mamma mia monologue: The Playwright's Manifesto Paul Sirett, 2022-09-08 Shortlisted for the STR Theatre Book Prize 2023 A manifesto for the future of playwriting, this book challenges you to be a part of that future in the belief that it is fundamentally important to write plays. Plays help us understand ourselves, others, and the world around us. Reading this book, you will be challenged to learn your craft, explode what you know, prioritise what is important to you, and write in the way that only you can write. Most books on playwriting explain how to create a believable character in a story driven by plot. This book, however, goes even further in its exploration of the playwright's most valuable tool: theatricality. By learning from the past, and the present, the playwrights of tomorrow

can create new, vivid, theatrical drama for the future. This manifesto also examines the process of writing, the art of collaboration, and the impact of writing on a playwright's mental health. It identifies the highs and lows, as well as the trials and tribulations, of life as a playwright in today's world. Theatre is a living artform. It is time for playwrights to acknowledge that fact and to celebrate the unique, primal thrill that a live theatre experience offers us. The future of playwriting is in your hands. Do you accept the challenge?

mamma mia monologue: *Anne of Greenville* Mariko Tamaki, 2022-10-04 This is the story of how I became Anne of Greenville. It's also the story of how I found my true true, and how I needed to maybe come to Greenville, of all places, to make that happen. In this modern reimagining of Anne of Green Gables, Anne is an ABBA-loving singer/actor/writer of disco-operas, queer, Japanese-American who longs to be understood for her artistic genius. Recently relocated to middle-of-nowhere Greenville and starting at a new school, Anne has a tendency to A) fall in love quickly, deeply, and effervescently and B) fly off the handle in the face of jerks. Both personality quirks quickly come into play when the soccer team boos the premiere of her disco performance, which—in a roundabout way—introduces her to her new BFF, Berry, and she soon after meets the girl of her dreams, Gilly. Falling quickly into that age-old trap of ignoring the best friend for the new crush, Anne soon becomes embroiled in a series of dramatic and unfortunate events, and quickly finds herself wrapped up in a love triangle she never expected. Is she MTB with Gilly? Or is Berry her true soul mate? Only time (or 304 pages) will tell. In this coming-of-age novel by fan-favorite author Mariko Tamaki, see the classic tale in a whole new light. Refreshingly bold and unapologetically unique, *Anne of Greenville* will make you want to stand up and sing!

mamma mia monologue: *Marco Paolini* Cristina Perissinotto, 2023-03-27 Marco Paolini: *A Deep Map* breaks new ground in the field of Italian political theatre by outlining the unique approach of one of Italy's most celebrated playwrights, Marco Paolini, whose work has hitherto remained mostly inaccessible to English-speaking audiences. This book is the first substantial study of Paolini's corpus in English. Additionally, it offers an in-depth analysis of Paolini's unique methods by focusing on the recovery of collective cultural memory through theatre and in-depth historical and political context. Author Cristina Perissinotto engages critically with art and politics in Italy specifically but also considers implications and relevance on a global scale. Perissinotto's multidisciplinary approach simultaneously draws upon memory studies, history, and poetry. She demonstrates how Paolini's plays use techniques already in use to ancient Greek theatre, which called for the engagement of actors in political commentary from the stage, connecting them directly with the public on social and ethical issues.

mamma mia monologue: *Hysterical!* Linda Mizejewski, Victoria Sturtevant, 2017-12-06 Amy Schumer, Samantha Bee, Mindy Kaling, Melissa McCarthy, Tig Notaro, Leslie Jones, and a host of hilarious peers are killing it nightly on American stages and screens large and small, smashing the tired stereotype that women aren't funny. But today's funny women aren't a new phenomenon—they

have generations of hysterically funny foremothers. Fay Tincher's daredevil stunts, Mae West's lineabacker walk, Lucille Ball's manic slapstick, Carol Burnett's athletic pratfalls, Ellen DeGeneres's tomboy pranks, Whoopi Goldberg's sly twinkle, and Tina Fey's acerbic wit all paved the way for contemporary unruly women, whose comedy upends the norms and ideals of women's bodies and behaviors. *Hysterical! Women in American Comedy* delivers a lively survey of women comics from the stars of the silent cinema up through the multimedia presences of Tina Fey and Lena Dunham. This anthology of original essays includes contributions by the field's leading authorities, introducing a new framework for women's comedy that analyzes the implications of hysterical laughter and hysterically funny performances. Expanding on previous studies of comedians such as Mae West, Moms Mabley, and Margaret Cho, and offering the first scholarly work on comedy pioneers Mabel Normand, Fay Tincher, and Carol Burnett, the contributors explore such topics as racial/ethnic/sexual identity, celebrity, stardom, censorship, auteurism, cuteness, and postfeminism across multiple media. Situated within the main currents of gender and queer studies, as well as American studies and feminist media scholarship, *Hysterical!* masterfully demonstrates that hysteria—women acting out and acting up—is a provocative, empowering model for women's comedy.
