bishop pernell: African-American Holiness Pentecostal Movement Sherry S. DuPree, 2013-09-13 First Published in 1996. Those of us who aspire to know about the black church in the African-American experience are never satisfied. We know so much more about the Christian and church life of black Americans than we did even a dozen years ago, but all the recent discoveries whet our insatiable appetites to know it all. That goal will never be attained, of course, but there do remain many conquerable worlds. Sherry Sherrod DuPree set her mind to conquering one of those worlds. She has persisted, with the results detailed here. A huge number of items are available to inform us about Holiness, Pentecostal, and Charismatic congregations and organizations in the African-American Christian community.

bishop pernell: Seven IV—Creator Cynthia Denise Robinson, 2017-03-29 Seven IV—Creator is the fourth printed work in a series called Seven. It is a collection of continuous writings inspired by God and his Word—the Bible. The book is a fiction novel, with seven chapters, that are part of a flow of a continuing storyline. In the most unique way, the book's narratives give readers a good look at the uniqueness of the Christian faith. Cynthia Denise demonstrates in her creative writing how the power from on high provides the means for us to accomplish everything we are chosen to do.

bishop pernell: Divine Love Cynthia Denise Robinson, 2023-05-18 Bishop Ted Pernell is the main character in the book. Aquila, the bishop's secretary, had asked him to take on an old friend (Dr. Keith Dobson) of hers to receive biblical counseling. Dr. Dobson, the man requesting advice, is a chief executive officer, the highest-ranking person of the largest healthcare institution in Florida. The doctor and CEO's son, Jason, was angry at his sister, Nya. Jason had an issue with Greg, the brother of Caleb, the young man Nya is dating. The feelings of desperation and unhappiness had made Jason drink more than he normally would. Meanwhile, the bishop had his own share of concerns. He and his lovely wife Karia Anna really wanted to have children. In time, God told Karia Anna she would have a son, and she trusted God. One night, after a movie and dinner, Ted Pernell was helping her load the dishwasher when, suddenly, God reminded him of a note that more than a week ago, an elderly lady, Ms. Taylor slipped into his suit pocket after church. Bishop Pernell quickly finished loading the dishes and immediately went into his bedroom and then into his clothes closet. He retrieved the handwritten letter from Ms. Taylor, and it read: "I had a dream last night. I dreamed I was sitting watching a relay race. The transfer team had three strong long-distance runners, and you were leading this team. This is a spiritual race, not a short race, not for sprinters; it is a test of endurance . . . The next runner was the young deacon, Caleb, the Lord says he will be a great prophet. Next, he will pass the baton to your biological son. You are to name him Gath . . ." Bishop Pernell reread the letter several times. The extraordinary prophecy took a while to sink in.
