david haas we are called: *Preaching to a Multi-generational Assembly* Andrew-Carl Wisdom, 2004 With the acceleration of technological change, new and distinct generations are created faster than before. Generational boundaries become more fluid. Multiple age groups have different generational mindsets, distinct worldviews, and varied spiritual needs. How, then, do preachers speak to congregations that comprise four to five separate generations? Preaching to a Multi-generational Assembly addresses how to effectively and credibly preach to all generations at the same time. In *Preaching to a Multi-generational Assembly* Andrew Cal Wisdom offers a credible, new homiletic model to make Catholic preaching more exciting, accessible, and effective for both the assembly and preacher by making it more generationally relevant. He reflects upon the current state of preaching through Catholic and Protestant voices. He argues from communication theory that generation is a subculture like ethnicity and race and should be seriously considered in homiletic preparation. He applies contemporary marketing segmentation theory to preaching in proposing a qualified generational segmentation of the Sunday assembly. Finally, he combines both theories to demonstrate both the opportunity and viability of intergenerational preaching in a Catholic context. Chapters are *Why Effective Preaching Is a Priority: The Problem, - *The Genesis of the Catholic Homily, - *Intergenerational Preaching as a Sacred Dance Between Culture, Language, and Meaning, - *What the Preacher Can Learn from the Marketer, - *The Catholic Sacramental Imagination: A Generational Bridge, - *Does It Work? This unvarnished story recounts Nancy's journey to adopt and parent Alyona and Alec, two six year old children from Ukraine. The drama of the family's first seven

years reads like fiction, but Alyona and Alec's stories are all too real. Alec was born prematurely to a substance-abusing mother, who spent the early part of his life swathed in a blanket cocoon almost devoid of human touch. Alyona was found on the streets at age four or five and returned to the orphanage by her Italian adoptive family after only six weeks due to her aggressive behavior. Though single and in her fifties, Nancy feels called to adopt these children. What she discovers once she brings them home to America from Ukraine is that parenting two children with a history of abuse and abandonment will be the greatest, most rewarding challenge of her life. But the real heroes of this memoir are Alyona and Alec, who emerge from the abyss of hopelessness to live lives of confidence, love, and expectation. *Healing Emotional Wounds* affirms the hope of healing through commitment, hard work, extensive family and friend support, along with persistence and an unyielding resilience and focus.

My hopes and prayers are that more women will make the loving and beautiful choice-adoption. I was blessed to have been adopted at birth, and I wanted to share my stories in the hope that they will touch people's hearts. Whether the stories are fun and upbeat or of a more serious nature, I always pray that God will guide my hands and give me the right words. Included in this book is a sweet story about my

adoption as well as stories about my boisterous family life as a wife, mother, and grandmother of ten. david haas we are called: *A Human Rights Odyssey* Jeffrey Gale, 2025-05-30 It is August 2014. Rabbi Isaac Levin's dream has been realized. Rodef Tzedek synagogue has provided a home for secular and other faith-based organizations in northern Manhattan. This community center would become a city on a hill, a model of interfaith cooperation. Two tragedies spoke out against this wonderful milestone: the shooting of Michael Brown, an African American man in Ferguson, Missouri; and the murder of Tina Fontaine, a young indigenous girl in Winnipeg, Manitoba. As Rabbi

Levin comes to terms with these senseless deaths, he reflects upon the events of his past that have molded his passion for social justice. Isaac Levin's human rights odyssey begins in the suburbs of St. Louis during the Civil Rights Movement. There he is influenced by a progressively minded school system, inspired by a rabbi who marched with Martin Luther King and befriended by a brilliant warm-hearted Black student. The odyssey takes him to the inner city of Hamilton, Ohio where he tutors Black children, to a courtroom in Birmingham, England where he is an eyewitness to discrimination against People of Color, to Paris where he meets his French cousin who saved the lives of Jewish children during the German occupation, to three cities in the former Soviet Union, Moscow, Leningrad, and Kiev where he teaches and comforts refuseniks, to a federal penitentiary where he fights for justice for the Jewish inmates, to the Canadian cities of Winnipeg and Regina, where he witnesses the hardships of First Nations people and prepares a Cree girl for bat mitzvah, to Long Island where he leads his congregation through the horrors of 9/11 and seeks to combat Islamophobia, to America's Deep South and Washington, DC, where he co-leads an interfaith Civil Rights mission, and finally back to his former high school where he shares his insights with a new generation of young people. A Human Rights Odyssey is a heartwarming story of the spiritual growth of Isaac Levin through the decades. It speaks lovingly of the people who mentored him throughout his journey and the power of a lifelong interracial friendship. It is a plea for all of us to embrace the wonderful diversity of humanity, to treat all people equally, and to build an inclusive society.
