

INDIAN GIVERS BOOK

INDIAN GIVERS IS A THOUGHT-PROVOKING BOOK THAT DELVES INTO THE COMPLEX RELATIONSHIP BETWEEN NATIVE AMERICANS AND EUROPEAN SETTLERS, EXPLORING THEMES OF CULTURE, IDENTITY, AND THE PROFOUND MISUNDERSTANDINGS THAT AROSE FROM DIFFERING WORLDVIEWS. AUTHORED BY JACK D. FORBES AND FIRST PUBLISHED IN 1972, THIS SEMINAL WORK CHALLENGES THE DOMINANT NARRATIVES OF AMERICAN HISTORY, OFFERING READERS A FRESH PERSPECTIVE ON THE CONTRIBUTIONS AND EXPERIENCES OF INDIGENOUS PEOPLES. IN THIS ARTICLE, WE WILL EXPLORE THE CENTRAL THEMES OF THE BOOK, ITS HISTORICAL CONTEXT, AND ITS RELEVANCE IN TODAY'S SOCIETY.

UNDERSTANDING THE TITLE: "INDIAN GIVERS" EXPLAINED

THE TERM "INDIAN GIVER" HAS HISTORICALLY BEEN USED IN A DEROGATORY SENSE TO DESCRIBE SOMEONE WHO GIVES A GIFT BUT EXPECTS SOMETHING IN RETURN. HOWEVER, FORBES SEEKS TO RECLAIM THIS TERM BY ILLUSTRATING THE CULTURAL SIGNIFICANCE OF GIFT-GIVING IN NATIVE AMERICAN SOCIETIES. IN INDIGENOUS CULTURES, GIFTS ARE OFTEN SEEN AS A MEANS OF ESTABLISHING RELATIONSHIPS RATHER THAN MERE TRANSACTIONS. THIS SECTION WILL EXPLORE THE NUANCES OF THE TITLE AND ITS IMPLICATIONS.

THE CULTURAL SIGNIFICANCE OF GIFT-GIVING

1. BUILDING RELATIONSHIPS: IN MANY NATIVE AMERICAN CULTURES, GIFTS ARE NOT SIMPLY EXCHANGES BUT ARE INTEGRAL TO FORMING AND MAINTAINING SOCIAL BONDS. THE ACT OF GIVING SIGNIFIES RESPECT AND ESTABLISHES A SENSE OF COMMUNITY.
2. CEREMONIAL IMPORTANCE: GIFT-GIVING OFTEN PLAYS A VITAL ROLE IN CEREMONIES AND RITUALS, REINFORCING THE VALUES AND BELIEFS OF THE COMMUNITY.
3. MUTUAL RECIPROCITY: UNLIKE THE TRANSACTIONAL NATURE OFTEN SEEN IN WESTERN CULTURES, INDIGENOUS GIFT-GIVING EMPHASIZES A SENSE OF MUTUAL OBLIGATION AND RECIPROCITY.

THE HISTORICAL CONTEXT OF "INDIAN GIVERS"

TO FULLY APPRECIATE THE INSIGHTS PRESENTED IN "INDIAN GIVERS," IT IS ESSENTIAL TO UNDERSTAND THE HISTORICAL BACKDROP AGAINST WHICH THE BOOK WAS WRITTEN. THE 1970S WERE A TIME OF BURGEONING AWARENESS REGARDING THE RIGHTS AND HISTORIES OF INDIGENOUS PEOPLES IN NORTH AMERICA.

KEY HISTORICAL EVENTS

- CIVIL RIGHTS MOVEMENT: THE 1960S AND 70S SAW A RISE IN ACTIVISM AMONG NATIVE AMERICANS, PARALLELING THE CIVIL RIGHTS MOVEMENT. THE PUSH FOR RECOGNITION AND RIGHTS LED TO GREATER SCRUTINY OF HISTORICAL NARRATIVES.
- AMERICAN INDIAN MOVEMENT (AIM): FOUNDED IN 1968, AIM SOUGHT TO ADDRESS ISSUES OF SOVEREIGNTY, TREATY RIGHTS, AND SOCIAL JUSTICE, BRINGING INDIGENOUS CONCERNS TO THE FOREFRONT OF NATIONAL DISCOURSE.
- CHANGING PERCEPTIONS: THE 1970S MARKED A SHIFT IN HOW NATIVE AMERICAN HISTORIES WERE PERCEIVED, MOVING AWAY FROM STEREOTYPES AND TOWARD A RECOGNITION OF THEIR RICH CULTURAL HERITAGE.

KEY THEMES IN "INDIAN GIVERS"

JACK D. FORBES' "INDIAN GIVERS" COVERS A VARIETY OF THEMES THAT CHALLENGE THE READER'S UNDERSTANDING OF AMERICAN HISTORY AND INDIGENOUS CULTURES.

1. MISUNDERSTANDING AND MISREPRESENTATION

FORBES ILLUSTRATES HOW EUROPEAN SETTLERS OFTEN MISINTERPRETED NATIVE AMERICAN CUSTOMS AND VALUES. THIS MISUNDERSTANDING LED TO WIDESPREAD MISREPRESENTATION IN POPULAR CULTURE AND HISTORY, PERPETUATING STEREOTYPES AND FOSTERING CONFLICT.

2. THE CONCEPT OF LAND OWNERSHIP

ONE OF THE CENTRAL THEMES OF THE BOOK IS THE DIFFERING VIEWS ON LAND OWNERSHIP. FORBES ARGUES THAT INDIGENOUS PEOPLES HAVE A COMMUNAL UNDERSTANDING OF LAND, VIEWING IT AS A SHARED RESOURCE RATHER THAN A COMMODITY TO BE BOUGHT AND SOLD. THIS CLASH OF VALUES FUELED MUCH OF THE CONFLICT BETWEEN NATIVE AMERICANS AND SETTLERS.

3. CONTRIBUTIONS TO AMERICAN CULTURE

FORBES HIGHLIGHTS THE MANY CONTRIBUTIONS OF NATIVE AMERICANS TO AMERICAN CULTURE, INCLUDING:

- AGRICULTURE: MANY STAPLE CROPS, SUCH AS CORN, POTATOES, AND TOMATOES, WERE CULTIVATED BY INDIGENOUS PEOPLES LONG BEFORE EUROPEAN CONTACT.
- ENVIRONMENTAL STEWARDSHIP: INDIGENOUS PRACTICES OFTEN EMPHASIZE SUSTAINABLE LAND USE, PROVIDING VALUABLE LESSONS IN CONSERVATION.
- LANGUAGE AND ART: NATIVE AMERICAN LANGUAGES AND ARTISTIC EXPRESSIONS HAVE ENRICHED THE CULTURAL LANDSCAPE OF THE UNITED STATES.

THE RELEVANCE OF "INDIAN GIVERS" TODAY

IN TODAY'S CONTEXT, "INDIAN GIVERS" RESONATES WITH ONGOING DISCUSSIONS ABOUT CULTURAL APPROPRIATION, INDIGENOUS RIGHTS, AND SOCIAL JUSTICE. THE BOOK'S THEMES REMAIN PERTINENT AS SOCIETY GRAPPLES WITH HISTORICAL INJUSTICES AND SEEKS TO CREATE A MORE EQUITABLE FUTURE.

CONTEMPORARY ISSUES

- CULTURAL APPROPRIATION: AS DISCUSSIONS AROUND CULTURAL SENSITIVITY CONTINUE, FORBES' ANALYSIS ENCOURAGES A REEVALUATION OF HOW INDIGENOUS CULTURES ARE REPRESENTED AND APPROPRIATED IN MAINSTREAM SOCIETY.
- LAND RIGHTS: THE BOOK'S INSIGHTS INTO DIFFERING PERSPECTIVES ON LAND OWNERSHIP ARE PARTICULARLY RELEVANT IN CONTEMPORARY DEBATES OVER LAND RIGHTS, ENVIRONMENTAL PROTECTION, AND INDIGENOUS SOVEREIGNTY.
- EDUCATION AND AWARENESS: "INDIAN GIVERS" SERVES AS A CRITICAL RESOURCE FOR UNDERSTANDING NATIVE AMERICAN HISTORY AND CULTURE, PROMOTING GREATER AWARENESS AND APPRECIATION AMONG READERS.

CONCLUSION

"INDIAN GIVERS" BY JACK D. FORBES IS MORE THAN JUST A HISTORICAL ACCOUNT; IT IS A CALL TO RETHINK HOW WE UNDERSTAND THE RELATIONSHIPS BETWEEN INDIGENOUS PEOPLES AND EUROPEAN SETTLERS. BY EXAMINING THE CULTURAL SIGNIFICANCE OF GIFT-GIVING, THE MISUNDERSTANDINGS THAT AROSE, AND THE CONTRIBUTIONS OF NATIVE AMERICANS TO AMERICAN SOCIETY, FORBES INVITES READERS TO ENGAGE WITH A MORE NUANCED PERSPECTIVE OF HISTORY. IN AN AGE WHERE DISCUSSIONS ABOUT RACE, CULTURE, AND IDENTITY ARE MORE VITAL THAN EVER, "INDIAN GIVERS" REMAINS A CRUCIAL TEXT FOR FOSTERING UNDERSTANDING AND PROMOTING SOCIAL JUSTICE. EMBRACING THE LESSONS OF THIS BOOK CAN HELP PAVE THE WAY FOR A MORE INCLUSIVE AND EQUITABLE SOCIETY, HONORING THE RICH HERITAGE OF INDIGENOUS PEOPLES AND THEIR ENDURING INFLUENCE ON AMERICAN CULTURE.

FREQUENTLY ASKED QUESTIONS

WHAT IS THE MAIN THEME OF 'INDIAN GIVERS' BY JACK WEATHERFORD?

'INDIAN GIVERS' EXPLORES THE CONTRIBUTIONS OF NATIVE AMERICAN CULTURES TO MODERN SOCIETY, EMPHASIZING THE IDEA OF RECIPROCITY AND HOW INDIGENOUS PRACTICES HAVE INFLUENCED CONTEMPORARY VALUES.

WHO IS THE AUTHOR OF 'INDIAN GIVERS' AND WHAT IS HIS BACKGROUND?

JACK WEATHERFORD IS AN ANTHROPOLOGIST AND AUTHOR KNOWN FOR HIS WORK ON NATIVE AMERICAN HISTORY AND CULTURE, AS WELL AS HIS EXPLORATIONS OF THE IMPACT OF INDIGENOUS PEOPLES ON GLOBAL SOCIETY.

HOW DOES 'INDIAN GIVERS' CHALLENGE TRADITIONAL VIEWS OF AMERICAN HISTORY?

'INDIAN GIVERS' CHALLENGES TRADITIONAL NARRATIVES BY HIGHLIGHTING THE SIGNIFICANT ROLES THAT NATIVE AMERICANS PLAYED IN SHAPING THE ECONOMY, AGRICULTURE, AND SOCIAL STRUCTURES OF THE UNITED STATES.

WHAT ARE SOME KEY CONTRIBUTIONS OF NATIVE AMERICANS DISCUSSED IN 'INDIAN GIVERS'?

THE BOOK DISCUSSES VARIOUS CONTRIBUTIONS INCLUDING THE INTRODUCTION OF CROPS SUCH AS MAIZE AND POTATOES, AS WELL AS CONCEPTS OF LAND OWNERSHIP AND SUSTAINABLE RESOURCE MANAGEMENT.

WHAT IMPACT HAS 'INDIAN GIVERS' HAD ON CONTEMPORARY DISCUSSIONS ABOUT CULTURAL APPROPRIATION?

'INDIAN GIVERS' HAS SPARKED DISCUSSIONS ABOUT CULTURAL APPROPRIATION BY EMPHASIZING THE IMPORTANCE OF RECOGNIZING AND VALUING THE INTELLECTUAL AND CULTURAL CONTRIBUTIONS OF NATIVE AMERICANS TO MAINSTREAM SOCIETY.

IS 'INDIAN GIVERS' CONSIDERED A SCHOLARLY WORK OR MORE OF A POPULAR NARRATIVE?

'INDIAN GIVERS' IS CONSIDERED A BLEND OF SCHOLARLY RESEARCH AND POPULAR NARRATIVE, MAKING IT ACCESSIBLE TO A WIDE AUDIENCE WHILE STILL PROVIDING IN-DEPTH ANALYSIS OF HISTORICAL FACTS AND CULTURAL SIGNIFICANCE.

Indian Givers Book

indian givers book: Indian Givers Jack Weatherford, 2010-05-05 An utterly compelling story of how the cultural, social, and political practices of Native Americans transformed the way life is lived throughout the world, with a new introduction by the author "As entertaining as it is thoughtful . . . Few contemporary writers have Weatherford's talent for making the deep sweep of history seem vital and immediate."—The Washington Post After 500 years, the world's huge debt to the wisdom of the Native Americans has finally been explored in all its vivid drama by anthropologist Jack Weatherford. He traces the crucial contributions made by the Native Americans to our federal system of government, our democratic institutions, modern medicine, agriculture, architecture, and ecology, and in this astonishing, ground-breaking book takes a giant step toward recovering a true American history.

indian givers book: Indian Givers Jack Weatherford, 1989-11 Charts the wide-ranging and lasting impact of Native American culture on American and European society

indian givers book: Indian Givers Jack Weatherford, 1988 After 500 years, the world's huge debt to the wisdom of the Indians of the Americas has finally been explored. In 'Indian Givers,' anthropologist Jack Weatherford tells the utterly compelling story of how the cultural, social, and political practices of the Indians have transformed the way life is lived throughout the world. In vividly dramatic chapters, Weatherford traces the crucial contributions made by the Indians to our federal system of government, our democratic institutions, modern medicine, agriculture, architecture, and ecology. The Indians set a sophisticated urban trading economy in motion when they unearthed undreamed-of quantities of gold and silver. And foods discovered by the Indians, such as potatoes, chocolate, and chilies, revolutionized the cuisines of Europe and Asia-- in fact, some 60 percent of the foods eaten in the world today were first harvested by the Indians of the Americas.

indian givers book: Native Roots Jack Weatherford, 2010-06-23 "Gracefully written . . . thoroughly researched . . . America is a banquet prepared by the Indians—who were forgotten when it was time to give thanks at the table."—St. Paul Pioneer-Express "Well written, imagery-ridden . . . A tale of what was, what became, and what is today regarding the Indian relation to the European civilization that 'grafted' itself onto this 'ancient stem'"—Minneapolis Star Tribune In Indian Givers, anthropologist Jack Weatherford revealed how the cultural, social, and political practices of the American Indians transformed the world. In Native Roots, Weatherford focuses on the vital role Indian civilizations have played in the making of the United States. Conventional American history holds that the white settlers of the New World re-created the societies they had known in England, France, and Spain. But, as Weatherford so brilliantly shows, Europeans in fact grafted their civilizations onto the deep and nourishing roots of Native American customs and beliefs. Beneath the glass-and-steel skyscrapers of contemporary Manhattan lies an Indian fur-trading post. Behind the tactics of modern guerrilla warfare are the lightning-fast maneuvers of the Plains Indians. Our place names, our farming and hunting techniques, our crafts, and the very blood that flows in our veins—all derive from American Indians in ways that we consistently fail to see. In Weatherford's words, "Without understanding Native Americans, we will never know who we are today in America."

indian givers book: Indian Giving David Murray, 2000 Studies what was given and exchanged in early encounters between Europeans and Indians and how these transactions were understood and represented on each side. Treatment moves between detailed discussions of particular moments of giving and exchanging, together with the objects and signs involved, and broader arguments about what these instances reveal about the workings of power within and between societies. Although the main focus is on 17th-century northeastern America, there is also discussion of classic accounts of first encounters from the late 15th and 16th centuries. indian givers book: Encyclopedia of American Indian Contributions to the World Emory Dean Keoke, Kay Marie Porterfield, 2009 Describes the lives and achievements of American Indians and discusses their contributions to the world.

indian givers book: The Invented Indian James A. Clifton, 2017-09-04 This is an explosive collection of essays, written by leading scholars of North American Indians, most of them heavily involved in service and applied work, often on behalf of Indian clients, communities, and organizations. In an area saturated with deadening, consciously politicized orthodoxy, these seventeen essays aim at nothing less than the reconstruction of our understanding of the American Indian-past and present. The volume examines in careful, accurate but uncompromising ways the recent construction of the prevailing conventional story-line about America's most favored underclass. The first eight essays introduce the volume and treat a variety of specific invented traditions concerning Indians. These are followed by four essays on broader, thematic issues related to the demographic, religious, cultural, and kinship elements in Indian studies. The final five chapters express a comparative perspective: from Anglo and French Canada, Europe, from inside the Bureau of Indian Affairs, and from a legal position. The Invented Indian explores how cultural fictions promote divisiveness and translate into policy. Throughout, the volume reveals a deep and abiding respect for Indians, their histories, and their cultures, saving its critiques for jaundiced academics and callow politicians. Representing years of cooperative effort, this work brings together a group providing breadth and balance. Far more than a critical collection, it is a constructive effort to make sense of a field displaying empirical confusions and moral muddles. The volume will be of interest to anthropologists, professionals in Indian studies, and policymakers.

indian givers book: *Fantasies of the Master Race* Ward Churchill, 1998 Chosen an Outstanding Book on the Subject of Human Rights in the United States by the Gustavus Myers Center for the Study of Human Rights. In this volume of incisive essays, Ward Churchill looks at representations of American Indians in literature and film, delineating a history of cultural propaganda that has served to support the continued colonization of Native America. During each phase of the genocide of American Indians, the media has played a critical role in creating easily digestible stereotypes of Indians for popular consumption. Literature about Indians was first written and published in order to provoke and sanctify warfare against them. Later, the focus changed to enlisting public support for civilizing the savages, stripping them of their culture and assimilating them into the dominant society. Now, in the final stages of cultural genocide, it is the appropriation and stereotyping of Native culture that establishes control over knowledge and truth. The primary means by which this is accomplished is through the powerful publishing and film industries. Whether they are the tragically doomed noble savages walking into the sunset of *Dances With Wolves* or Carlos Castaneda's *Don Juan*, the exotic mythical Indians constitute no threat to the established order. Literature and art crafted by the dominant culture are an insidious political force, disinforming people who might otherwise develop a clearer understanding of indigenous struggles for justice and freedom. This book is offered to counter that deception, and to move people to take action on issues confronting American Indians today.

indian givers book: *American Indian Education, 2nd Edition* Jon Reyhner, Jeanne Eder, 2017-11-02 Before Europeans arrived in North America, Indigenous peoples spoke more than three hundred languages and followed almost as many distinct belief systems and lifeways. But in childrearing, the different Indian societies had certain practices in common—including training for survival and teaching tribal traditions. The history of American Indian education from colonial times to the present is a story of how Euro-Americans disrupted and suppressed these common cultural practices, and how Indians actively pursued and preserved them. *American Indian Education* recounts that history from the earliest missionary and government attempts to Christianize and “civilize” Indian children to the most recent efforts to revitalize Native cultures and return control of schools to Indigenous peoples. Extensive firsthand testimony from teachers and students offers unique insight into the varying experiences of Indian education. Historians and educators Jon Reyhner and Jeanne Eder begin by discussing Indian childrearing practices and the work of colonial

missionaries in New France (Canada), New England, Mexico, and California, then conduct readers through the full array of government programs aimed at educating Indian children. From the passage of the Civilization Act of 1819 to the formation of the Bureau of Indian Affairs in 1824 and the establishment of Indian reservations and vocation-oriented boarding schools, the authors frame Native education through federal policy eras: treaties, removal, assimilation, reorganization, termination, and self-determination. Thoroughly updated for this second edition, *American Indian Education* is the most comprehensive single-volume account, useful for students, educators, historians, activists, and public servants interested in the history and efficacy of educational reforms past and present.

indian givers book: Native American and Chicano/a Literature of the American Southwest Christina M. Hebebrand, 2004-08-02 This book studies Native American and Chicano/a writers of the American Southwest as a coherent cultural group with common features and distinct efforts to deal with and to resist the dominant Euro-American culture.

indian givers book: Native American Libraries, Archives, and Information Services United States. Congress. Senate. Select Committee on Indian Affairs, 1991 Oversight Hearing to Gain a Better Understanding of the Condition of Native American Libraries, Archives, and Information Services.

indian givers book: Indian Giver Peter Wolf Toth, 1980

indian givers book: American Indian Education Jon Reyhner, Jeanne Eder, 2015-01-07 In this comprehensive history of American Indian education in the United States from colonial times to the present, historians and educators Jon Reyhner and Jeanne Eder explore the broad spectrum of Native experiences in missionary, government, and tribal boarding and day schools. This up-to-date survey is the first one-volume source for those interested in educational reform policies and missionary and government efforts to Christianize and “civilize” American Indian children. Drawing on firsthand accounts from teachers and students, *American Indian Education* considers and analyzes shifting educational policies and philosophies, paying special attention to the passage of the Native American Languages Act and current efforts to revitalize Native American cultures.

indian givers book: *The Self-destruction of the West* Damien François, 2007 Voilà désormais plus de 10 000 ans que la civilisation occidentale s'est installée et voilà 10 000 ans qu'elle viole le sens même de la nature : la vie. En s'appropriant sans concession ce qui l'entourait, l'homme de l'Ouest a vu son horizon ployer sous la charge de la destruction qu'il lui avait lui-même réalisée. Sommes-nous des lycanthropes ou des vampires? Ces monstres si terrifiants qui sortent de notre imagination sont-ils en réalité la copie de notre comportement dévastateur? Prédateurs, nous pompons sans remords les énergies qui nous entourent. Jusqu'où ira-t-on?.

indian givers book: American Indian Business Deanna M. Kennedy, Charles F. Harrington, Amy Klemm Verbos, Daniel Stewart, Joseph Scott Gladstone, Gavin Clarkson, 2017-09-26 American Indian business is booming. The number of American Indian- and Alaska Native-owned businesses increased by 15.3 percent from 2007 to 2012—a time when the total number of US businesses increased by just 2 percent—and receipts grew from \$34.4 million in 2002 to \$8.8 billion in 2012. Despite this impressive growth, there is an absence of small businesses on reservations, and Native Americans own private businesses at the lowest rate per capita for any ethnic or racial group in the United States. Many Indigenous entrepreneurs face unique cultural and practical challenges in starting, locating, and operating a business, from a perceived lack of a culture of entrepreneurship and a suspicion of capitalism to the difficulty of borrowing start-up funds when real estate is held in trust and cannot be used as collateral. This book provides an accessible introduction to American Indian businesses, business practices, and business education. Its chapters cover the history of

American Indian business from early trading posts to today's casino boom; economic sustainability, self-determination, and sovereignty; organization and management; marketing; leadership; human resource management; tribal finance; business strategy and positioning; American Indian business law; tribal gaming operations; the importance of economic development and the challenges of economic leakage; entrepreneurship; technology and data management; business ethics; service management; taxation; accounting; and health-care management. American Indian Business also furthers the inclusion of Indigenous perspectives in the study of American business practices in general and demonstrates the significant impact that American Indians have had on business, as well as their cultural contributions to management, leadership, marketing, economic development, and entrepreneurship.

indian givers book: Native American Political Systems and the Evolution of Democracy

Bruce E. Johansen, 1996-05-14 For more than a decade scholars have debated the question of whether American Indian confederacies, primarily the Iroquois, helped influence the formation of U.S. basic law. The idea has sparked lively debate in the public arena as well, with Canadian diplomat Durling Voyce-Jones contending it shows a paradigm shift in our thinking, Patrick Buchanan calling it idiocy, and George Will saying it's fiction. For the first time, this bibliography brings together some 450 citations on the debate. The work describes the debate in the words of one of its major participants, Bruce E. Johansen, author of three other books on the subject. The bibliography also takes the reader back to suggestions of the idea long before the contemporary debate. Lakota author Charles Eastman brought up the subject in 1919, Mohawk teacher Ray Fadden developed it in the 1940s, and John F. Kennedy touched on it in 1960. Bringing the debate to its full flower in the present day, the bibliography illustrates both fervent support and equally emphatic denial in the academy and the public press. The book is both a scholarly tool and a lively exploration of issues bearing on the study of history and multiculturalism.

indian givers book: Killing the White Man's Indian Fergus M. Bordewich, 1997-04-14 In the face of a new lightly romanticized view of Native Americans, *Killing the White Man's Indian* bravely confronts the current myths and often contradictory realities of tribal life today. Following two centuries of broken treaties and virtual government extermination of the savage redmen, Americans today have recast Native Americans into another, equally stereotyped role, that of eternal victims, politically powerless and weakened by poverty and alcoholism, yet whose spiritual ties with the natural world form our last, best hope of salvaging our natural environment and ennobling our souls. The truth, however, is neither as grim, nor as blindly idealistic, as many would expect. The fact is that a virtual revolution is underway in Indian Country, an upheaval of epic proportions. For the first time in generations, Indians are shaping their own destinies, largely beyond the control of whites, reinventing Indian education and justice, exploiting the principle of tribal sovereignty in ways that empower tribal governments far beyond most American's imaginations. While new found power has enriched tribal life and prospects, and has made Native Americans fuller participants in the American dream, it has brought tribal governments into direct conflict with local economics and the federal government. Based on three years of research on the Native American reservations, and written without a hidden conservative bias or politically correct agenda, *Killing the White Man's Indian* takes on Native American politics and policies today in all their contradictory--and controversial--guises.
