lalitha sahasranamam in telugu pdf: Sri Lalitha Sahasranamam-A Brief Overview M.

Venkataraman, 2021-04-03 The Lalitha Sahasranamam is one of the important and famous hymn in the Hindu way of life. It is a hymn in praise of Lalitha Tripurasundari also called as Lalithambika. According to the Vedas, God is one without a second. Everything in this Universe is nothing but this divinity. Ordinarily, this abstract doctrine cannot easily be comprehensible to all. Most of the Hindu Puranas therefore present God in various forms including that of a human being so that this idea can be easily assimilated and adored. Lalitha Tripurasundari is one of the finest product of this line of thinking. The Lalitha Sahasranamam occurs in the Brahmanda Purana. It is a hymn that describes the 1000 various names of Sri Lalitha Tripurasundari as the Divine Mother. While doing so, the hymn provides a beautiful mix of poetry, romance, religion and philosophy. The Lalitha doctrine explains Goddess Lalitha as Chidswarupini and Anandarupini namely pure consciousness and blissful consciousness respectively. Human beings can remain cheerful in the world, like children playing by the side of their mother. Living exemplary lives, they finally find eternal rest on the lap of the Divine Mother. Read and get the blessings of the Almighty Goddess. I have also prepared and narrated an audio book on this. I have recited the entire Sahasranamam which is available as a separate audio book. They are available with audio booksellers.

lalitha sahasranamam in telugu pdf: Sree Lalita Sahasranama Ramamurthy Natarajan,

2013-10-19 There are lot many books on Lalitā Sahasranāma in English. This is not just one more. The best feature of this book is that every name is compared with the corresponding meanings/

analogies in 20+ Upanishads, various mantras, Brahma Sūtram, Devee Bhāgavatam, Mahā Shodanyāsam, Nitya Shodashikārnāvam, different Sūtras, Shiva and other Purānas, Soundaryalaharee, Sree Lalitā Trisatee, Sree Lalitopākyānam, Sree Varivasyā Rahasyam, Sreemad Bhagavad Geeta, Sree Vidyasaparyapaddhati, Sruti, Smrutis, Vishnu Sahasranāma and what not? For instance 712th name Ē has explanations/ references running for 5 pages and the irony is that the smallest name and has got the longest explanation. The forty verses called Paribhāsha stotras is a self-contained research paper on Lalitā Sahasranāma. It is perfect allegory. At the outset the surface meaning of these verses is as praising and bowing Sree Devee. But the deep inner meaning is that, it explains the structure of all the thousand names - the starting letter of every name, etc. It is a delight to read these verses. This book does not intend scholarly readers, but expects a very common audience. Hence while transliterating the Samskrit words in English, the international convention of diacritical markings have not been followed in its entirety, but still followed in an easy way of reading. The names are written in Devanāgarī also to make the reading easy for those who can read Samskrit. Om Tat Sat
