Background of Beatrix Potter and Her Work

Beatrix Potter was born on July 28, 1866, in Kensington, London. Raised in a well-to-do family, she spent much of her childhood in the Lake District, where she developed a love for nature and storytelling. Her affinity for animals and the countryside served as inspiration for her illustrations and narratives.

Potter's journey as a children's author began with her self-published story, "The Tale of Peter Rabbit," which she wrote and illustrated herself. The story was initially created as a private letter to a young friend, but her desire to share it with a wider audience led her to publish it in 1902. The book quickly gained popularity, and Potter went on to write numerous other tales featuring various animal characters.
