectual traditions in the public square.

where will the national baptist convention be held in 2023: A Most Tolerant Little Town Rachel Louise Martin, 2023-06-13 A "masterful" (Taylor Branch) and "striking" (The New Yorker) portrait of a small town living through tumultuous times, this propulsive piece of forgotten civil rights history—about the first school to attempt court-ordered desegregation in the wake of *Brown v. Board*—will forever change how you think of the end of racial segregation in America. In graduate school, Rachel Martin was sent to a small town in the foothills of the Appalachians, where locals wanted to build a museum to commemorate the events of September 1956, when Clinton High School became the first school in the former Confederacy to attempt court mandated desegregation. But not everyone wanted to talk. As one founder of the Tennessee White Youth told her, "Honey, there was a lot of ugliness down at the school that year; best we just move on and forget it." For years, Martin wondered what it was some white residents of Clinton didn't want remembered. So, she went back, eventually interviewing over sixty townsfolk—including nearly a dozen of the first

students to desegregate Clinton High—to piece together what happened back in 1956: the death threats and beatings, picket lines and cross burnings, neighbors turned on neighbors and preachers for the first time at a loss for words. The National Guard rushed to town, along with national journalists like Edward R. Morrow and even evangelist Billy Graham. But that wasn't the most explosive secret Martin learned... In *A Most Tolerant Little Town*, Rachel Martin weaves together over a dozen perspectives in an intimate, kaleidoscopic portrait of a small town living through a turbulent turning point for America. The result is at once a “gripping” (The Atlanta Journal-Constitution) mystery and a moving piece of forgotten civil rights history, rendered “with precision, lucidity and, most of all, a heart inured to false hope” (The New York Times). You may never before have heard of Clinton, Tennessee—but you won't be forgetting the town anytime soon.

where will the national baptist convention be held in 2023: Scam Jesse Lee Peterson, 2005-10-02 In this provocative book, Rev. Jesse Lee Peterson, the most outspoken critic of the civil-rights establishment in America today, lays bare its corrupt leadership, courageously taking aim at the biggest names?Jesse Jackson, Louis Farrakhan, Al Sharpton, Maxine Waters, among others?claiming they are nothing more than scam artists profiting off the hatred and disorder they foster in the black community. Peterson insists it's time to throw off the oppression of the established black leadership and stand for the American ideals of freedom, personal responsibility, free enterprise, and moral principle.

where will the national baptist convention be held in 2023: Amazing Grace James Walvin, 2023-10-31 “A compelling story of a hymn rescued from the horror of slavery . . . in the author's hands, 'Amazing Grace' lands firmly on the right side of history.”—TLS Journey through the history of Amazing Grace, one of the transatlantic world's most popular hymns and a powerful anthem for humanity. Sung in moments of personal isolation or on state occasions watched by millions, Amazing Grace has become an unparalleled anthem for humankind. How did a simple Christian hymn, written in a remote English vicarage in 1772, come to hold such sway over millions in all corners of the modern world? With this short, engaging cultural history, James Walvin offers an explanation. The greatest paradox is that the author of Amazing Grace, John Newton, was a former Liverpool slave captain. Walvin follows the song across the Atlantic to track how it became part of the cause for abolition and galvanized decades of movements and trends in American history and popular culture. By the end of the twentieth century, Amazing Grace was performed in Soweto and Vanuatu, by political dissidents in China, and by Kikuyu women in Kenya. No other song has acquired such global resonance as Amazing Grace, and its fascinating history is well worth knowing.

where will the national baptist convention be held in 2023: Trauma and Race Micah L. McCreary, 2023-09-19 This book is about trauma-informed counseling with racially traumatized African (Black), Latino/a/x, Asian, and Native (Indigenous) Americans (ALANAs). ALANAs face the difficulties of systemic racism and experiences of trauma.? Any attempt by trauma-informed professionals to help or heal must consider the intersection of race and trauma.? Counselors working with race and trauma must use a trauma-informed blueprint to address trauma issues. Comprehending the components and intersectionality of trauma and race is critical to healing and strengthening hurting people, particularly ALANAs.?The book explores the matters of race and trauma through discussions of sociological issues; the intersectionality of race, gender, and class; and benign neglect of ALANAs. This book makes an important contribution to the conversation on race and trauma because its purpose is to equip healers with the tools necessary to assist individuals, families, groups, and communities to heal from abuse, discrimination, and maltreatment.

where will the national baptist convention be held in 2023: Ambivalent Affinities Jennifer Dominique Jones, 2023-10-12 In the early twenty-first century, comparisons between the modern civil rights movement and the movement for marriage equality reached a fever pitch. These comparisons, however, have a longer history. During the five decades after World War II, political ideas about same-sex intimacy and gender nonconformity—most often categorized as homosexuality—appeared in the campaigns of civil rights organizations, Black liberal elected

officials, segregationists, and far right radicals. Deployed in complex and at times contradictory ways, political ideas about homosexuality (and later, lesbian, gay, bisexual, and transgender subjects) became tethered to conceptualizations of Blackness and racial equality. In this interdisciplinary historical study, Jennifer Dominique Jones reveals the underexamined origins of comparisons between Black and LGBT political constituencies in the modern civil rights movement and white supremacist backlash. Foregrounding an intersectional framing of postwar political histories, Jones demonstrates how the shared non-normative status of Blackness and homosexuality facilitated comparisons between subjects and political visions associated with both. Drawing upon organizational records, manuscript collections, newspaper accounts, and visual and textual ephemera, this study traces a long, conflicting relationship between Black and LGBT political identities that continues to the present day.

where will the national baptist convention be held in 2023: Black Power and Palestine

Michael R Fischbach, 2023-05-25 A study of how the Arab-Israeli conflict affected the American civil rights movement. The 1967 Arab-Israeli War rocketed the question of Israel and Palestine onto the front pages of American newspapers. Black Power activists saw Palestinians as a kindred people of color, waging the same struggle for freedom and justice as themselves. Soon concerns over the Arab-Israeli conflict spread across mainstream black politics and into the heart of the civil rights movement itself. Black Power and Palestine uncovers why so many African Americans—notably Martin Luther King, Jr., Malcolm X, and Muhammad Ali, among others—came to support the Palestinians or felt the need to respond to those who did. Americans first heard pro-Palestinian sentiments in public through the black freedom struggle of the 1960s and 1970s. Michael R. Fischbach uncovers this hidden history of the Arab-Israeli conflict's role in African American activism and the ways that distant struggle shaped the domestic fight for racial equality. Black Power's transnational connections between African Americans and Palestinians deeply affected US black politics, animating black visions of identity well into the late 1970s. Black Power and Palestine allows those black voices to be heard again today. In chronicling this story, Fischbach reveals much about how American peoples of color create political strategies, a sense of self, and a place within US and global communities. The shadow cast by events of the 1960s and 1970s continues to affect the United States in deep, structural ways. This is the first book to explore how conflict in the Middle East shaped the American civil rights movement. Praise for Black Power and Palestine An indispensable read on the civil rights and Black Power era, shedding new light on just how deeply the Arab-Israeli conflict has shaped black domestic politics. Anyone interested in why conflict in the Middle East continues to cast its long shadow over U.S. foreign and domestic policy should read this book. —Cynthia A. Young, The Pennsylvania State University, author of *Soul Power: Culture, Radicalism, and the Making of a U.S. Third World Left* Michael R. Fischbach explores one of the most important international ramifications of the political awakening of African Americans in the 20th century: how movements ranging from the Black Muslims and Black Panthers to SNCC and the NAACP related to the Palestinian struggle. Original and timely, Black Power and Palestine offers fascinating insight into a vital issue in the self-definition of the African American community, one that continues to have great relevance today in the growing linkages between the Black Lives Matter movement and Palestinian activism. —Rashid Khalidi, Columbia University, author of *Brokers of Deceit: How the U.S. Has Undermined Peace in the Middle East*
