hairspray the musical script: *Mr. Know-It-All* John Waters, 2019-05-21 No one knows more about everything—especially everything rude, clever, and offensively compelling—than John Waters. The man in the pencil-thin mustache, auteur of the transgressive movie classics *Pink Flamingos*, *Polyester*, *Hairspray*, *Cry-Baby*, and *A Dirty Shame*, is one of the world's great sophisticates, and in *Mr. Know-It-All* he serves it up raw: how to fail upward in Hollywood; how to develop musical taste,

from Nervous Norvus to Maria Callas; how to build a home so ugly and trendy that no one but you would dare live in it; more important, how to tell someone you love them without emotional risk; and yes, how to cheat death itself. Through it all, Waters swears by one undeniable truth: "Whatever you might have heard, there is absolutely no downside to being famous. None at all." Studded with cameos, from Divine and Mink Stole to Johnny Depp, Kathleen Turner, Patricia Hearst, and Tracey Ullman, and illustrated with unseen photos from the author's personal collection, *Mr. Know-It-All* is Waters' most hypnotically readable, upsetting, revelatory book—another instant Waters classic. "Waters doesn't kowtow to the received wisdom, he flips it the bird . . . [Waters] has the ability to show humanity at its most ridiculous and make that funny rather than repellent." —Jonathan Yardley, *The Washington Post* "Carsick becomes a portrait not just of America's desolate freeway nodes—though they're brilliantly evoked—but of American fame itself." —Lawrence Osborne, *The New York Times Book Review*

hairspray the musical script: The Complete Book of 2000s Broadway Musicals Dan Dietz, 2017-04-06 In the first decade of the twenty-first century, Broadway was notable for old-fashioned,

feel-good shows (*Hairspray*, *Jersey Boys*), a number of family-friendly musicals (*Little Women*, *Mary Poppins*), plenty of revivals (*Follies*, *Oklahoma!*, *Wonderful Town*), a couple of off-the-wall hits (*Avenue Q*, *Urinetown*), several gargantuan flops (*Dance of the Vampires*, *Lestat*), and a few serious productions that garnered critical acclaim (*The Light in the Piazza*, *Next to Normal*). Unlike earlier decades which were dominated by specific composers, by a new form of musical theatre, or by numerous British imports, the decade is perhaps most notable for the rise of shows which poked fun at the musical comedy form, such as *The Producers* and *Spamalot*. In *The Complete Book of 2000s Broadway Musicals*, Dan Dietz examines in detail every musical that opened on Broadway from 2000 through the end of 2009. This book discusses the era's major successes, notorious failures, and musicals that closed during their pre-Broadway tryouts. In addition to including every hit and flop that debuted during the decade, this book highlights revivals and personal-appearance revues with such performers as Patti LuPone, Chita Rivera, and Martin Short. Each entry contains the following information: Plot summary, Cast members, Names of all important personnel, including writers, composers, directors, choreographers, producers, and musical directors, Opening and closing dates, Number of performances, Critical commentary, Musical numbers and the performers who introduced the songs, Production data, including information about tryouts, Source material, Tony awards and nominations, Details about London and other foreign productions. Besides separate entries for each production, the book offers numerous appendixes, including a discography, filmography, and published scripts, as well as lists of black-themed shows and Jewish-themed productions. This comprehensive book contains a wealth of information and provides a comprehensive view of each show. *The Complete Book of 2000s Broadway Musicals* will be of use to scholars, historians, and casual fans of one of the greatest decades in musical theatre history.

hairspray the musical script: *Musicals in Film* Thomas S. Hischak, 2016-11-07 This wide-ranging guide introduces (or reintroduces) readers to movie musicals past and present, enabling them to experience the development of this uniquely American art form—and discover films they'll love. This comprehensive guide covers movie musicals from their introduction with the 1927 film *The Jazz Singer* through 2015 releases. In all, it describes 125 movies, opening up the world of this popular form of entertainment to preteens, teens, and adults alike. An introduction explains the advent of movie musicals; then, in keeping with the book's historical approach, films are presented by decade and year with overviews of advances during particular periods. In this way, the reader not only learns about individual films but can see the big picture of how movie musicals developed and changed over time. For each film covered, the guide offers basic facts—studio, director, songwriters, actors, etc.—as well as a brief plot synopsis. Each entry also offers an explanation of why the movie is noteworthy, how popular it was or wasn't, and the influence the film might have had on later musicals. Sidebars offering brief biographies of important artists appear throughout the book.

hairspray the musical script: *Her Turn on Stage* Grace Barnes, 2015-07-04 Audiences for musical theater are predominantly women, yet shows are frequently created and produced by men. Onstage, female characters are depicted as victims or sex objects and lack the complexity of their male counterparts. Offstage, women are under-represented among writers, directors, composers and choreographers. While other areas of the arts rally behind gender equality, musical theater demonstrates a disregard for women and an authentic female voice. If musical theater reflects prevailing societal attitudes, what does the modern musical tell us about the place of women in contemporary America, the UK and Australia? Are women deliberately kept out of musical theater by men jealously guarding their territory or is the absence of women a result of the modernization of the genre? Based on interviews with successful female performers, writers, directors, choreographers and executives, this book offers a unique female viewpoint on musical theater today.

hairspray the musical script: *The Sound of Musicals* Steven Cohan, 2017-10-07 Despite having had its obituary written many times, the movie musical remains a flourishing twenty-first century form, and as this volume demonstrates, one that exists far beyond the confines of Broadway and Hollywood. *The Sound of Musicals* examines the films, stars, issues and traditions of the genre from the 1930s to the present day. Featuring sixteen original essays by leading international scholars, this illuminating collection addresses the complex history and global variety of the movie musical, and considers the delight and passionate engagement that musicals continue to inspire in audiences around the world. The contributors address key issues for understanding the movie musical: questions of genre and generic traditions; questions of history, bringing fresh perspectives to a consideration of Classical Hollywood musicals; and the musical beyond Hollywood, looking at alternatives to the Hollywood model from the 'New Hollywood' and American independent cinema to Bollywood and other national musical traditions. Individual chapters consider key musical stars such as Frank Sinatra, Julie Andrews and Barbra Streisand; film-makers including Robert Altman and Christophe Honoré, and classic musicals such as *South Pacific* (1958) and *Hairspray* (1988). In his introduction to the volume, Steven Cohan addresses the significance and enduring appeal of this multi-faceted genre, and considers its recent renaissance with movies such as the *High School Musical* franchise, and the success of the television series *Glee*.
