nisargadatta maharaj i am that pdf: Nisargadatta Maharaj Gabriele Ebert, 2025-05-30 Nisargadatta Maharaj (1897-1981) was an advaitic sage. He lived with his family in Bombay and

owned a cigarette store. After meeting his guru Siddharameshwar Maharaj, he realized the Self by devoting himself to the basic experience of being, the feeling 'I am', as his master had taught him. As a result, many people came to him with their spiritual questions. Maurice Frydman's book 'I Am That', an extensive collection of his conversations, also made him famous in the West. In addition to biographical details, the book provides an introduction to his teachings, which are similar in content to those of Ramana Maharshi. However, his way of teaching differed considerably, as he challenged his disciples in dialogue in order to bring them closer to his experience.

nisargadatta maharaj i am that pdf: Securitisation in the Non-West Simon Mabon, Saloni Kapur, 2018-08-30 The concept of securitisation has gained increasing prominence in the past decade. Initially developed in Copenhagen, the term has been used to describe the broadening of the security agenda and the framing of particular issues as existential threats across the world. In spite of this prominence, very little work has been undertaken that questions the extent to which the concept can be applied beyond the Western world. This volume engages with these questions, providing a theoretical overview of issues with using the concept beyond the West, along with empirical papers looking at its use in a number of different contexts. The chapters in this book were originally published as a special issue of Global Discourse.

nisargadatta maharaj i am that pdf: I Am that Maharaj Nisargadatta, 2012 This collection of the timeless teachings of one of the greatest sages of India, Sri Nisargadatta Maharaj, is a testament to the uniqueness of the seer's life and work and is regarded by many as a modern spiritual classic. *I Am That* (first published in 1973) continues to draw new audiences and to enlighten seekers anxious for self-realization. Sri Nisargadatta Maharaj was a teacher who did not propound any ideology or religion, but gently unwrapped the mystery of the self. His message was simple, direct, and sublime. *I Am That* preserves his dialogs with the followers who came from around the world seeking guidance in destroying false identities. The sage's sole concern was with the human suffering and the ending of suffering. It was his mission to guide the individual to an understanding of his true nature and the timelessness of being. He taught that the mind must recognize and penetrate its own state of being--not being this or that, here or there, then or now, but just timeless being. A simple man, Maharaj was a householder and petty storekeeper in Bombay where he lived and died in 1981 at the age of 84. He had not been educated formally but came to be respected and loved for his insights into the crux of human pain and for the extraordinary lucidity of his direct disclosure. Hundreds of diverse seekers traveled the globe and sought him out in his unpretentious home in Bombay (now Mumbai) to hear him. To all of them, he gave hope that beyond the real experience is not the mind, but the self, the light in which everything appears ... the awareness in which everything happens. In the humble abode of Sri Nisargadatta Maharaj, but for the electric lights and the noises of the street traffic, one would not know in which period of human history one dwells.
