hilton sutton: **God-Man And It Just Had to Be** Dr. Tony G. Minyard, 2024-04-30 This book took some great thought to write, but And It Just Had to Be! is paramount to everything that Christianity stands for. The work of Jesus Christ, His death and resurrection, is crucial to our faith. The key factor is the oneness of Christ in us. This book highlights the factor of what Christ really did for us to appease the wrath of God. The choice is freewill. The truth is we have been translated from darkness to light. We are all sinners saved by the grace of God, but we have to accept this gift to have eternal life. However, if you reject this gift, then the wrath of God is on you, my friend. There were elements that were very personal that happened during my rebellious years in unbelief, and it happens to many people. It's sad, but it does, right? Trust me, learn from my mistakes; please repent really quick. You don't know what the price is. I talk about surrender being the first step to accepting Jesus as Lord and Savior. Salvation is a onetime event if it's genuine, but throughout your life, it's an everyday deal, the real one. Sometimes we ride the fence and think everything is A-OK, but it's not. Please have intimacy with God. He loves us very much. The Christian life ends when we're at the Judgment Seat of Christ. I hope no one appears at the Great White Throne Judgment. I covered many topics in this book to illustrate biblical concepts for you to grasp the truth. This is very serious stuff in the eyes of God. The purpose of this book is for you to make the right choice--repent or not. Remember, God believes in you. You might be in that rebellious life, but just surrender back to God.

hilton sutton: *Winning Against the Enemy* Marilyn Hickey, 2024-07-01 God has given you the power to win! Marilyn Hickey has lived a life full of miracles. She has experienced healing and deliverance in her life and in the lives of countless others to whom she has ministered. She has faced obstacles that seemed hopeless and failures that seemed impossible to overcome. But Marilyn stood in faith each time, and the Lord brought her through! God has that same victory for you today. Maybe you think that God only does miracles in the lives of certain people (but not you) or certain

places (far away from you). That's simply not true. Winning Against the Enemy will give you the hope and practical steps you need to win against the enemy of your soul. You will discover how to win against the spiritual attacks that come against you and learn to be "confident of this very thing, that He who has begun a good work in you will complete it until the day of Jesus Christ" (Philippians 1:6 NKJV). The Lord has a victorious and supernatural path for you to walk. Begin today!

hilton sutton: Gazing Into Glory Bruce D Allen, 2011-04-19 Gazing Into Glory reveals the Lord's intent for spiritual manifestations to become your normal Christian experience. This book rests on solid biblical support and is built on modern-day, real-life supernatural experiences. You too will discover the true essence of the glory of God. There has been a growing hunger and passion in the hearts of God's people-- birthed by the Holy Spirit-- to more fully walk in the spirit and access in a more specific way all that the Word indicates is yours. You are encouraged to use Gazing Into Glory as a roadmap as you journey into the lifestyle and mindset that God destined for you to enjoy. By expounding upon the power and benefits of the Glory of God, the scriptural manifestations of God's glory become more than parables-- they embrace you. Walking in the supernatural is not promised only to a select mystical few. The experience belongs to all believers who choose to pursue the promises of God for themselves--it belongs to you.
