conviction the untold story of putting jodi arias behind bars: Conviction Juan Martinez, 2024-03-19 From the lawyer who put the woman who killed her ex-boyfriend in cold blood behind bars, an insider look at the courtroom drama that gripped the country. Juan Martinez, the fiery

prosecuting attorney who convicted notorious murderess Jodi Arias for the killing of Travis Alexander, speaks for the first time about the investigation and trial that captivated the nation. Through two trials, America watched as Juan Martinez fought relentlessly to convict Jodi Arias of Murder One for viciously stabbing her ex-boyfriend Travis Alexander to death. What emerged was a stunning story wrought with sex, manipulation, and deceit. Arias changed her story continually as her bizarre behavior surrounding the crime and its aftermath came to light. Unwavering, Arias and her defense team continued to play off the salacious details of the case, until she was finally found guilty and—controversially—sentenced to life behind bars. Now prosecutor Juan Martinez explores key facts from the case and the pieces of evidence he kept close to the vest. Throughout the trials, his bullish and unfaltering prosecution strategy was both commended and criticized, and Martinez illuminates the unique tactics he utilized and how they led to a successful conviction, and—for the first time—discusses how he felt losing the death penalty sentence. Going beyond the news reports, Martinez explores the multiple facades of Jodi Arias. Sparring with her from across the stand, Martinez came to know Arias like no one else could, dissecting what it took for a seemingly normal girl to become a deluded and unrepentant killer. Complete with 16 pages of photos from the case and trial, *Conviction* is the definitive account of the case that shocked America

conviction the untold story of putting jodi arias behind bars: Killer Jodi Arias Andrea Pender, 2018-03-14 Society can rest easy knowing that a murderer is safely behind bars for life. It is difficult to pinpoint the exact reason why seemingly innocent people become murderers, but one thing is for certain: a messy relationship can lead to a messy death. Jodi Ann Arias was convicted by a jury for murdering her ex-boyfriend Travis Alexander. The murder was committed at his home in Arizona in 2008. After breaking up with Arias, he told his friends not to be surprised if one of these Sundays, I don't show up and you find me dead someplace. But what really happened that night to make a seemingly sweet and beautiful woman like Jodi Arias snap in such a brutal manner?

conviction the untold story of putting jodi arias behind bars: Summary of Juan Martinez's Conviction Everest Media,, 2022-04-25T22:59:00Z Please note: This is a companion version & not the original book. Sample Book Insights: #1 I was assigned to the Homicide Bureau of the Maricopa County Attorney's Office in Phoenix, Arizona, in October 1996. I had been on call for twenty-four hours after receiving a phone call from Sergeant Dana McBride, a supervisor with the Mesa Police Department, about a homicide. #2 I walked through the house, covering my shoes with protective booties, and noted how orderly everything was. There were no signs of trouble. The only out-of-place item was a steam vacuum cleaner that had been left standing in the middle of the living room floor. #3 The bedroom had a king-size bed, and was neat and organized. There was a large amount of blood on the carpet, and detectives were processing the bed area. #4 The orderliness of the closet contrasted with the chaos of the bathroom, and I saw a sink streaked with blood. The blood covered the faucets and was splattered on the mirror. It was clear that Travis had been stabbed in the chest, throat, and temple.

conviction the untold story of putting jodi arias behind bars: Exposed Jane Velez-Mitchell, 2013-08-20 "Velez-Mitchell cracks the Jodi Arias code—peeling away the lies to reveal the disturbing truth behind this horrific crime of betrayal, deceit, and revenge." —Jim Moret, chief correspondent, Inside Edition On June 9, 2008, the butchered body of Travis Alexander was found in his Mesa, Arizona home. The grisly nature of his death made instant headlines: with twenty-nine knife wounds, his throat slit, and a gunshot to the head, Travis was left to die. The prime suspect in the case was Alexander's ex-girlfriend, the attractive and soft-spoken Jodi Arias. Though Arias initially said that

she was nowhere near the scene of the crime, her lies evolved multiple times before finally resting on an appalling claim: she had killed Travis in self-defense. Along the way, startling details emerged about the Mormon couple's relationship, and soon graphic stories of their lurid sexual encounters and jealousy-driven blowouts revealed a dark side to their life together. Now, award-winning broadcast journalist and bestselling author Jane Velez-Mitchell, a veteran of some of the most storied court cases in recent memory, goes behind the scenes of the trial and into the mind of a killer. Separating fact from fiction, she reports on the bizarre and explicit stories that have both shocked and fascinated the American public—from Jodi's romantic history before meeting Travis, to their torrid sex life together, to the complicated role their Mormon faith played in the relationship's demise. Complete with photos from the case and Jane Velez-Mitchell's fresh insights on the crime, *Exposed* takes readers behind closed bedroom doors to uncover the truth behind the secret and sordid life of Jodi Arias.

conviction the untold story of putting jodi arias behind bars: *Behind the Words* Kim Whittemore, 2015-04-18 When Jodi Arias brutally slaughtered her ex-boyfriend, Travis Alexander, in June, 2008, the story began. Most aspects of this case have been covered -- whether it was the pieced together description of their relationship or the psychology of a killer. What more is there to say? Well, as it turns out, there's plenty more to say. This book begins on the day that Jodi Arias took the witness stand in her own defense. It will begin with her attorney saying, Hi, Jodi, and it will end at the close of court on the fourth day of her direct examination. At that point, she was accusing her victim of being a physical abuser and a pedophile. While there was nothing to corroborate either accusation, Arias paints a detailed storyline filled with plot holes and laughable explanations. This book takes the testimony and pulls it apart -- line by line. With the application of logic and satire, Arias is exposed as the pathological liar she is. If you ever categorized her as a great liar, your opinion of her lying capabilities will be forever altered at the conclusion of this book. She is a terrible liar, and at times, it is hard not to laugh at what she's trying to sell. Her story, when examined under the light of probability and human nature, sounds like something a child would concoct. Volume II will be forthcoming. That book will cover days 5 - 8 of her direct examination, and the longer she talks, the more absurd it becomes. If you want to see Arias finally get the treatment she so richly deserves, this book is for you.

conviction the untold story of putting jodi arias behind bars: *Descent Into Darkness* Analytical Media LLC, 2023-07-22 In 2008, Jodi Arias murdered Travis Alexander. The investigation, Jodi's arrest and the following convoluted trial, drew international attention. The airways blew up. Girlfriend kills boyfriend, is not exactly big news. Regrettably, it happens almost every day. The public's interest in Jodi was unheralded. Every news show, every talk show, every blog, reported on her case and they did so every day. The daily news-talk shows went into great depth, with crime reporters and panel discussions with experts and supposed experts. This went on, day in and out, and the coverage lasted for months. Jodi starred in several hour-long interview programs, where she went to great dramatic lengths, to proclaim her innocence. She told us that she wasn't even in Arizona when Travis was murdered and God knew who the real killers were and he knew she was innocent. Later, she said she was there, at the murder scene, and barely escaped from the real killers. Even later, she admitted that she did kill Travis, stabbed him 27 times, shot him in the head and cut his throat but it was in self-defense. Something was very odd about this case and the public knew it. It wasn't the murder. It was the murderer. Their interest was in Jodi. Her odd behavior, her demeanor, her manner of speech, her incessant lying, and much more. She shot him in the head, stabbed him 27 times and then cut his throat from ear to ear. He was fully conscious, on hands and knees, slowly crawling away from Jodi, when she cut his throat. She had always denied cutting his throat. She just couldn't remember because a fog clouded her mind. On the day of her sentencing, in the courtroom, the fog lifted. Her memory suddenly returned. She proclaimed to the judge, Travis was fully conscious when I slit his throat. How could she be so heartless and cruel, and say those words to his surviving family members that filled the court room? Why did she brag about it in court? What kind of person could do that? What kind of person is she? The explanations to those questions, and 100's more, are found within the pages of this book. The murder, the investigation and the trial, are presented in extensive detail. Relevant psychological theories are discussed with an emphasis on psychopathology. Written by clinicians, well-published, peer-reviewed researchers, and experts on psychopathology. This book is published under the umbrella of Analytical Media, so as to protect the authors from a repeat of the harassment and death threats, previously received from Jodi Arias fans. Anyone familiar with this case has been left with many unanswered questions. This book will provide you those answers.

conviction the untold story of putting jodi arias behind bars: Jodi Arias Paul Dawson, 2015-06-24 JODI ARIAS: PSYCHOLOGICAL DIAGNOSIS by Dr. Paul Dawson (JODI ARIAS is the new edition of JODI ARIAS CONFIDENTIAL & JODI ARIAS DIAGNOSED) reveals exciting new insights and analysis of the Jodi Arias murder case. Based on his background as a forensic-clinical psychologist he exposes the underside of Jodi's personality and presents an in-depth, riveting, and fascinating psychological assessment. Jodi Arias was obsessed and stalked Travis Alexander and viciously murdered him. Dr. Dawson explores and scrutinizes the Jodi Arias & Travis Alexander train-wreck relationship which spiraled down out-of-control, smashed personal boundaries and crashed in an orgy of bloody murder. A balanced approach is taken: Was Jodi simply evil personified or sin incarnate - a sexy blonde bombshell, a sugar-coated Fatal Attraction psycho? Was Travis really a saintly martyr with a halo glowing over him? What was behind Alexander's image as a handsome, successful, devout Mormon? Dr. Dawson avoids the over-simplified black-and-white analysis in books or stories of the Arias-romantic saga to get to deeper angles and sheds light on this dark side, sordid, twisted-murder mystery. The psychological nuances and shades of grey of Jodi's secret life are inspected, surveyed, and assessed resulting in a fresh psychological evaluation and diagnosis of Jodi Arias. Includes extensive photos. A must read for true-crime buffs or for those desiring a deeper look at the Jodi Arias murder case. Dr. Dawson earned a Ph.D. in psychology from The New School for Social Research, Graduate Faculty, New York City.
