By including chapters that address a diverse range of men's experiences and needs, it offers an accessible format for the reader to learn about the experiences of underrepresented groups of men across the world and how this knowledge can shape practice, policy, and future research. The Routledge Handbook of Men's Victimization in Intimate Relationships will be of great use to postgraduate students (including training psychologists, psychiatrists, medics, barristers/attorneys, social workers, probation officers, doctors, and nurses); academics, researchers, and professionals working in areas of family violence law, practice, policy and service provision.

**relationship workbook for couples pdf:** Getting the Love You Want Workbook Harville Hendrix, Helen LaKelly Hunt, 2007-11-01 This newly revised and updated companion study guide to the 2019 edition of the New York Times bestseller Getting the Love You Want. In 1988, Harville Hendrix, in partnership with his wife, Helen LaKelly Hunt, published a terrifically successful relationship guide called Getting the Love You Want. The book introduced thousands to their Imago Relationship Therapy, a unique healing process for couples, prospective couples, and parents, and developed into an overnight sensation. For their part, Doctors Hendrix and Hunt managed to aid scores of couples in their plight for more loving, supportive, and deeply satisfying relationships. Now, more than a decade later, this companion book picks up where its predecessor left off, delving further into relationship therapy to help transform relationships into lasting sources of love and companionship. The Getting the Love You Want Workbook is designed for the hundreds of thousands of couples who have attended Imago workshops since Getting the Love You Want hit bookstands, as well as new and curious ones seeking a practical route back to intimacy and passionate friendship. The workbook contains a unique twelve-week course (The New Couples' Study Guide) designed to help work through the exercises published in Part III of Getting the Love You Want. For those of us struggling to maintain our most precious relationships, the Getting the Love You Want Workbook

helps us grow aware of our individual, unconscious agenda while steering us towards a more harmonious link with our loved ones that will satisfy our deepest needs.
