bernat free knitting patterns: **Knitted Moccasin Bootie Slippers for Children - With How-to VIDEO!** Janis Frank, 2023-06-07 This pattern is written to fit nearly all child sized feet. This particular pattern will fit a foot that is 4 inches (10 cm) up to 8 3/4 inches (22 cm) in length. That is a toddler size 1 up to a nearly adult size 5, in US sizing. Please note, this isn't a pattern for beginners, but if you know how to knit a stitch, pick up stitches and knit two stitches together, you should be okay. I've added a TON of photos and a how-to video to help you along with any of the more confusing parts. And please take note, you use 2 (two) sets of single point needles to make this. Because these are made for little feet, they often don't need much yarn and are quick to make. This makes them a great way to use up the smaller leftover bits from larger projects.

bernat free knitting patterns: Minimalist Round Toe Slippers Janis Frank, 2023-01-25 This is the more simplified version of my very popular Moccasin Slippers with a Cuff. I wanted to design a pattern that was still very minimalistic but didn't require any special techniques or multiple needles. This is what I came up with. The pattern is knitted on one set of single pointed, size 4 mm (US 6) needles. The pattern itself only involves the knit stitch, k2tog and picking up stitches. Easy peasy! For real. And if it's not, I've included a TON of photos to help you along. The purchase of this pattern allows you to make and sell the slippers, but you may not redistribute or resell this pattern.
