john persons cartoons: **The Book of Raphael's Cartoons** Richard Cattermole, 1845

john persons cartoons: **Artist of Wonderland** Frankie Morris, 2023-01-01 Best known today as the illustrator of Lewis Carroll's Alice books, John Tenniel was one of the Victorian era's chief political cartoonists. This extensively illustrated book is the first to draw almost exclusively on primary sources in family collections, public archives and other depositories. Frankie Morris examines Tenniel's life and work, producing a book that is not only a definitive resource for scholars and collectors but one that can be easily enjoyed by everyone interested in Victorian life and art, social history, journalism and political cartoon, and illustrated books. From his sunny childhood and early enthusiasm for sports, theatre and medievalism to his flirtation with high art and fifty-year relationship with the London journal Punch, Tenniel is shown to have been the sociable and urbane humourist revealed in his drawings. There follow three parts on Tenniel's work, in which Morris examines Tenniel's methods and his earlier book illustrations, the Alice pictures, and the Punch cartoons. She addresses such little-understood subjects as Tenniel's drawings on wood, his relationship with Lewis Carroll, and his controversial Irish cartoons, and examines the salient characteristics of his approximately 4,500 drawings for books and journals. The definitive study of both the man and the work, *Artist of Wonderland* gives an unprecedented view of the cartoonist who mythologised the world for generations of Britons.

john persons cartoons: *The Cartoons of Evansville's Karl Kae Knecht: Half a Century of Artistic Activism* James Lachlan MacLeod, 2017-02-27 Karl Kae Knecht's name is synonymous with the city of Evansville. As editorial cartoonist for the Evansville Courier, he amused readers and spurred them to a higher social good. He mocked the Axis powers and kept local morale high during World War II and commented daily on issues from the Great Depression to the Space Race. He also worked tirelessly as a civic booster. Knecht helped establish Evansville College and was almost single-handedly responsible for the establishment of Mesker Park Zoo. In this absorbing account, illustrated with over seventy cartoons, University of Evansville historian James Lachlan MacLeod tells the fascinating story of Knecht's life and analyzes his cartooning genius.
