listen to chuck swindoll sermons: *Power in the Pulpit* Jerry Vines, James L. Shaddix, 1999-06-10 The call to preach is just that- a call to preach. The call to preach, however, is more than just preaching. The call to preach is a call to prepare. Too many pastors have refrained from preparation while they await the Holy Spirit to do all of the work. God expects preachers to prepare sermons as much as possible and allow Him to prepare the preachers. Join Dr. Jerry Vines and Dr. Jim Shaddix as they achieve a balanced approach to teaching sermon preparation in *Power in the Pulpit*. This book combines the essential perspectives of a pastor of forty years with another pastor who also devotes daily time to training pastors in the context of theological education. Thus, *Power in the Pulpit* is a practical preaching help from a pastoral perspective in the tradition where expository preaching is a paramount and frequent event in the life of the local church. *Power in the Pulpit* is the combined work of Dr. Vines's two earlier publications on preaching: *A Practical Guide to Sermon Preparation* (Moody Press, 1985) and *A Guide to Effective Sermon Delivery* (Moody Press, 1986). Dr. Shaddix carefully organizes and supplements the material to offer this useful resource which closes the gap between classroom theory and what a pastor experiences in his weekly sermon

preparation.

listen to chuck swindoll sermons: Unlocked Grant Ralston, Ryan Ralston, 2021-02-24 *Unlocked* has been written to assist young Christians navigate the difficulties of finding and following God's will for their lives. Unfortunately, in contemporary American Christianity, there is a lot of misinformation concerning this important subject, and we aim to provide a biblical perspective on this issue. In short, this book argues that God's will is more like a journey than just a single destination. It's not something that we will hopefully obtain in the future; it's something that we can accomplish right now! We strongly emphasize that God has most expressly revealed his will in the Bible. Too often, we neglect this divine revelation to our detriment. We must realign our priorities by focusing, first and foremost, on what God has already said about his desires for our life before we ask the hard questions about particular careers or potential spouses. Inevitably, every Christian will encounter various problems along this journey, such as insecurity, fear, and doubt. God has provided powerful solutions to these hindrances in the Scriptures, and we strived to unpack this biblical teaching in a helpful way. *Unlocked* will fill you with a greater desire to accomplish God's will for your life and equip you to better handle the challenges that will arise along this journey.
