

behr premium advanced deckover color chart

Behr Premium Advanced DeckOver Color Chart is a crucial resource for homeowners and contractors looking to enhance the aesthetic appeal of outdoor spaces. With the right color selection, you can transform your deck, patio, or other outdoor surfaces into beautiful, inviting areas that complement your home's architecture and landscape. This article will explore the Behr Premium Advanced DeckOver product, its features, benefits, and a detailed look at its color chart options to help you make an informed decision.

What is Behr Premium Advanced DeckOver?

Behr Premium Advanced DeckOver is a unique coating designed to revitalize and protect worn or weathered wood and concrete surfaces. This heavy-duty product is ideal for decks, patios, and other outdoor spaces that endure the elements. The DeckOver formula not only provides a fresh, vibrant finish but also offers a durable and slip-resistant surface.

Key Features

- **Thick, Resilient Coating:** The advanced formula provides a thick coating that fills in cracks and imperfections on the surface.
- **Weather Resistance:** It protects against harsh weather conditions, including sun exposure, rain, and snow.
- **Slip Resistance:** The textured finish ensures a safe walking surface, reducing the risk of slips and falls.
- **Low Maintenance:** Once applied, the DeckOver surface requires minimal upkeep, making it perfect for busy homeowners.
- **Easy Application:** The product can be applied with a roller or brush, making it user-friendly for DIY projects.

Benefits of Using Behr Premium Advanced DeckOver

Using Behr Premium Advanced DeckOver offers several advantages for homeowners looking to refresh their outdoor spaces:

- **Aesthetic Appeal:** The wide range of colors available allows homeowners to customize their decks to suit their style.
- **Cost-Effective:** Instead of replacing old, worn-out decking, applying DeckOver is a cost-effective solution to rejuvenate outdoor surfaces.
- **Increased Property Value:** A well-maintained and visually appealing outdoor area can

enhance the overall value of your property.

- Environmentally Friendly: Behr takes pride in producing environmentally friendly products, making it a responsible choice for eco-conscious consumers.

Exploring the Behr Premium Advanced DeckOver Color Chart

One of the standout features of Behr Premium Advanced DeckOver is its extensive color chart. With numerous colors to choose from, you can find the perfect shade that resonates with your design vision. The following sections will provide an overview of some popular color categories within the DeckOver line.

Neutral Colors

Neutral colors are timeless and versatile, making them suitable for various architectural styles and outdoor settings. Some popular neutral options include:

- Graystone: A soft gray that pairs well with natural wood tones and greenery.
- Misty Blue: A subtle blue that adds a hint of color while maintaining a calming ambiance.
- Earthy Taupe: This warm taupe color complements rustic and traditional home designs.

Bold Colors

If you want to make a statement with your outdoor space, consider bold colors. These shades can add vibrancy and personality to your deck:

- Burgundy: A rich red that creates a dramatic and inviting atmosphere.
- Deep Ocean Blue: A deep blue that evokes the feeling of coastal living.
- Charcoal Gray: A modern and sophisticated choice that works well with contemporary homes.

Pastel Colors

Pastel colors offer a soft and inviting aesthetic, perfect for creating a relaxed outdoor environment. Some notable pastel options include:

- Pale Lavender: A delicate lavender that brings a touch of whimsy to any space.
- Soft Mint: A refreshing mint color that complements floral landscaping.
- Light Peach: A warm peach hue that adds a cheerful vibe to your outdoor setting.

Earthy Tones

Earthy tones are perfect for blending your outdoor space with nature. These colors can create a harmonious look with landscaping and natural elements:

- Olive Green: A muted green that reflects the beauty of nature.
- Rustic Brown: A deep brown that echoes the look of rich wood and earth.
- Terracotta: A warm, reddish-brown that adds warmth and character.

How to Choose the Right Color for Your Deck

Selecting the right color for your deck can be a daunting task, but following these steps can simplify the process:

1. Consider Your Home's Exterior: Choose a color that complements your home's siding, roof, and other architectural features.
2. Assess Your Landscape: Take into account the colors of your plants, flowers, and surrounding elements. Aim for a cohesive look that blends well with nature.
3. Think About Usage: Consider how you will use the space. If you entertain frequently, opt for a bold color to create a lively atmosphere.
4. Test Samples: Before making a final decision, purchase sample pots of your chosen colors and apply them to a small section of your deck. Observe how they look at different times of the day.

Application Tips for Behr Premium Advanced DeckOver

To ensure the best results when applying Behr Premium Advanced DeckOver, follow these application tips:

- Surface Preparation: Clean the surface thoroughly to remove dirt, debris, and any peeling paint. A pressure washer can be effective for this.
- Repair Damages: Fill in any cracks or holes with a suitable filler before application.
- Priming: If you are applying DeckOver on bare wood, a primer may be necessary for optimal adhesion.
- Application Conditions: Apply the product when the temperature is between 50°F and 90°F, and avoid applying it in direct sunlight.
- Multiple Coats: Depending on the color and surface condition, you may need to apply a second coat for even coverage.

Conclusion

Behr Premium Advanced DeckOver is an excellent choice for homeowners seeking to

revitalize their outdoor spaces. With its robust features, extensive color chart, and lasting durability, it provides an effective solution for enhancing the look and feel of decks, patios, and similar surfaces. By carefully selecting the right color and following proper application guidelines, you can create an inviting outdoor area that reflects your personal style and stands the test of time. Whether you prefer neutral shades, bold colors, or earthy tones, the Behr Premium Advanced DeckOver color chart offers something for everyone, making it easier than ever to bring your outdoor vision to life.

Frequently Asked Questions

What is Behr Premium Advanced DeckOver?

Behr Premium Advanced DeckOver is a thick, textured coating designed to refresh and protect wood and concrete surfaces, providing a slip-resistant finish.

Where can I find the Behr Premium Advanced DeckOver color chart?

The Behr Premium Advanced DeckOver color chart can be found on the Behr website or at local home improvement stores that carry Behr products.

How many colors are available in the Behr Premium Advanced DeckOver color chart?

The Behr Premium Advanced DeckOver color chart features a variety of colors, typically ranging from 30 to 50 shades, including neutral tones and vibrant colors.

Can I order Behr Premium Advanced DeckOver in custom colors?

Yes, Behr offers a custom color matching service, allowing you to create a unique color for your DeckOver project.

What surfaces can be applied with Behr Premium Advanced DeckOver?

Behr Premium Advanced DeckOver can be applied to properly prepared wood, composite, and concrete surfaces, making it versatile for decks and patios.

Is Behr Premium Advanced DeckOver suitable for high-traffic areas?

Yes, Behr Premium Advanced DeckOver is designed to withstand high traffic and is ideal for decks, porches, and other outdoor surfaces.

How do I choose the right color from the Behr Premium Advanced DeckOver color chart?

Consider the existing colors of your home and outdoor space, the amount of sunlight the area receives, and whether you want a bold or subtle look when choosing a color from the chart.

Are there any special maintenance requirements for surfaces coated with Behr Premium Advanced DeckOver?

Yes, it is recommended to regularly clean the surface with a mild detergent and water, and to inspect for wear or damage to maintain the finish and appearance.
