benny hinn holy spirit: The Holy Spirit Friendship Manual Pius Joseph, 2019-06-30 The Holy Spirit, a great personality with presence in the life of every believer. Full of power and glory, an ever abiding friend. The words Holy Spirit, Holy Spirit baptism, Holy Ghost, et cetera are words that have earned a reputation among the body of Christ as being popular. The name Holy Spirit is everywhere on our lips. Even a 10-year-old can tell you something about the Holy Spirit. This popular personality is no stranger to many of us. Some of us have read Holy Spirit books, we have dug some deeper information on Holy Ghost books, we have had Holy Spirit baptism experience, yet we have not learned one very important thing – how to make the Holy Spirit our friend. We have known the Holy Spirit as mentioned in several preaching and sermons. But it is however sad that our knowledge has not translated into concrete friendship with the third person of the Trinity, the Holy Spirit. He is everywhere around us and he longs for our friendship. But the problem has always been with the believer who does not know how to make this third person of the Trinity, the Holy Ghost a good friend. Friends, it doesn't matter how long you have been saved. It only matters how much you have made the Holy Spirit your friend. The Bible tells us that the Holy Spirit is forever going to be present with us from the day we submitted ourselves to the Lordship of Jesus Christ and even to eternity. The Holy Spirit is going to be present from the day we were saved and he is also going to be present throughout our life in eternity. It bothers me how we take our time to study in the college for four years or even five years depending on your chosen field. However, the third person of the Trinity, the Holy Ghost who will forever abide with us we do not know how to make him a good friend. It is with such a burden that I write this book to you and it will help you in developing a solid friendship with the Holy Spirit. All through the Bible, believers who have been able to develop a friendship with the Holy Spirit, wielded enormous power of the spirit of God and their generation was never the same. I urge you to read this book with an open mind and when the spirit of God prompts you to drop it for a short prayer, please do as the occasion serves you. I await your testimony after reading this book: "On How the Holy Ghost Became Your Friend."
