Understanding the Guitar Tab System

Before delving into the actual **Greensleeves guitar tab**, it is essential to understand how guitar tabs work. Guitar tablature is a visual representation of the guitar neck, showing where to place your fingers on the strings. Here are some key components of guitar tabs:

- **Lines:** The six horizontal lines represent the six strings of the guitar, with the bottom line being the lowest string (E) and the top line the highest (E).
- **Numbers:** The numbers indicate which fret to press down on a particular string. For example, a "0" means open string, while a "1" means the first fret.
- **Order:** The numbers are read from left to right, just like reading text. Play the notes in the order they appear.

Understanding these basics will help you follow the **Greensleeves guitar tab** more effectively.
