alaska milepost 2022: The MILEPOST 2022 Serine Marie Reeves, 2022-03 The MILEPOST is the best-selling travel guide to Alaska and a quintessential reference for northern travelers. The MILEPOST includes mile-by-mile descriptions of more than 15,000 miles of road in Alaska, Yukon, Northwest Territories, British Columbia and Alberta. Its 600-plus pages detail accommodations, camping, fishing, gas stops, restaurants, attractions and services found along the highways and byways of Alaska and western Canada. The guide's Travel Planning section answers frequently-asked questions about travel in the North, including what you need to know about crossing the international border, traveling with pets, the Alaska ferry system, driving conditions, railroads, tours and wildlife. Suggested itineraries are mapped out to help travelers plan their trips. The 2022 edition of The MILEPOST(R) is the 74th edition of this classic annual travel guide, which was first published in 1949 as a 72-page guide to the recently opened Alaska (Alcan) Highway. While the log of the Alaska Highway is still the foundation of this guide, it has been joined by dozens of connecting routes as well as newer roads, such as the Dalton Highway, the Dempster Highway and the recently opened road to Tuktoyaktuk. All highway logs, which are updated every year by field editors, include a look at the history of the route and often the natural history of the region. The Alaska Highway section includes a brief history of the Alaska Highway that is a poignant reminder of the scale of this project. The Alaska Highway was named an International Historical Engineering landmark in 1996. The MILEPOST(R) has more than 100 city and highway maps; the wildly popular Plan-A-Trip Map; more than 600 photos; and numerous sidebar features of special interest. Print book buyers have free access to a digital edition.

alaska milepost 2022: Alaska Traveler Dana Stabenow, 2022-10-27 Dana Stabenow was born in Alaska before Statehood, grew up on and around fishing boats, and worked for an air taxi service, a cannery, and later, on the oilfields of the North Slope. Today, she's an Edgar Award-winning mystery writer with over 25 Alaska-based novels to her credit. Stabenow knows Alaska. Writing for Alaska Magazine, she revisits old haunts and explores new ones to capture the vital pioneering spirit of her home state. alaska milepost 2022: America's Greatest Road Trip! Tom Cotter, 2023-09-19 Ride along with author Tom Cotter and photographer Michael Alan Ross as they pilot their Ford Bronco/Airstream Basecamp combination 8,881 miles along the lower 48's back roads and byways. Tom Cotter has spent decades ferreting out lost "barn find" collector cars. The process has made him an ardent road tripper, logging thousands of miles every year on America's back roads. Previous journeys have traced Route 66 in his 1939 Ford Woody wagon and followed the Lincoln highway coast to coast behind the wheel of a 1926 Model T. Cotter's journeys led him to wonder: What could be the most epic American road trip? The answer: Key West, Florida, to Deadhorse, Alaska, its thousands of miles recounted in America's Greatest Road Trip. Cotter and Ross drove across the country, through British Columbia and the Yukon, and finally through Alaska to the literal end of the road. Ross documented their road time in thousands of photographs. Along the way, the pair met fellow road trippers, adventurers, small-town Americans, world travelers, and rolled through an ever-changing geography from the Gulf of Mexico to the Mississippi Delta to the Great Plains and Mountain states through the Northwest Passage and finally several hundred miles of Alaska's challenging ALCAN Highway. Cotter's observations of Two-Lane America are complemented by Ross's beautiful photography capturing both the sweep and the detail of life off the beaten path. Join them on their once-in-a-lifetime journey—you'll be glad you came along for the ride.
